ANNUITY BOARD REPORT

DEPARTMENT OF RETIREMENT PLANNING
Baptist State Convention of North Carolina

In North Carolina as of March 31, 1981 3,114 staff members of 2,353 churches and associations are participating in the Southern Baptist Retirement Program.

Through March 31, 1981, we had processed the following:

70-Southern Baptist Retirement Program applications
11-applications for age retirement benefits
442-upgrades

One of the most exciting and far reaching aspects of our work for 1980 has been the printing of and response to the study guide, PLANNING THE REST OF YOUR LIFE. This booklet is available from our office for church staff members, small study groups and church families who wish to have help in planning their retirement years.

The church's reponse to upgrading the staff member's retirement program is most encouraging. Ten (10%) percent of his/her annual compensation (salary, housing allowance, auto allowance, etc.) should be the minimum.

ASSOCIATION

In Macon Association 22 churches and 25 staff members are participating in the retirement program. Of this number 19 are still participating on the minimum of $33.34 per month. There is a great need to upgrade this to 10% of total salary for staff members.

Respectfully submitted,
Earl Dendy

ASSOCIATIONAL MISSIONS

This year has been a good one in the life of Macon Baptist Association.

Our Association voted at the 1980 Annual Meeting to construct

a church at Greenbank, West Va. This building was completed in October. I am happy to report the church is growing and a pastor now lives on the field. We believe the involvement of this mission outreach influenced one of our men enough that he accepted Christ as Savior upon return from this trip. Greenbank is having additions to the church. Praise The Lord for what He has done and is doing both here and there.

In April, the Missions Committee proposed to the Executive Committee, to build the second church located at Philippi, West Virginia. This church was constructed in May 1980 using the same blue print as the one in Greenbank. Our Association was aided by the State Brotherhood Department on this project. Two college students were saved in this new construction one week after the crew returned home. To God Be The Glory!

Again, the Association has been involved in building new Conference Center at Camp Truett this was a project for Region 10, our own western camp for our boys and girls. Churches have been involved in up-grading the old buildings at Truett and helping to get the camp ready for the opening this spring.

I was privileged to lead a group to work on Baptist Student Union Building at Pembroke College, Cecil Wilson went from our Association to work on this project.

During this year I have visited or spoke in the 45 churches and 29 the second time. I conducted a study course, had morning devotion on radio 4 weeks, camp pastor 1 week at Truett, participated in Home Mission Study in 6 churches, conducted 4 weddings, assisted and attended many funerals, held revival one week at Greenbank, had 5 speaking engagements outside the Association, Attended Baptist Men's Convention, Baptist State Convention, Evangelistic Conference, Attended two Director Mission Conferences, Leadership Conference Ridgecrest, Here's Hope 82, in our Association, "M" Night, WMU Annual Meeting, Baptist Men Annual Meeting, and others, attended all Committee Meetings, Executive Meetings, and Pastors Conference. Traveled many miles in our Lords work.

It's a continued joy to work with you. I commend all who took such active interest. I want to thank the officers, Committee Members for the work you have done and my appreciation to the churches of the Association for the interest, support and prayers which have been afforded me.

Some of us ought to be more involved in meeting attendance, some need share in financial support of the Association. The key to a successful Association is not what can the Association do for us, but what can we do for the Association, what can we do to strengthen and develope the fellowship and support of the 45 churches of the MBA, churches on Mission in our setting.

This has been a BUSY year in our Association and let's reach for greater heights and aim high for the coming year, to build up our Lords work, while we yet have time. Thank you!

Cecil Frady, Director Missions

BAPTIST FOUNDATION

During the year, twenty-three new trust funds valued at $385,016. were established with the N.C. Baptist Foundation. Coupled with the additions to existing trusts, total new assets held for the various missions and institutions increased the value of trust assets by $453.877.

Foreign Missions trust increased by approximately $26,000.

Home Missions trusts increased by $8,000.

Baptist Childrens Homes of North Carolina trusts increased by approximately $19,000.

Southeastern Seminary by $12,250.

Fruitland Bible Institute by $33,000.

N.C. Baptist Homes by $1,500.

Local Church trust funds, including cemetery, scholarships and mission funds by $5,000.

Cooperative Program by $7,000.

Statewide student loan fund by $115,000.

The Directors of the Foundation made an investment decision in 1978 to increase the yield to the charitable beneficiaries of trust income. Over a two year period investments moved toward high quality selective bonds, bonds to accomplish this goal. The income of yield increased steadily with the rate on December 30, 1980 averaging 10.3%. Market Value of all assets on December 30, 1980 were $4,586,215.12. The bond portion of the investment portfolio reflected the high interest market at the end of the year with market values being depressed below inventory value.

Thirty-eight percent of the market value of all assets held by the Foundation were made as gifts by persons desiring to receive income for the remainder of their lifetime and at death have the trust funds pay income to missions or Baptist institutions. Foundation personnel are available to assist any member of a Baptist Church in North Carolina to utilize this or other plans of giving to provide a perpetual personal support for sharing the message of Christ-even beyond one's lifetime.

More families are utilizing the memorial gifts as a means of providing mission support on a continuing basis. Individual trust accounts are established with only the income being distributed in the name of the deceased family member. Generally the mission cause named to receive the income was loved and supported during the lifetime of the family member.

Private and confidential conferences are scheduled by Foundation staff members with individuals desiring to seek direction in estate planning and giving.

Executive Secretary

BAPTIST HOSPITAL

During the past decade, life expectancy in this country has increased by three years, to 73.2 years. Important factors in this increase have been the development of new medical techology and the application of new medical knowledge gained through research.

Baptist Hospital has had a significant part in this developing knowledge and techology. During the past year, the hospital has expanded more than $3 million on technological equipment, including improved treatment of patients with certain types of cancer, increases capability of identifying and locating heart problems, new technology that salvages the patient's blood, cleans it and readies it for transfusion-making transfusing faster and less expensive, and which enables the physician to determine the precise drug dosage needed.

Several staff members from the Medical Center have participated in short term medical assignments during the past year-many of these in overseas areas.

The Department of Pastoral Care continues to provide a pastoral ministry to hospital patients and their families, and numerous events in Christian enrichment and development. The Minister's Care Plan continues to provide financial assistance for ministers and/or their families.

Again this year, our hospital has won awards in cost effectiveness programs, indicating our continuing efforts to keep our operating costs and patient charges as low as possible.

In 1980, our churches contributed $457,459.56 to the hospital through the Cooperative Program, and $353,397.73 through the North Carolina Missions Offering and designated gifts.

J.C. Jacobs, Representative BH

BIBLICAL RECORDER

Again this past year, the BIBLICAL RECORDER has reminded us all of the value of good church-pastor relations. This is just one of many subjects the RECORDER seeks to cover for North Carolina Baptists.

The editor believes strongly in the local church as well as the ministry and work of the pastor. All of us know, nothing can take the place of a good church and a good pastor.

And yet, we also know that there are those in our midst who do not believe in this as much as they should. The RECORDER is a constant reminder to us that a bedrock of Baptist life is a strong local church served by a dedicated pastor.

The RECORDER also challenges us in many ways. For example, it reported that there was a net gain of only 21 new churches in our concention in the past 10 years. This shocked many people, especially in view of the number of new churches organized in the last 50 years and in the population growth of our state in the last decade.

The RECORDER was happy to report that the Southern Baptist Convention in the Los Angles was a good one. Those unable to attend were given an accurate and complete picture of what happened there--a front row seat, as it were, for only 7¢ (cost of one RECORDER.)

When people know the truth--and truth must be spoken in love--we have a better convention, better churches, better associations and better individual Christians. The RECORDER is that instrument of communication that keeps us closer together as Baptists.

If you are not receiving the Recorder, you are missing something vital to your Christian life. The cost is still much less than one-half the price of a first class stamp. Surely, every church and every individual can afford that much.

Respectfully submitted,
JoAnn Elmore

BAPTIST CHILDREN'S HOMES

The ministry of the Baptist Children's Homes in Western North Carolina continues to grow and develope. THis is made possible by the continuing support of many Christian friends. Vital to the work of the Homes is financial support through special gifts, the North Carolina Missions Offering and income through the Cooperative Program.

The Western area offices were moved to the Broyhill campus in July making them more central to the seventeen western counties. Through these offices services any place in the State are made available to those who need assistance from the Homes.

Programs located in the western area include: group care at Broyhill Home, emergency care at Forest City and in the Haywood Cottage at Broyhill Home, Maternity Home in Asheville, Craig Cottage in Ridgecrest, a network of foster homes, mother's aid, social work and counseling services. Children and their families from western North Carolina are served through these programs.

Good things are taking place in our Baptist Children's Homes family across the State. Six Families Service Centers have been opened with three others in the planning stages. Children are being provided temporary care in seven Emergency Care Homes. Therapeutic camping for boys is being expanded at Cameron Home near Vass. The Child Development Center in Thomasville continues to offer progressive demonstration preschool care as a model for North Carolina Baptist Churches.

A recent gift of $60,000 from the J.E. Broyhill family given in recognition of Mr. and Mrs. Broyhill's Sixtieth Wedding Anniversary moves the western program a step closer to a Family Resource Center on the Broyhill campus. This will serve to make available to pastors, church leaders and other workshops and materials dealing with family concern.

The Children's Homes received $3,500 Challenge gift toward the construction of an outdoor chapel at Broyhill. This gift comes from the estate of John D. Johnson a layman from Macon Baptist Association and member of Cowee Baptist church, who died during 1980.

Luther Osment and members of the staff of the Homes in western North Carolina are leading the program in a very fine way. In the words of Paul they can say "We are laborers together with God." (I Corinthians 3:9) Thank Him for this relationship.

CHRISTIAN HIGHER EDUCATION

The 1981-82 school year is filled with financial uncertainties across the nation. North Carolina Baptist colleges, where a total of 19,751 students were enrolled last year, are grateful for the generous and growing support through the Cooperative Program and the North Carolina Missions Offering. In addition to dollars, the enrollment of more Baptist young people from the churches is a major emphasis of the colleges and universities.

The Council on Christian Higher Education has published a small book, designed for study in the churches. The title of the book is ON MISSION: THE CHURCH/COLLEGE ALLIANCE. By means of a complementary copy to pastors, mailed September 1, 1981, the colleges hope to create interest among the churches for studying the book. Copies of the book will be sent, free of charge, to those who request it. A study guide is also available.

CHURCH TRAINING

Church Training is an integral part of the Bold Mission Thrust of the Association. It is called upon to train present and future teachers and leaders of our churches. Church Training is not in competition with other programs carried on in a church but enhance them.

Twenty-six churches in our Association had Church Training this year, that means 19 are not training their people. Some of the best materials available are included in Church Training Program and some of the newest material are available.

We did not reach all our goals in Church Training, opportunities were great but few accomplishments. We do feel that foundations were laid that will bring about growth.

We began Church Training Council, made up of the director, Assistant Director, Department Leaders, Music Director and Organist. We had four meetings. We majored on Leadership for this year. We had 70 enrolled in Leadership Conference October 20-21, First Baptist Church, with five State Leaders, leading the Conferences. Our Leaders attended the Enablers Conference held at Andrews, and two attended the Equipping Center Seminar at Robbinsville. In March, Miss Sue Fitzgerald, Director Christian Education Ministeries, Mars Hill College met with our council inmotivating, inspiring and presenting of materials available and resources.

We had a very successful "M" Night, 23 Church Training Directors were present out of 26, 20 pastors, 24 churches represented. The choir was made up of the pastors led by Mrs. Connie Campbell and Mr. Marshall Pierson, at the organ. Rev. Glen A. Smith, Director Church Training, Sunday School Board, Nashville, Tennessee was guest speaker.

We had two girls to participate in Bible Memorization Drill from First Baptist, Lesa Dusek and Michelle Young. The Associational Drill was held May 8, 1981 at the Associational Chapel and the State Drill May 29. Both girls had a score of no errors.

Six new Equipping Centers have been ordered that will be available to churches to use. These will be very helpful in equipping disciples.

I challenge you to set goals for your Church Training this coming year, aim high, urge your youth and children to participate in Bible Memorization and youth speaking tournaments.

Thank you for the opportunity given me to serve this year as Church Training Director. I'm thankful for a full slate officers, and their dedication and willingness to serve. Pray for our incoming Associational Church Training Director and leaders and the work assigned to Church Training, with your help this can be the best Church Training year ever.

Jean Frady,
Director Church Training

EVANGELISM

"The future is as bright as the promises of God" describes the feeling of the Evangelism Committee as we look with you toward the future. 1982 is a special year as we celebrate "Here's Hope" through special evangelistic efforts. Your Evangelism Committee, in light of "Here's Hope, 1982", would like to make the following recommendations:

1. We encourage each pastor to participate in Lay Evangelism School training to be held on September 26, 5-9 P.M.
2. We encourage churches to participate in Lay Evangelism Schools before March of 1982.
3. We encourage churches to participate in the "Here's Hope" simultaneous revivals in the local churches sometime during April 25 through May 9.
4. We encourage the Pastor's Conference leadership to plan two fellowship meetings during this time for Pastor's and Evangelists to be together (one per week).
5. We recommend that we pray, plan for and involve ourselves in an area crusade for mid to late summer of 1982.

Our total number baptized in 1979-80 was 170 and for the year of 1980-81 it was 218.

Let us remember that the population growth in our county is taking place three times faster than church growth.

Respectfully submitted,
Evangelism Committee

FOREIGN MISSIONS REPORT

Since 1845, the Foreign Mission Board has served as the channel through which churches cooperating with the Southern Baptist Convention extended their missionary outreach to other lands. Many of the principles which guided foreign mission work in the past finds great challenging expression in the latest program of BOLD MISSION THRUST that aims for more than 5000 missionaries by 2000 A.D.; Missionaries at work in at least 125 countries as God may lead; Massive, extra-ordinary unprecedented efforts in evangelism and other objectives enlarged in their scope to meet this great task.

The list of countries and territories to which the Foreign Mission Board assigns missionaries has remained at 94 for several months, though its make up has changed. Equatorial Guinea, joining the official list April 1 is number 95 baring other shifts.

Foreign Mission Conference, held July 4-10, 1981 at Ridgecrest, N.C. was a great week of learning and sensing the great and various needs of our lost world. World awareness and prayer were the key notes of the week.

A special service of dedication and prayer was held on July 9. A service when more than 80 young men and women were commissioned as Journeymen to serve for two years in mission service around the world. Some of these gave testimonies, music by the Journeymen Choir and other interesting features made this one service a challenge and a joy.

During the meeting of the Southern Baptist Convention held in June 1981 the following needs were stated by the Foreign Mission Board: Needed 403 preachers, 66 Theological teachers, 44 doctors, 30 Nurses, 3,059 Missionaries, 416 categories named making a total of 959 people for Mission fields.

The total income by the Foreign Mission Board in 1980 exceeded the previous year by nearly $20 million and topped $100 million for the first time.

FRUITLAND BAPTIST BIBLE INSTITUTE

One score less than a hundred years ago, Southern Baptists founded a learning center at Fruitland. Operated by our Home Mission Board, it was called Fruitland Institute. That school

produced many leaders for our denomination and country. About thirty-five years ago, Fruitland institute became the Fruitland Baptist Bible Institute with the distinctive purpose of providing for adults called to a church related vocation. That purpose holds. Fruitland Baptist Bible Institute is not a college nor a seminary, and has no intention of becoming either. It is now owned and operated by the Baptist State Convention and is affiliated with the Education Commission of the Southern Baptist Convention for training adults in church related vocations.

With wholesome flexibility, the curriculum includes twenty-four basic practical courses with special night classes in the fields of music and education. For a diploma, eight quarters or their equivalent are required to earn at least ninety-six quarter hours of credit. Special training for ministers of music and education is offered on Tuesday nights in four hour sessions (two hours of music and two of education) for persons who cannot take the full Fruitland program. The total program is offered each of the four quarters for a full year round operation. Students may begin their work any of the four seasons: we begin a new quarter the first Tuesday in January, April, July and October. We even have four graduations each year.

HISTORY OF MACON BAPTIST ASSOCIATION
July 1, 1980-June 30, 1981

The Macon Baptist Association began the year 1980-81 with great prospects of having a good one, and that is what we have realized as the year ends. Much interest has been shown in mission outreach, in gift offerings, program planning, conference attendance and other activities pertaining to the program of the Association. The Lord has blessed us wonderfully for which we are thankful.

The annual was dedicated to Mr. John Johnson, who died in Jan. He was song leader of the association for several years. The commissioning of the Association's first missionaries, the Rev. and Mrs. Dennis Hooper, was a highlight. Plans to build a church in Green Bank West Virginia were approved.

Dr. Cecil A. Ray, executive secretary of the Baptist State Convention attended with eight representatives from other af-

filiated Baptist groups.

The Church Training Leadership Conference held in October at the First Baptist Church was attended by 70 Macon Baptist. The five leaders of the conferences were from the State Convention with two leaders from Church Training Department and three were special workers.

There were 360 present with 24 churches represented, 20 pastors, 23 Church Training directors. Three banners were presented: First, Watauga for most people present; second Oak Grove for largest percent of its enrollment present, third Aquone for highest year average in attendance. The speaker was Mr. Glen A. Smith, Director Church Training, Sunday School Board, Nashville, Tennessee.

In March 1981, Dr. Cecil Ray gave an interpretation of the state-wide Evangelistic Crusade in 1982. It will be a joint effort by the General Baptist Convention and N.C. Baptist Convention to hold simultaneous revivals to locate and reach the lost in N.C. Rev. Lloyd Fish, pastor of Cowee Baptist Church is Chairman of Evangelism.

MISSION OUTREACH

In cooperation with the MOUNTAIN 200 PROJECT, where N.C. Convention and West Virginia Convention build 200 churches by 1985. At the annual meeting the association approved plans to assist in building Hebron Baptist Church in Green Bank, WV. On October 12, 1980, 20 members of the Association-16 men and 4 women left Franklin to start the first church in Va. In five work days the Maconians built the church from the foundation up, all under roof, pulled the wiring and 80% of the sheet rock. The workers took the materials with them. The trusses were cut with labor donated by Claude Welch Construction Co. The Desota Trail Trucking Company provided, at minimal cost, a tractor-trailer to take the supplies to West Virginia. The women did the cooking.

The fund, amounting to $7,200, was donated by the Macon churches. The first donation was given by the Aquone Church at the annual meeting. All labor was gratis.

This project at the Hebron Church, Macon Association's first project in West Va. was an inspiration and encouragement to the Macon Baptists as shown by the increase of contributions through the Cooperative Program and love offerings.

Members of the Hebron Baptist Church occupied the new building March 1, 1981 and dedicated it April 12, 1981. Four men from Macon Association attended the morning service of the day of dedication. Rev. Cecil Frady, Director of Missions, remained for the afternoon service. He also conducted a week revival for the church.

In May 1981, The Macon Baptist Association contributed to a second project under the MOUNTAIN 200 PROJECT by erecting a church at Philippi, West Va. The materials assembled at Franklin

were hauled gratis to W. Va. by the brothers of the Carpenter Lumber Co. (The Black Mountain Church contributed to the hauling expense.) Within a week the builders had the church under roof, doors and windows set and wiring pulled. Helping in this project were 7 men-5 from Macon and 3 women one from Macon.

The members of the Philippi Church met in a mobile unit in Sept. '80 and became organized. They planned to have services in the unfinished church May 24 with a tentative dedication service set for August 16. For the worship hour of May 17, Rev. Cecil Frady preached at the morning and evening service. There were 72 in attendance with 19 college students. The seating capacity was filled with others standing. The construction of both projects were led by the director of missions, Macon Association.

In March Rev. Cecil Frady and Cecil Wilson assisted in the construction of a Baptist Student Union Center at Pembroke College. This mission project was sponsored by the North Carolina Baptist Men, in which volunteer labor of men from across the state participated.

MACON BAPTISTS COMMISSION MISSIONARIES-At the annual session of the Association, the Rev. and Mrs. Dennis Earl Hooper were commissioned for the foreign field. They are believed to be the first missionaries commissioned by the Macon Baptist Association.

Mr. Hooper was born in Jackson County in 1947, son of the Rev. and Mrs. Wesley Hooper. The family moved to Macon County in 1952. From 1953 to 65 he attended the Macon County public schools and received a high school diploma from the Franklin High School. The next two years he studied at Mississippi College, Clinton, Miss., majoring in mathmatics. The next four years were spent in the U.S. Army. 1971-75 he studied at Western Carolina University, Cullowhee, N.C. receiving a B.S. degree in psychology and an M.A. degree in counseling.

At the age of ten he was baptized and became a member of the Liberty Baptist Church. In 1975 he was ordained as a Baptist minister by the church and was called to the pastorate of the Liberty Church from 1975-1980. After being commissioned as missionaries, he and Mrs. Hooper moved to Wake Forest, N.C. to attend the Southeastern Seminary and then language school in preparation for foreign mission service.

While serving the Liberty church Mr. Hooper grew in Christian knowledge of the Bible and in his ability to impart it to others. He is the son and grandson of pastors, who both had served the pastorate of the Liberty Church. He is married to the former Miss Lois Shepherd. They have three children-2 girls and a boy.

Mrs. Lois Shepherd, daughter of Mr. & Mrs. J.C. Shepherd and granddaughter of the Rev. & Mrs. N.E. Holden, was born in 1951 and reared in the Liberty Community. From 1957-1968, she attended the public schools of Macon County. For the 12th year she studied and received a high school diploma from the La Salle Correspondence Institution.

Mrs. Hooper was baptized and became a member of Liberty Church in 1978. She was an active member of the church, serving as president of WMU, she worked with the youth in Church Training and a member of the church choir. Her grandfather, Rev. Norman Holden was a preacher and taught in public schools for several years.

After moving to Wake Forest, Mrs. Hooper became coordinator of Children's Church at Forestville Baptist Church. In the fall 1981 she plans to attend Southeastern Seminary to obtain an Associate of Divinity degree. In order to be appointed by the Foreign Mis-

sion Board she will need two years of seminary credit to be a church and home worker in the mission field.

Mrs. Linda Fish, wife of Rev. Lloyd Fish of Cowee church was named to a nationwide task force on WMU organization of the State Baptist Convention.

At the annual N.C. Baptist Convention on November 10, Mr. Bruce Bryant, of Franklin First was elected to a four year term as a member of the Board of Trustees of the Baptist Children's Home of N.C.

Rev. Lloyd Fish, pastor of the Cowee church was elected to a four year term on the General Board of the State Convention.

Mr. Roger Alewine, Minister of Music at Franklin First has directed programs in the graded choirs and in the activities of the youths.

Mrs. Alma Dills, Baptist Women's Leader spoke at the First Baptist Church on Baptist Women's Day. Mrs. Dills and Mrs. M.I. Brock, director of Vacation Bible School attended workshops and clinics at Ridgecrest and Asheville.

The Rev. Cecil Frady, Director of Missions of the Macon Baptist Association was in a picture of the May 9, 81 issue of the BIBLICAL RECORDER showing 67 mission directors of North Carolina. These directors are important links between the local churches, the association, the Baptist State Convention and the Southern Baptist Convention.

In March 1981 the Briartown Church awarded Mr. Walter Shields a pin for six years perfect attendance in Sunday School and to his daughter, Katherine, a pin for seven years perfect attendance.

In October the Cowee Church awarded Phil Drake a pin for 21 years of perfect attendance in Sunday School.

Lisa Dusek daughter of Rev. and Mrs. Jim Dusek, and Michelle Young, daughter of Mr. and Mrs. Richard Young, entered the Children's Bible Drill sponsored by the Church Training Department. They made a perfect score held at the Macon Baptist Association and then at the state conference held at Asheboro. They are members of Franklin First Baptist Church.

Jimmy Dale Guffey, son of Mr. & Mrs. Zeb Guffie, Rt. 2, Franklin, was awarded a Doctor of Ministry Degree from Southern Seminary during commencement exercise on June 5, 1981.

OTHER ITEMS OF INTEREST-On September 22, 1980 members of the Macon Baptist Association visited the Western Home for Aging. Two bus loads and several cars of people went making the largest group in attendance. Those attending took a covered dish for supper.

BAPTIST HOMES FOR AGING

As we look back over the past thirty years of ministry in our Baptist Homes, it is a real inspiration to see where we have been and to meditate on the many blessings that God has so richly bestowed upon us. He has brought us from one Home in 1951 to a total of six Homes, an apartment complex, and a skilled nursing unit; from one resident to a total capacity for 300 persons in 1981. These have been good years, and God has used N.C. Baptists to bring this special ministry to older people a long way. Where we go from here is certainly, as always, in the hands of the Lord, but depends largely on where N.C. Baptists want to go.

Quiet frankly we are at a standstill. Crippling inflation has caught up with us and is eating into the very vitals of our existence. We are still giving the same high quality of Christian care to each of the residents in the six Homes, Nursing Care Unit, and the apartment complex. It is a struggle and a juggle between income and expenditures.

Building plans for a desperately needed 70-bed addition to our current Nursing Care Unit and the Hayes Home have been held up by regulatory red tape for years. Now that the state health laws have been altered to permit the building of these beds, it doesn't appear that we could wisely borrow the money at the current interest rates.

Though 1980 gifts through our Cooperative Program and the North Carolina Missions Offering are a little more than $550,000, these gifts are not commensurate with our current population growth and the ministry support needs of the Homes.

Two things are apparent.One, Baptists must be informed of our needs and do all possible to increase their gifts accordingly through the regular channels--the Cooperative Program and the North Carolina Missions Offering. Two N.C. Baptists must help us find ways of raising money for development and expansion to meet the needs of current residents and the needs of growing numbers of older adults.

The General Board of the Baptist State Convention has joined us in our concerns and has appointed a Special Study Committee to take a serious and close look at the financial needs of our Baptists Homes.

We will continue to trust our Heavenly Father for His blessings upon the Homes' vital ministry to older adults. We will keep faith with Him and with N.C. Baptists and strive to give the highest quality care to each resident of the N.C. Baptists Homes. We will believe that our future is as bright as the promises of God Himself and as sure as the love and devotion of North Carolina Baptists.

The brotherhood organization of our local Association is sponsoring a program in which they collect and take vegetables to the Western Home in Asheville. Some members of our association plant vegetables especially for this purpose. As the vegetables mature, they are taken (at least once a week) to Asheville for use at the home there.

STATE MISSIONS

The major emphasis of the Baptist State Convention is Bold Missions. Virtually every part of Baptist life is called together in enlarged mission program to fulfill this great mission dream. This goal can be reached only if every North Carolina Baptist along with money, prayer and effort through the Cooperative Program, take this challenge seriously and become spiritually concerned.

Celebration of the 150th Anniversary of the Baptist State Convention of North Carolina is now over and we must concentrate our hearts and minds and efforts toward the future of our work.

Also preparation for Churchmanship 81 is in full swing. This study is designed to help develope stronger Christians, leaders and in turn, stronger churches. We urge all to plan and participate in this activity.

A partnership with the West Virginia Convention of Southern Baptist was approved in hopes to achieve the goal of starting 100 new churches by 1985.

We urge all our churches to plan and participate in "Here's

Hope". Those efforts are aimed at finding all lost and unchurched in our state and reaching them for Christ. Joint efforts and preparations are being made for a statewide evangelistic crusade.

May God richly bless the efforts of our State Missions and grant results through his willing servants.

Respectfully submitted,
Lester Evans

TRUETT CAMP REPORT

Camp Truett continues to grow each year and exciting things are still happening at the camp. As an example of the Camps growth the following figures are given for an eight year period.

1973	Total Attendance	350	1979	Total Attendance	944
	Total Saved	22		Total Saved	47
1974	Total Attendance	320	1980	Total Attendance	1058
1975	Total Attendance	400		Total Saved	39
1976	Total Attendance	386	1981	to July 15	
	Total Saved	22		Total Attendance	339
1977	Total Attendance	700			
	Total Saved	84			
1978	Total Attendance	700			

As you can see from above our camp has about trippled in attendance in the last eight years. This means that our facilities must also keep pace with the attendance growth. We were pleased to see so many of our churches putting Camp Truett in their budget each year. We urge you to continue to do so and the churches who have not given please make it a matter for you to consider as the needs are great. Several of our churches have donated labor in fixing up the camp. Many more man hours are needed to make the camp more desirable.

Yours in Christ,
Roy Rickman

VACATION BIBLE SCHOOL

The Vacation Bible School Clinic met at First Baptist Church on April 20, 1981. We had the largest attendance so far in our Association. The team leaders did a great job making phone calls to all churches and Sunday School Directors. Some leaders wrote letters others made beautiful posters.

Many thanks to our conference leaders who were so enthusiastic in helping to promote the Vacation Bible School Clinic. My special thanks to Linda Fish who did such a great job in helping enlist our team leaders.

We had 28 churches to attend with 138 in attendance. I am so happy to report that we met all our goals we set in 1980.

The Cowetta Baptist Church was presented a plaque for having a distinguished school, we commend them on their achievement. My prayer is that Macon Association will do greater things in helping to reach more people through Vacation Bible School.

Seventeen churches have sent reports to the Associational office. The compiling of these reports are as follows: Enrolled 1,143; Average Attendance 57.2; Professions of faith 39; Missions Offering through the Cooperative Program $1,289.00.

In Psalms 119-11, God tells us to hide His word in our hearts that we may not sin against Him.

Mrs. M.I. Brock, Director
Vacation Bible School

WOMAN'S MISSIONARY UNION

This has been an exciting year of missions opportunity for WMU. We have had many exciting events this associational year. WMU has taken on a new image and a new thrust nationwide. North Carolina WMU has committed themselves to the task of trying to have a WMU

missions organization in every church in North Carolina by the end of 1982, Macon Associational leaders are going to do everything possible to see this dream become a reality in our association. We ask for your help and your prayers. Your Associational leaders for this new WMU Associational year are:

WMU Director	Mrs. Alma Dills	Longview
Assoc., Director	Mrs. Dixie Shook	Cowee
Baptist Women Director	Mrs. Ruby Curtiss	Cowetta
Baptist Young Women Director	Miss Kaye Rickman	Cowee
Assoc. B.Y.W., Director	Mrs. Karen Keener	
Acteens Director	Mrs. Pat Simons	Cowee
Assoc. Acteens Director	Mrs. Yvonne Rogers	
Girls in Action Director	Mrs. JoAnne Bryant	First Baptist
Assoc. G.A. Director	Mrs. Kathy Parker	Mt. Hope
Mission Friends Director	Mrs. Ila Sue Cook	Mt. Hope
WMU Sec.-Treas.	Mrs. Eliz. Mason	First Baptist
Social Committee	Mrs. Betty Pendland	
	Mrs. Elaine Bradley	

This year we conducted an associational wide Mission Action project of sending Knee Hi stockings and hand cream to the Women's Correctional Prison in Raleigh. We received 459 pair of stockings and 67 bottles of hand cream. These were placed in Christmas boxes for the inmates. We held our annual meeting with the Iotla Baptist Church in April with a record attendance of 123 ladies and pastors in attendance. Rev. Cloyes Starnes, Southern Baptist Missionary to Korea, spoke and showed a film on the great evangelistic crusade held in Korea. Iotla WMU ladies provided us with delicious cakes and punch afterward. Cowee church has extended the invitation for the annual meeting to be held with them in 1982.

We've had 2 churches to organize WMU this year. Wells Grove has organized Baptist Women, G.A.'s, and Mission Friends. Liberty has organized Baptist Women, Acteens, and G.A.'s. We commend these 2 churches for their desire to be involved in mission work.

Pray for our new leaders this year. Support them not only with your prayers, but with your co-operation.

Respectfully submitted,
Linda Fish,
Associational WMU Director

WELLS GROVE BAPTIST CHURCH

Wells Grove Baptist Church was organized in the Autumn of 1926. A building was erected and located on a knoll southeast of its present location. The land was donated by Mrs. Hester Wells, from which the church got its name.

The first service was held in May of 1927, with Rev. John Beaty as pastor. John B. Snyder was elected Sunday School superintendent. Serving as Deacons were Alex Gibson, Leonard Hunnicutt, and John B. Snyder. Tom Jennings was elected adult Sunday School teacher, a position he held until August of 1978, when he resigned due to poor health.

In 1944, the church moved to its present location. The land was obtained from George Buchanan and Leonard Horn. W.L. Buchanan was pastor at the time.

The Sanctuary of the present building was built in 1971. Construction was done by O.H. Gay and Willis Teem. Rev. Jud Duvall was pastor at that time.

Plans for the entire building were drawn by Jay and Paul Jennings.

The first service in the new building was held September 5, 1971. Dedication services were held June 4, 1972, with Rev. Earl Dendy and Rev. Melvin Brooks taking part. Both were former pastors. The loan for the building was paid off September 8, 1976, and the note was burned at the Sunday night service on September 12, 1976.

SUGAR FORK BAPTIST CHURCH

The Sugar Fork Baptist Church was constituted on August 13, 1836, and is one of the oldest established still active in the County.

Meetings were first held in a log building, some say as long ago as 1832, four year before official records were kept.

The second building was a frame structure which was used until 1901. In 1896 after a building committee made the recommendation to the church, part of the existing building was begun. The sanctuary which is still in use was made of handmade brick from clay just behind the church. Need for expansion of Sunday School rooms was seen and met in 1950 and again in 1971.

First church officers were Hirom Ledford, Clerk, William Bryson, Treasurer, William Arnold, Deacon, William Bryson, Deacon, and Rev. James Kimzie, pastor from 1836-1840.

Church membership has grown from 22 to nearing 300 and has a Sunday School enrollment in the top five of the Macon Baptist Association.

Sugar Fork has been the mother church to several churches in the Cullasaja Community. Its cemetery still serves many other fellowships and families besides its own.

The cemetery itself bears witness of its own age by the tomb stones which record civil-war soldiers through current wars. Even pre-civil war slaves and others whom only the ressurection will make known to us.

Seeing the need for a pastor's home the church approved the building of a parsonage in the fall of 1978. In September of 1980 the pastor's family moved into the new home and a dedication service was held. The church treasurer, Marie Jennings, read an itemized report to the church and announced it debt free at the time of completion.

Fellowship continues to grow at Sugar Fork and its ministries for the cause of Christ to expand. This gives testimony to the power of Christ through a willing people. It is indeed a blessing and privilege to serve.

Pastor Steve Reeves

ASSOCIATION

In Macon Association 20 churches and 24 staff members are participating in the retirement program. Of this number 16 are still participating on the minimum of $33.34 per month. There is a great need to upgrade this to 10% of total salary for staff members.

BAPTIST FOUNDATION REPORT

When it was chartered in 1920, The North Carolina Baptist Foundation was charged with the responsibility of promoting the making of gifts, received and managing the gifts, and distributing the income earned from the investment of those gifts to the objects and causes specified by their donors. The charter further provided that those designated causes should be any and all objects and causes of the "Missionary Baptist denomination".

Today, the purpose remains the same. Baptist Foundation is the only agency of the Baptist State Convention which receives gifts for all Baptist causes: the colleges, universities and seminaries, Baptist Homes and Children's Homes, Baptist Hospital and the school of medicine, churches and associations. Foreign and Home Missions Board, special missions offering, Cooperative Program, and all other concerns of Baptists.

During 1981, new trusts were created and old trusts had additions which together totaled $855,991.00 bringing the assets in all trusts to almost five million dollars. (Real estate is

stated in the assets at the value when given, which is on the books at approximately 2.4 million dollars less than the current market value.)

Through the trusts created prior to 1981, investments earned $418,529.70 during 1981 for distribution to beneficiaries named by the trust donors. During the years of the Foundation's existence, the sum of $2,610,299.00 has been distributed to all beneficiaries of trusts held by the Foundation, all according to the instructions provided by the donors.

The objective and future plans of the Foundation are summarized in a brief phrase-promoting mission support through estate stewardship. Through conferences and seminars, through counselling with individuals and speaking to church groups, the Foundation will continue to support North Carolina Baptists in their efforts to become better managers and stewards of their material possessions. Through its role as trustee agency, the Foundation will serve North Carolina Baptists by enabling them to enjoy Christian stewardship in its fullest sense-even after death.

BAPTIST HOSPITAL

With 673 beds in use, the hospital admitted 23,350 patients during the past year and provided a total of 210,000 days of patient care. There were 65,381 additional visits to the hospital's outpatient clinics and the emergency room.

Many of these patients received traditional types of hospital and medical care: (1) a new method of delivering anti-cancer drugs. (2) A new type of x-ray called "digital radiography," used principally for examination of blood vessels. (3) A new type of dialysis for patients with kidney disease called "continuous ambulatory peritoneal dialysis". This type of dialysis not only frees the patient from dependence on a machine but it is also less expensive than the more conventional forms of dialysis.

The Pastoral Care Department continues to provide a pastoral ministry to both inpatients and outpatients and to their families. During the past year chaplains made a total of 48,209 visits with patients. They provided 923 "on-call ministries" and led 262 worship services in Davis Chapel. The Pastoral Counseling Division provided 8,684 hours of counseling for 855 persons. A total of 63 students were enrolled in various levels of clinical-pastoral education.

During the year, our hospital again received a two-year approval by the Joint Commission on Accreditation of Hospitals.

Despite many economic pressures, our hospital continues to operate in the black. It has recently adopted a budget for the new fiscal year which for the first time exceeds $100,000,000.

Gifts from churches during the past year through the Cooperative Program amounted to $479,997 and through the North Carolina Missions Offering and designated gifts totalled $345,765. We are indeed grateful to the churches and their members for this continuing fine financial support.

Respectfully submitted,
J.C. Jacobs

BIBLICAL RECORDER REPORT

Workers change but the work goes on. This is the simple message from the Biblical Recorder this year.

Marse Grant, editor for nearly 23 years, will retire September 13, his 62nd birthday. Succeeding him will be R.G. (Gene) Puckett who has served as editor of two other Baptist state papers and associate editor for a third one.

He came to the Recorder from the position of executive director of Americans United for the Separation of Church and State where he was also publisher of the magazine, Church and State.

Editorials and letters have praised his ability. In addition to his 20 years of editorial work on Baptist papers, he has been pastor of churches in Kentucky, Ohio and Florida. He was intterim pastor of the largest Southern Baptist Church in Maryland, the Middle River Church near Baltimore. He will carry on the tradition of our Baptist state paper as it looks forward to its 150th anniversary next January 17.

It has not been an easy year for the Biblical Recorder, primarily because mailing costs increased 160 per cent, from $2,500 a week to $6,500 a week. Another increase may come this fall. The Recorder has been through hard times before and will make it this time, thanks to the continuing support of North Carolina Baptists.

Please remember the new Recorder editor and his family. As his schedule permits, he will be speaking in churches and in associational meetings. He wants to know more about our state and these appearances will help him. Remember him in your prayers as he undertakes this difficult and demanding job.

Jo Ann Elmore

BAPTIST CHILDREN'S HOMES

The mountain tradition for children is abundantly evident in the Western Area Program of our Baptist Children's Homes. Our Baptist Friends in the West continue to undergird our ministry in a very fine way and in this time of inflation, we are increasingly dependent upon this support. Our Western units of ministry-Broyhill Home at Clyde, Haywood Emergency Care Cottage at Clyde, Thermal Belt Youth Shelter at Forest City, and Maternity Home in Asheville-all continue to operate at near capacity levels.

The fastest growing phase of our ministry is that of emergency care. In these centers we can take a child in at a moment's notice from a desperate circumstance and keep that child for up to 90 days while a more long term placement can be arranged. The tumultuous state of our society causes these homes to operate almost constantly at capacity levels.

The Maternity Home in Asheville continues to be one of our most blessed ministries. So many girls come to us feeling that life is virtually ended for them, through Christian love and care, they find resources to begin again with new purposes and new hope.

Broyhill Home remains the focal point of our work in the Western part of the State. In each of our five cottages, up to twelve children are cared for. These children often come from very difficult circumstances with many needs.

The Baptist Children's Homes has affected the lives of more than five thousand people during the past twelve months. With more than a dozen programs of care and with services being offered from twenty-five locations across North Carolina. Baptists can be confident that the Baptist Children's Homes is seeking every means possible to serve people in Christ's name.

The real heroes of this ministry are the houseparents who live on a day by day basis with these boys and girls.

The John Johnson Chapel on the Broyhill campus has been completed and is being well used by the Children's Home family and area church groups. The welcome mat is always out for your group to visit us whenever you have opportunity.

A new 16mm thirty-minute film was released in July called "You Needed Me" and is available for use in our churches.

We are grateful for the continuing support of our fellow Baptists through the Cooperative Program, the North Carolina Missions Offering and designated gifts. We are being affected by short-falls in anticipated income and Programs have to be adjusted but we are careful to maintain quality care for those whom we serve.

Respectfully submitted,
Bruce Bryant

CHRISTIAN ACTION LEAGUE

The Christian Action League is grateful to God for the opportunities that He has provided in the past year to have a BOLD witness concerning current moral and ethical matters.

I. PRESIDENTIAL COMMISSION ON DRUNK DRIVING: The League was involved in the initial request to President Ronald Reagan concerning the naming of a Presidential Commission to study ways to reduce the needless slaughter of 26,000 people annually upon our highways due to drinking drivers. He responded to this request and named 26 prominent Americans who will look at the Drinking and Driving problem on a national basis and will make recommendations to the states in ways to deal with this carnage.

II. GOVERNOR'S TASK FORCE ON DRUNKEN DRIVERS: When the idea of a Presidential Commission on Drunk Drivers became certain, the League called upon Governor James B. Hunt, Jr., to name a N. C. Task Force on Drunken Drivers in order to study this growing problem from our state's perspective and explore ways to remove that irresponsible element from our highways who insist on drinking and driving. The Governor accepted this recommendation and named a panel of outstanding citizens to conduct public hearings throughout our state and seek solutions to this growing problem. Public hearings were held in Raleigh, Asheville, Charlotte, Winston-Salem, Greenville, Fayetteville, and Wilmington.

The League promoted attendance at these hearings and enlisted speakers who made pertinent recommendations or shared personal tragedies due to drinking drivers.

The Task Force will submit its recommendations to the governor. These will be compiled into the Governor's Crime Commission's legislative program for the 1983 session of the General Assembly.

These recommendations will include such provisions: 1. Raising the legal drinking age to 21 for the sale; possession and consumption of all alcoholic beverages; 2. Mandatory jail sentences for convicted drunk drivers; 3. Abolish the practice of plea bargaining for convicted drunk drivers. (Currently many are allowed to plea guilty to a lesser offense like careless and reckless driving, etc.) 4. Prohibit open containers of any kind of alcoholic beverage in a motor vehicle; 5. Prohibit public consumption of all alcoholic beverages; 6. Provide victim restitution due to alcohol-related accidents through additional taxes on alcoholic beverages; 7. Enact a DRAM law which will make the retailer criminally responsible for accidents caused by intoxicated patrons; 8. Abolish the practice of granting limited driving privileges for convicted drunk drivers.

III. STATE-WIDE CONFERENCE ON OBSCENITY: This historic event was held in Greensboro on March 30, 1982, when formost national authorities were brought to our state to explore ways that we can rid North Carolina of the reputation of being the nation's "smut" capital. Due to the loopholes that now exists in our obscenity laws, our state has more X-rated theaters and "adult" book stores (sex shops) per capita than any other state.

The conference attracted some 500 participants and about 100 were law enforcement personnel.

As a result of this highly successful conference, six Regional Conferences on Obscenity and Decency will be held in Asheville, Charlotte, Winston-Salem, Raleigh, Greenville, and Wilmington between September 15 and October 15, 1982. Specific information

on these conferences can be obtained from the League's publication, TOMORROW. If you are not receiving it, a one-year complimentary subscription can be obtained by writing: CHRISTIAN ACTION LEAGUE, P.O. Box 2126, Raleigh, N. C. 27602.

IV. SUCCESSFUL REFERENDUMS: The League rejoices in several significant victories during the past year. Pro-liquor-beer-wine forces were defeated in the following campaigns: 1. Cabarrus County: On-and-Off Premises Beer-Wine Sales; 2. Union County: Off-Premise Beer-Wine Sales; 3. Arlington (Yadkin County): ABC Liquor Stores; 4. Jonesville (Yadkin County): ABC Liquor Stores; 5. Wilson (Wilson County): Liquor By The Drink; 6. Forest City (Rutherford County): ABC Liquor Stores and Off Premises Beer-Wine Sales; 7. Oakboro (Stanly County): ABC Liquor Stores and Off-Premises Beer-Wine; 8. Stonesville (Rockingham County): ABC Liquor Stores; 9. Boone (Watuga County): ABC Liquor Stores; 10. Lenoir (Caldwell County): Liquor By the Drink and On-Premises Beer Sales; 11. East Bend (Yadkin County): ABC Liquor Stores; 12. High Shoals (Gaston County): ABC Liquor Stores and Off-Premises Beer-Wine Sales; 13. Maneto (Dare County): Liquor By the Drink.

The Christian Action League is also grateful for prayer and financial support of the churches of this association. Through the N. C. Missions Offering, the League will receive $22,000 this year which is 19% of our budget. The remainder of our operating expense comes from churches that have us in their budgets or through personal contributions. Without your continued support, we will not be able to remain on the cutting edge of moral and ethical issues that confront us.

May we always remember: "All that is necessary for evil to flourish is for good people to do nothing."

CHRISTIAN HIGHER EDUCATION REPORT

North Carolina Baptists have founded and continue to support seven colleges and universities. (This number is second only to Texas, which sponsors eight Baptist schools.) What are the names of the North Carolina Baptist Colleges, and where are they located? Perhaps calling the roll will prove helpful. Imagining a map of the state and reading from left to right, the Baptist colleges are: Mars Hill, in the mountains 18 miles north of Asheville, in the town of Mars Hill; Gardner Webb, in the town of Boiling Springs, nine miles from Shelby and not far from the South Carolina border; Wingate, 30 miles east of Charlotte, in the town of Wingate, also near the South Carolina line; Wake Forest, in the centrally located city of Winston-Salem; Meredith, in the capitol city of Raleigh; Campbell, 30 miles south of Raleigh, in the town of Buies Creek; and Chowan, in the Northeast town of Murfreesboro, and not far from the Virginia state line.

During the 1981-82 school year, there were 15,798 students and 1,768 faculty and staff comprising the human side of the seven schools. Foreign students numbered 224 from 57 countries and territories from Australia to Zimbawe. North Carolina Baptist

college students are preparing for a variety of vocations, for example: church-related vocations, 665; teaching, 1,314; medicine (including nursing), 1,329; law, 961; social work, 384. Approximately 9,700 of the students received financial aid. The seven colleges have practiced the ministry of Christian education for a cumulative total of 757 years. These colleges are proud of their Baptist heritage and are wanting to be effective missions partners with the churches.

DIRECTOR OF MISSIONS' REPORT

The high-light of this year's work in our association has been "Here's Hope" Revivals held in many of our churches. I believe the back-bone of the revivals was the People Search.

People are moving to our county at a faster rate than we are winning them to Christ or receiving them into our churches.

The handle begins with commitment and where you live, under God this is what we as churches need to be doing--reaching the people. Not just for numbers but to bring people to the Lord that would result in church growth. Swapping members is not growing, let's have an out-reach in all our churches that the birth rate into God's Kingdom will grow as the influx of people into this county. It is the church that must change the world, with the antichrist movement, and cults moving in among us at an alarming rate church we need to be busy with the work of the church, sometimes we're so busy with church work we can't see the work of the church. Affirming again Christ's Bold Commands and plea--I was hungry-naked, sick. We have people hungry for the gospel and needing to be clothed in righteousness. Are we reaching the poor, down-and-out people of our county? We're gonna have to do it together if we reach our corner for Christ.

Let's follow up on people search and win them to the Lord. Our model is Jesus. What Love! The sacrifice our Lord made for us, we need a love that doesn't fade like a flower. It's time we gird up the loins of our mind in truth and stand in the gap and make up the hedge for our Lord, not withdraw or retreat but live where they can see our good works and glorify our Father in Heaven. Zealous at any cost.

The other high-light was sending seven from our association to Korea to make 30 teams of in pastor/lay led crusade, which resulted in 5,000 making decisions for Christ and rededications. Also the team going to Honduras of which I had the privilege to lead. We built a pastorium for the Nazareth Baptist Church in La Cebia.

Thank you for your support and prayers, our Association is better off financially this year than its ever been. We thank God for His many blessings and for your part. I feel it's not so much what we've done but friends what we need to do, people are dying and going to hell every day and we need to be busy for our Lord.

Thank you for the privilege to work with our churches and pastors. I've enjoyed visiting, preaching and working whatever way I could with you. I just pray God has been pleased and the people blessed for the Glory of God.

I have been involved in all the missions projects of our association, conferences, counseling, meetings, revivals, special meetings and traveled 41,000 miles this year. I trust this coming year will be even greater for our Lord. Let's have the best Sunday School, Church Training, Brotherhood, WMU, and VBS ever with an enthusiasm as never before, I'm looking forward to it. Let's get with it!

Cecil Frady

EVANGELISM

We would like to thank all of the people who involved themselves in the planning and success of the "Here's Hope" crusade. The preparation, including the People Search, the Lay Evangelism Schools, and the actual participation, has brought much growth, spiritual and numerical, to our churches. The testimony of all the churches whom participated that God richly blessed with great revival spirit and salvation to many lost souls has made this a wonderful experience to have shared.

Now that we have tasted the rich blessings of God in this effort, we would like to encourage our churches to continue in training witnesses. We also recommend that we pray and plan for further steps in winning our area and the world to Christ.

Respectfully submitted,
Evangelism Committee
Lester Evans, Chairman

FOREIGN MISSION REPORT

When the Southern Baptist Convention was organized it created The Foreign Mission Board as its agency for its mission work in other lands. With faith in God this newly formed board gave itself to a world task. China was the first field of missionary appointment.

From small beginnings the Foreign Mission Board has been developed into a very strong and challenging channel through which every Baptist Church has a glorious opportunity to express its missionary concern for the lost world.

For 137 years the Foreign Mission Board as a body, of dedicated followers of Christ, has been busy and concerned to the extent that they continue to keep uppermost in the minds of

Southern Baptist the great needs of a lost world.

This Board makes far-reaching plans that should challenge every true believer to bold giving and bold going to the fields, where our missionaries serve as well as new fields where there are thousands lost, distressed, sick, hungry, homeless people. People who are ready and anxious to hear of God's saving grace.

The lack of funds and the lack of men and women who will say "Yes, Lord, send me" are the reasons that keep the Foreign Mission Board from bringing to frutition many of its plans of sending the gospel to the World.

All is not dark as the Board strives for better fruits. We are growing.

In 1975 when the F.M.B. released to the press its plan of outreach known as "Bold Missions Thrust", one of its aims was to have 5,000 missionaries under appointment by the year 2,000 and that aim, according to records, is being met.

Since 1975 the missionary staff has grown from 2,667 to 3,136 at the close of 1981. A 17.6 percent increase in 6 years.

For the aim to be met one missionary couple must be appointed for approximately every 15 churches: that's one couple for every 5,000 Southern Baptists.

Summary of Missionary Appointment in 1981: Total appointed: 208; 14 singles, 97 couples. Assignments by types of service: Evangelism/Church Development, 77. Education, 8. Health Care, 12. Mass Media, 5. Business Services, 5. Community Development, 6. Church and Home Evangelism, 93. Others, 2. These 208 people were assigned to 8 different areas.

"Personal requests for 1982 totaled 1,768. Of these about 74 percent were for evangelistic, pastors theological education consultants, seminary trained persons, and others."

"Baptists reached the goal of $50 million as set for the 1981 Lottie Moon Christmas Offering. With three weeks left before books were to close on this offering, May 31, receipts already totaled $50,066,206. The Foreign Mission Board now budgets the whole offering."

The Southern Baptist Convention held its annual session recently in New Orleans. For its first time the Convention adopted $100 million-plus budget during the opening session of its 124th meeting at the Superdome for the year 1982-83.

According to allocations provided in this budget approved by the Convention, a total of more than $66,800,000 will fund the works of the denomination's Foreign and Home Mission Boards. Another $20.5 million will help support the convention's six seminaries.

You Can Send Volunteers. By James R. Bradfield. "Any pastor and any congregation can be involved in sending short-term volunteers to meet a particular need in either the home or foreign mission area. Even very small churches can unite their efforts to send someone.

Macon County Baptists join South Korean Crusade. As a result of a personal invitation sent out to American Baptist by the Korean Baptist Mission and arranged by the Foreign Mission Board, 7 people from Macon County joined in this volunteer oversea venture. They go to assist in an evangelistic effort among the Korean Baptists. The seven are as follows: Rev. Alton Dendy, Rev. James Johnson, Rev. Lester Evans, Rev. Steve Reeves, Phillip Roberson, Bobby Welch, and Mrs. Alma Dills.

They arrived in Los Angeles on June 19, 1982, and were joined

there by approximately 90 other Baptists from around the U.S. to serve in a two-week evangelistic crusade in South Korea. This was the first of this kind to be arranged by the Foreign Mission Board.

Everyone going on this mission was responsible for his own expenses, which was approximately $2,000 per person. Area Baptists and churches around helped generously and the money needed was raised with relative ease.

Preparation for such a great and memorial mission was made ready in a much less time than is planned and set forth by our F.M.B. All this was accomplished through the unique planning by Rev. Cecil Frady, Director of Macon Baptist Missions and the noble volunteers who made up this core of missions.

Rev. Frady has been on missions service more than once with a group of volunteers from Macon County Baptist and some from other counties. This experience helped Macon Baptist to understand missions and helped perhaps the know-how to plan this Korean Venture.

Baptisms overseas totaled 127,337 in 1981. This was a 15.7 percent gain over the 1980 baptisms reported, according to Charles Bryan, F.M.B. Vice-President for overseas operations. More than 2,600 new churches, missions, and preaching points were established.

The churches also report contributions to exceed $52 million. This is about half the amount Southern Baptists give through the Foreign Mission Board Bryan noted.

Churches in African nations continued rapid growth in 1981."

"The director of the Sunday School Board Department, Harry M. Richard, tells us that beginning now and during the next few years, Sunday School will be responding to the "Great Commission" through the Southern Baptist Convention-wide emphasis known as "8.5 by 85". This is a goal of reaching a Sunday School enrollment of 8.5 million in the S.B.C. by Sept. 30, 1985. This gives every church a challenge to be very much involved in Bold Mission Thrust.

"Field requests: The most critical need comes from hundreds of requests for missionary re-enforcements made by Baptist missions organizations on each field after carefully evaluating personal needs.

Sixty-five (65) percent of the requests are for persons to work in areas related to evangelism and church development. Charles W. Bryan, vice president for the office of overseas operations, questions the continuing shortage of pastors to fill these critical posts. "Where are the preachers?" he asks. "A call to preach is a call to preach", he says. "It doesn't have geographic boundaries."

"The call is Now. Urgently, persistently and earnestly. Listen carefully, the call may be personal." (Extracts from The Commission, pages 33-34 and 63.)

"Each church should rightly aspire to see some of its own sons and daughters stand before the Foreign Mission Board for appointment to some mission service." (The Commission plus other F.M.B. literature).

May McCoy

FRUITLAND BAPTIST BIBLE INSTITUTE REPORT

One score less than a hundred years ago, Southern Baptists founded a learning center at Fruitland. Operated by our Home Mission Board, it was called Fruitland Institute. The school produced many leaders for our denomination and country. About thirty-six years ago, Fruitland Institute became the Fruitland Baptist Bible Institute with the distinctive purpose of providing for adults called to a church related vocation. That purpose holds. Fruitland Baptist Bible Institute is not a college nor a seminary, and has no intention of becoming either. It is now owned and operated by the Baptist State Convention of North Carolina and is affiliated with the Education Commission of the Southern Baptist Convention for training adults in church related vocations.

With wholesome flexibility, the curriculum includes twenty-four basis practical courses with special night classes in the fields of music and education. For a diploma, eight quarters or their equivalent are required to earn at least ninty-six quarter hours of credit. Special Training for ministers of music and education is offered on Tuesday nights in four hour sessions (two hours of music and two of education) for persons who cannot take the full Fruitland program. The total program is offered each of the four quarters for a full year-round operation. Students may begin their work any of the four sessions; we begin a new quarter the first Tuesday in January, April, July and October. We even have four graduations each year.

HISTORY REPORT

To serve as your historian is an honor and a privilege which I accepted seriously and prayerfully.

It is only fitting and proper that we take this opportunity to pay tribute to our immediate past historian--Miss Nora Moody--who served so faithfully with such a profound and dedicated commitment to the task July 1, 1975--June 30, 1981. The works of those years will certainly have an impact on those who read the lines--as they help to make the old story new and the past to live.

Israel had much to tell of the mighty works of God to their children, So do we--the Macon Baptist Association--for together much has been accomplished to further God's Kingdom. First and foremost we have grown spiritually as evidenced by the sense of unity and deep spiritual atmosphere of the 78th annual meeting held August 13 and 14, 1981, at Wells Grove Baptist Church and Sugarfork Baptist Church. Truly those attending felt the warm welcome and friendly fellowship--hearts swelled with pride as so many sister churches and honored guests gathered there. Rev. John Rogers brought a stirring annual sermon, Rev. Larry Steppleton preached the Doctrine Message stressing true partners in service and pressed the need of oneness, and Rev. Lester Evans preached the Inspiration Message with zeal and challenge. A total of 385 attended both sessions. Baptisms reported were 230. There was one sad note as the association accepted with regrets the withdrawal of Union Hill Baptist Church from our MBA.

The 1981-82 associational budget was a record breaker--with the 1982-83 being even greater calling for a budget of $30,000.00. So much for so little - God surely has a hand in it all. As we all know with most financial decisions comes attending and tentative problems. We have not--nor must we ever--let those attending and tentative problems become the smoke screen to justify what we are not doing at every level of our denominational life.

This year we will only attempt to highlight those things that our association has done together:

Vacation Bible School reports received July, 1981, showed many of our churches participating. Many professions of faith and rededications were made. Cooperative Program Mission offering was $1,386.00. Cowetta had 13 professions of faith, Iotla 10, and Longview 8. Our VBS's are invaluable as the Word of God is sown in the hearts of our children. The leaders and workers will surely be blessed for their efforts. Mrs. M. I. Broc is to be commended for the many tireless hours she has contributed as our Associational VBS Director from July 1977 - June 30, 1981. Because of her deep faith in God and her genuine concern for young people she has inspired all who come into contact with her. Under her adept leadership VBS's in our MBA have grown spiritually, quality has been stressed and attendance has increased.

In August 1981, Liberty Church organized Acteens, GA's, and Brotherhood. How encouraging for them to take these steps forward.

Rev. Cecil Frady received a letter in August from Tom Roberts, Director of Broyhill Home expressing their appreciation for all the fresh vegetables MBA provided for the Children's Home. It was reported that houseparents and children either canned or froze produce. Growing food for the Children's Home, as well as for the Home for Aged, is a project formed by the Brotherhood from several churches in our association. Our men are to be commended for their work and generosity.

Bruce D. Bryant, Our Baptist Children's Home Representative, has gone upon request to various churches to assist in making available the services of BCH. We are fortunate to have Bruce in this capacity.

The Youth Evangelistic Conference was held in Asheville, August 30, 1981. Many of our youth, pastors and leaders attended this event.

In August 1981, Rev. Cecil and Mrs. Frady had the joy of attending the dedication services of Phillippi Baptist Church in West Virginia, having part in both morning and afternoon services. This was the second church that MBA helped build in that area. While there, Rev. Frady brought the message at the evening worship hour at Hebron--first church MBA built in West Virginia. Rev. Frady stated that it was good to see how both churches are growing.

The Western Area Conference was held September 10, 1981, at the Broyhill Home on the Clyde Campus. The highlight of the Conference and of significant interest to our association was the dedication of the John D. Johnson outdoor chapel with a seating capacity of 300 which was built as a memorial to our own John D. Johnson. Special participants on the program were Rev. Lloyd Fish, the Pastor, and choir members of Cowee Baptist Church, the home church of the Johnson family. Over 900 persons attended the Conference with MBA well represented.

"We Are One In Christ" was the theme of the 151st Annual Session of the State Baptist Convention held in Greensboro Coliseum November 2-4, 1981. Our DOM along with several pastors and lay members attended for a total of 19 from MBA. A flag procession was held with MBA's flag designed with an outline of the county in red with 44 white churches and the letters--Macon Baptist Association, 1904. Linda Fish was in charge of getting the flag ready. Rev. Frady stated he was very proud to carry the flag.

Many churches in MBA observed World Hunger Day on October 11, 1981. Cowee Baptist Church received $5,634.60 for the cause. The offering was taken on July 26 in order not to conflict with the State Missions Offering October 4-11. We could learn something from Cowee Baptist Church.

Over 100 children from surrounding counties participated in the Regional Bible Drill Rally for children on October 23, 1981 at the Iotla Baptist Church. Miss Doris Morgan, Children's Consultant, Church Training Department, Baptist State Convention led the rally along with Rev. Tom Roberts, Minister of Music, First Church, Salisbury, and Ms. Mary Francese, the clown in the rally from the Baptist Convention of West Virginia Church Training Department.

October was high attendance day in Sunday School throughout our Association. Many churches reported the highest SS attendance in their history.

"M" Night was held October 26, 1981 at First Baptist Church with Maurice Cooper, Church Training Department, Baptist State Convention, speaking. Attendance was 489. Cooper's message stirred and challenged the hearts of those present as well as the youth group from Windy Gap Baptist Church. First banner went to Iotla with highest average attendance for the year, with Pine Grove runner up with 94%, and Pleasant Hill, 91%. second banner to Windy Gap with largest percent of enrollment present and runner up Oak Grove. Third banner for largest number present to Watauga and runner up Sugar Fork.

Several of our men from MBA attended the Baptist Men's Convention in Greensboro on October 31, 1981.

We had several Baptist Young Women from MBA to attend the BYW Convention, Ridgecrest on October 30-31, 1981.

November 1, 1981 marked the 11th anniversary for our DOM, Rev. Cecil Frady. The title was first, "Associational Missionary"--now called "Director of Missions". As Rev. Frady puts it, "God has blessed us through it all, even when we did not know why, that is how our wonderful Lord is. Many dreams have become a reality and many more dreams yet to become real--with God all things are possible and these dreams will come to pass if God so wills."

Foreign Mission Study was observed by the MBA the week of November 15, 1981. Title of the study book, "Togolese Journey", by James Y. Green.

On November 18, 1981, Rev. Cecil Frady received a letter from Mrs. Ellen G. Payne, Assistant Supervisor for the WNC Home for Aging. Mrs. Payne expressed appreciation and gratitude for MBA's contributions in the way of produce, root cellar and labor. The letter contained the signatures of 46 grateful hearts who wished to say thanks. Our brotherhood organization is to be commended for this great endeavor.

The Week of Prayer for Foreign Missions was held November 27-December 6 in the MBA. The Annual Lottie Moon Christmas Offering was received.

January 10, 1982 was said to have been coldest Sunday in history. Newman Chapel did not have any heat. However, 90 were in attendance for SS and they had worship service.

Our DOM, Rev. Cecil M. Frady, and wife Jean, Don Blanton and Raymond Shepherd were a part of a team formed to go to Honduras February 15, 1982 to build a pastorium for the Nazareth Baptist Church in La Cebia, where Hoytt and Louise Roberts are missionaries. (Rev. Frady was invited by the FMB to lead the team. Church membership was increased since the project was completed states missionary, Hoytt Roberts.

The drama "What Will You Tell Him?" by Pleasant Hill Baptist Church has been of high interest and a great success. Many conversions and re-dedications have been made after the performance in many of our local churches. They are booked for many months ahead. An invitation has been extended to take the drama to Texas.

The new covered deck porch at the MBA building does much to enhance the setting and is very attractive. Several men helped with this project with Rev. Cecil and Rev. Alton Dendy overseeing and completing the work.

A beautiful and unique bill board now graces a corner of the MBA lawn--a five ton natural rock hauled out of the Nantahala River by Nelson Bates, Gene Shields, Rev. Cecil Frady and Randy Frady. Gene Shields did the carving on the rock and helped Rev. Frady install the logo on the rock. Rev. Andy Cloer helped set the rock and lead in the logo. The logo (Bible, Cross and World Symbol) of the Southern Baptist Convention is hand made by Tom House, a nephew, and Carol Metcalf of Horse Shoe, N. C. Completion of the project took one year.

Members from several churches traveled to the George W. Truett Camp on several occasions this year to work on buildings and grounds.

Randy Frady has been busy this Spring and Summer making the MBA lawn very attractive by setting shrubs, trees and flowers.

The MBA Annual WMU meeting was held at Cowee Baptist Church April 6, 1982. Outstanding guest speaker was Miss Martha Franks, a retiree from mission work in China/Taiwan. It was said by many that it was the greatest meeting our WMU has held.

This Spring 1982 was a great endeavor for MBA churches as many participated in the 1982 Joint Evangelistic Crusade--called "Here's Hope NC!" This was a big witnessing event--response was good.

Six girls from First Baptist, Michelle Young, Danna Wise, Paige Dowdle, Mollie Revis, Beth Hurst, Jennifer Clower and their leader, Mrs. Mary Powell and Jack, participated in Associational Bible Drill May 17 with all six qualifying for State Drills which they attended May 28-29 in Asheboro.

Of 23 Tar Heel pastors and lay people of NC accepting invitation from the FMB to participate in a partnership mission campaign in South Korea May 19-June 4, 1982, the following people from our MBA took part in the revival effort which was pastor-led, lay involved endeavor: Rev. Lester Evans. Higdonville Baptist Church; Rev. James F. Johnson and Alma Dills, Longview Baptist Church; Rev. Alton Dendy, Bobby Welch, and Harry Roberson, Newman Chapel Baptist Church and Rev. Steve Reeves, Sugar Fork Baptist Church. Before departure, a commissioning service was held on the MBA lawn. The mission venture was reported as being an enormous success--with over 5,000 decisions

made. Rev. Alton Dendy stated that "While alighting from the plane, never had I been received so warmly or seen people so hungry for the gospel. When departure time came to go aboard the plane and I looked over the faces of those who came to see us off, it was a deep spiritual experience." Alma Dills sums up the mission by stating, "Everyone should become involved in partnership evangelism and if one can't--then they should contribute that others may go, reach out and witness." What a Sacrificial Spirit!

Taking part on the program at the DOM Conference June 13-14, prior to SBC in New Orleans, Louisiana, June 15-17 were 16 from NC. Our own DOM, Rev. Cecil M. Frady was on the program speaking on the topic, "Association Builds Building In Pioneer Area."

On June 30, 1982, an unusual pastor in the MBA retired, namely Rev. Earl Dendy, Pastor of Burningtown Baptist Church, March 10, 1974-June 30, 1982. If people make history--then Rev. Dendy is history. Members were heard to speak of him as a pastor with kindness, thoughtfulness, considerate, always abiding by the Golden Rule. Rev. Dendy was loved and highly respected by all age groups of his congregation--he loved and highly respected them. A surprise appreciation day was held on Sunday, June 20, with morning and afternoon services--with lunch at noon. Rev. Jud Duvall was guest speaker. All of Rev. Dendy's family were present for the occasion. Gifts were presented to Rev. Dendy from the Youth Sunday School classes and a painting of the Burningtown Baptist Church done by John Sill from the church. The beautiful printed program for the occasion sums it up best'"How beautiful upon the mountains are the feet of Him that bringeth good tidings, that publisheth peace; that bringeth good tiding of good, that publisheth salvation; that saith unto Zion, Thy God Reigneth!" (Isaiah 52:7)

Rev. Dendy has served several churches and has held several offices in the MBA.

The accomplishments to date of this association which had its beginning in 1904 gives reason to hold in esteem and have the highest regard for all those whose footprints have been made 1904-1982. The history of our association, young or old, should be a source of pride to its people. It is my prayer that the brief history of 1981-82 will serve this purpose. May we sincerely thank each sister church for helping to make this another great memorable associational year. God has truly given the means and the opportunity to take other steps forward in the life of our association. As doors open to service, may we become more involved--more on to dream--and dare to do--all for the Glory to God.

Historian, MBA

BAPTIST HOMES FOR AGING

The past year in our North Carolina Baptist Homes has been a good one. We have had 45 persons admitted to the ministry of our Homes and apartments. This represents 98,065 days of special care for an average daily population of 269 persons. The Lord's blessings continue to be poured out upon us.

Great things are in store for our Homes as we look to the Lord, to North Carolina Baptists, and to the future! The Trustees made a decision of far-reaching significance at their May meeting in approving a Capital Funds Campaign. The existing needs at the Hayes Home and the Nursing Unit in Winston-Salem present a primary challenge of this campaign. With success, we will be well on our way to adding much-needed nursing care beds, and resident rooms. We will also be able to provide much-needed upgraded services in relation to our present Nursing Unit, and also construct a desperately-needed Administration Building. We covet your prayers for the success of this effort.

Our major concern presently in our Homes" ministry is in regard to our benevolent care, assisting those who need supplementary financially. Gifts through the Cooperative Program and the North Carolina Missions Offering go a long way in undergirding those who cannot pay the full cost of care. These gifts, totalling $516,804. provided 57% of benevolent care. The many residents who will be looking to the Baptist Homes' ministry for their care and the 43% short fall in mission gifts will place increasing demands on the already over-taxed benevolent funds. Also, many persons on the Homes' waiting list who cannot pay the full cost of care may have a longer period to wait because of limited benevolent funds.

We believe, therefore, that if you know the need, you will respond to it by the increasing support that you will give through the Cooperative Program and through the North Carolina Missions Offering. We will be looking to the Lord and to you to help us continue to be the benevolent ministry that we have always been.

We love you, and we thank you for your love, your gifts, and your prayers. As Abraham was about to deliver the fatal blow to his son, Issac, he asked, "Father where is the sacrifice?" Whereupon Abraham replied, "God will provide!" And so He did! And so, we believe that you will provide.

MISSIONS COMMITTEE

The Missions Committee for the year 1981-1982 met prior to the meeting of the Executive Promotion Committee Meeting, to discuss and make recommendations to the Executive Board. We also had one special meeting for the purpose of working out a proposed budget for the MBA.

We recommended the building of the roof over the deck on the Associational house. We met in conference with one church as we were requested. We have tried to encourage growth in the cooperation of our churches.

We was supportive of our Director Missions leading a mission team into Honduras in February for the purpose building pastors home for native pastor.

Also we recommended that churches of the Association be given opportunity to finance the team going from MBA, on evangelistic Crusade to Korea.

We have had a very good year in Macon Baptist Association but look forward to a greater year.

The Missions Committee this year was Grady Stiles, Fred Styles, Robert Parker, Rev. Jud Duvall, Rev. John Rogers, Rev. Gene Hawkins and Rev. Melvin Brooks.

Respectfully submitted,
Melvin Brooks, Chairman

RESOLUTIONS REPORT

Be it resolved that the Seventy-Ninth Session of the Macon Baptist Association affirm our sincere appreciation:

1. To Rev. Lloyd Fish and the congregation of Cowee Church, and to Rev. Roy Lowe, pastor, and the congregation of Watauga Church, for their gracious hospitality, to the Messengers and guests of the Association.
2. To Rev. Cecil Frady, our Associational Director of Missions and to Mrs. Frady for the preparation of the Book of Reports.
3. To Rev. Alton Dendy for his efficient leadership as Moderator of the Association, and to the officers and leaders of our Association who have shown by their services their willingness to look beyond the borders of their local church to the wider work of God.

4. To the Program Committee for their fine work in Planning and presenting a challenging program.

5. To our Baptist State Representatives of our various institutions for their presence and participation.

6. To our incoming officers for their willingness to be used of our Lord in giving direction and wisdom to our Association as we face the challenges and opportunities before us.

7. Be it further resolved that we accept the resolution, On Beverage Alcohol, presented by Rev. James Johnson, Pastor of Longview Church, at Thursday evening session.

RESOLUTION ON BEVERAGE ALCOHOL

WHEREAS, Alcoholism is reported to be the nation's #1 social problem, affecting every avenue of all our lives, and particularly the 10 million addicts, and

WHEREAS, The National Institute on Alcohol Abuse and Alcoholism reported to Congress that an estimated three and three-tenths million youths between the ages 14 and 17 have drinking problems, in addition to the ten million adult problem drinkers, and

WHEREAS, Alcoholism is reported to be the nation's third ranked health problem, it is outranked only by cancer and heart disease, and it is admitted by all medical groups that problem drinking is a great health hazard in the United States, and

WHEREAS, Studies have shown that at least 50 percent of all fatal automobile accidents in America are associated with the consumption of Alcoholic beverages, and

WHEREAS, There is evidence linking the drinking of alcoholic beverages as a contributing factor in 75 percent of crimes committed, at a cost of $4,590,556,000 in the United States, and

WHEREAS, The Health and Human Service Department of the National Institute on Alcohol Abuse and Alcoholism reported alcohol-related expenses such as loss of production, health, medical, accidents, crime, social response and fire at $68,617,579,000, while a total of federal, state, and local revenues from Alcoholic beverages amounted to $11,127,800. The citizens of the United States paid out $616.00 in losses for every single dollar that was collected in taxing the product, and

WHEREAS, A major portion of the problem encountered by our courts, welfare departments, and law enforcement officials, and in crisis counseling done by ministers is directly related to the use of alcohol as a beverage,

Therefore, be it RESOLVED, that we the messengers of the 1982, 79th Annual Session of the Macon Baptist Association go on record as opposing any use of Alcohol as a beverage and

Be it further RESOLVED, that we oppose the establishing of an ABC store within the city limits of Franklin or Macon County, and

Be it further RESOLVED, that we call upon all Macon Baptist Associational members to work together as citizens of Macon County to defeat the establishing of an ABC store if and when an election should be held, and

Be it further RESOLVED, that we request the Macon Baptist Association, through its Executive Committee, develope and establish guidelines whereby the churches can work in a cooperative effort to defeat such an issue, and

Be it further RESOLVED, that we request the Executive Committee through its Executive Clerk to send a copy of this resolution to Mr. Bill Hensley, of Hensley Associates of Charlotte, Mr. Hubert L. Martin, and Mr. John Swanson of Franklin and the Franklin Press for publication.

That we the Messengers of the Seventy-ninth Annual Session commit ourselves to our Lord, Our Churches and Our Association by affirming our committment to "Christ's Bold Commands".

Mrs. Amelia Johnson
Mrs. Mary Justice

SEMINARY EXTENSION REPORT

The Franklin Center is scheduled to open 1982 session on the 14th of September (the second Tuesday) with the Rev. Dean Register, pastor of the Franklin First Baptist, as teacher. The studies will be "NT 0186-GENERAL EPISTLES: A study of the epistle of I and II Peter, James and Jude. Texts: The Broadman Bible Commentary, Vol. 12 which includes Hebrews through Revelation and three general articles, and "A Commentary on the Epistles of Peter and Jude," by Kelly.

Respectfully submitted,
Hyldah S. Shepherd, Director

STATE MISSIONS

This year brought great success in the "Here's Hope Crusades. There was much preparation for the joint evangelism crusades. The People Search has been the most intense preparation effort and has been very rewarding.

Inflation caused Cooperative Program gifts to begin at a very low level but a rally in church giving placed the growth over 1980 gifts by the third quarter.

"Mountain State 200" is well underway with approximately 500 persons representing 100 churches who have worked in West Virginia during 1981. They have helped to start 21 new churches and helped construct 19 buildings.

In 1981 the emphasis was placed on churchmanship. Let us continue to pray and work for the togetherness and cooperation that we need, not only on our churches but among our churches, so we can accomplish the Great Commission of our Lord Jesus in our state.

Respectfully submitted,
Lester Evans

TRUETT CAMP REPORT

Rev. and Mrs. Robert Clark, Camp Director, moved on the campus January 1982. Since that time they have been busy cleaning, painting and working on the grounds in preparation for summer camp.

Also the Macon Baptist Association has been very much involved in labor and monies for the up-grading of the camp. MBA contributed this year $13,439. for materials, and many hours of labor by our men, women, boys and girls.

Our thanks to everyone who was involved in up-grading, curtains, cleaning, etc. for this camp. The Brotherhood Department from State Baptist Convention said Truett camp was in the best condition of any they had visited this year. This camp belongs to region 10 and we thank everyone who has been involved and currently involved in making Truett a good camp.

In eight weeks of camp there were 470 in attendance, 27 professions of faith, 45 rededications, 6 full time mission work (surrendered), at this writing camp is not over and we believe many more decisions will be made. This my friends is re-warding enough for all the efforts by everyone in making Truett a great camp. Camp Truett has had a great year for which we "Praise The Lord".

Cecil Frady, Chairman,

VACATION BIBLE SCHOOL REPORT

The Vacation Bible School Clinic was held at the First Baptist Church on April 9, 1982. We had one of the best clinics ever thanks to the conference leaders who did an outstanding job promoting and teaching in each conference group.

We had 22 churches to attend with 133 in attendance. Churches recognized for their achievements were: ADVANCED-Black Mountain, Cowetta, Franklin First, Holly Springs, Iotla, Mount Hope. MERIT-Bethel Hill, Cowee, Higdonville, Liberty, Longview, Oak Dale, Ridgecrest, Sugar Fork, Wells Grove, Windy Gap.

We had 24 churches reporting Bible Schools. Overall enrollment 2,128. Professions of faith 50, New Prospects discovered 412.

Our goals set for the coming year are for each church to be represented at the Associational Bible School Clinic, 20 churches to achieve merit recognition, 10 churches to achieve advanced recognition, 4 churches to achieve distinguished recognition.

My hope is that each church will conduct early awareness and planning for an effective and successful Vacation Bible School. A successful Bible School is the best publicity a church can have in the community.

VBS Director

W.M.U. REPORT

We praise God for the growth and service of Macon Baptist Associational W.M.U. organizations this year! New Organizations are: B.Y.W. at Liberty, Young Baptist Women at Cowee. Reorganized groups are: West Franklin Baptist Women, Prentiss Baptist Women. Officers for 1982-83 are: W.M.U. Director, Alma Stiles Dills; W.M.U. Assistant Dir., Dixie (Mrs. Furman) Shook; Baptist Women Dir., Ruby (Mrs. Claude) Curtis; Baptist Young Women Dir., Kaye Rickman; Acteens Director, Pat (Mrs. Earl) Simons; Girls in Action Director, Carolyn (Mrs. Leroy) Chastain; Mission Friends Dir., Patti (Mrs. Michael) Sutton; Secretary/Treasurer, Elizabeth (Mrs. Clarence) Mason; Social Committee, Elaine Bradley, Betty Penland.

Associational Leadership Training was held at Franklin First Baptist Church in the fall of 1981. There were age-level sessions led by directors. In addition, there were two (2) "new" sessions. One was a well-attended Mission Action conference led by Linda (Mrs. Lloyd) Fish. The other was a pastors' conference led by Rev. James Wiley Gibson. We are thankful for the success of these sessions of training and the good attendance.

The Key Leadership Conference at Ridgecrest Baptist Assembly was attended by Mrs. Dixie Shook. She also led in the Macon Key Leadership Conference in the absence of the W.M.U. Director who was gone to Korea for a Partnership Evangelism Crusade at the time. Mrs. Ruby Curtis attended further training at a conference in Marion. On May 17, 1982 the Local Associational Training Session was attended by Pat Simons, Dixie Shook, Ruby Curtis, and Patti Sutton in Andrews, North Carolina.

Our annual Macon Associational W.M.U. meeting was held April 6, 1982 at Cowee church with 146 in attendance. Miss Martha Franks was our guest speaker. She was a missionary to China/Taiwan for many years and is now retired. Her message to us was inspirational. Those who were in attendance surely know more now about praise. Refreshments were served by the ladies of the Cowee Church, for which we were all thankful.

Macon Association's Acteens have been exceptionally active this year. They have formed, for the first time here, an Acteens Council. This group is made up of girls from different churches in the association. The council and their associational director, Mrs. Pat Simons, attended Acteens Council training at Ridgecrest Baptist Assembly in October, 1981. After their return, the following members of the council taught a conference for Macon Acteens at the Cowee Church: Tammy Campbell, Stacy Joines, Lisa Ramsey, and Karen Curtis. Lisa Ledford served as registar for those in attendance.

The Acteens also combined with five (5) other associational groups to plan an event which was held in Macon County. Mrs. Pat Simons chaired this plan group. The event was held June 4, 1982. State Acteens Director Carolyn Hopkins had the program which was attended by Acteens from three (3) associations, with one hundred fifty (150) girls participating. Lunch was furnished for this meeting by the ladies from various churches in the association. Thank you ladies! We need to encourage our girls in every way possible. The program ended with a pool party for the Acteens.

Please continue to pray for W.M.U. in our association and all across the convention that we will continue to be "laborers together with God!"

In Christ,
Alma Stiles Dills, W.M.U. Dir.

COWEE CHURCH HISTORY

The Cowee Baptist Church was organized on March 15, 1828, by Elders Humphrey Posey and Stephen White with 15 charter members. The charter members were: Samuel Rose, Levi Truit, George F. Caler, Peter Mason, Joseph Welch, Jacob Caler, Lucrecy Rose, Susanah Truit, Hannah Dickey, Jaly Hibberts, Polly Edwards, Sarah Mason, Mary Mason, Roda Russell and Sarah Fortune, all of whom came from the Franklin Church. On the same day, Samuel Rose and Levi Truit were examined and set apart by ordination to the office of deacon. George F. Caler was elected first treasurer and clerk. On May 17, 1828, the church received its first new member, Alee Russell, a black woman. The newly organized church petitioned the ministers of the Franklin Church to supply as pastors, which they did, until the election of Humphrey Posey as pastor on June 14, 1828. The Rev. Posey was a well known area clergyman who spent twelve months as the first Baptist Missionary to the Cherokee Indians.

In Cowee's infancy, the church met in the Caler schoolhouse which stood near the forks of the road at the mouth of Caler Creek and Cowee Creek. Since that time, the Cowee Baptist Church has occupied three meeting houses, which have been near or at the site of the present church.

The Cowee Baptist Church has been well organized for many years. The first formal efforts to establish a Sunday School were initiated on May 23, 1863, when the church decided to have a Sunday School under the direction of the church. J. M. Rickman was appointed superintendent and James Bryson was the assistant superintendent. THE QUESTION BOOKS were used as the first literature for the school. The first Woman's Mission Society was organized in 1916 with Jennie Ray, President; Eva Bryson, Vice-President; and Mrs. Beulah Raby, Secretary-Treasurer. The first Training Union was organized in 1919 with the assistance of Mr. and Mrs. Suttle. The original title was B.Y.P.U.

The Cowee Baptist Church has been and is more than building and organizations. She has assisted in the organizations of Liberty, Oak Grove, Brush Creek, Burningtown and West Franklin Churches. In 1879, $1.10 was collected to aid Elder Hartwell to preach to the Chinese in America. In the same year, the Cowee Sunday School gave $5.00 for Foreign Missions. The church's commitment to missions has continued to grow. This year, the Cowee Church gave over $35,000 to all mission causes.

Beginning with a membership of 15, the Cowee Church membership is now 450. The Cowee people, across the years, can be called, "THE PEOPLE WHO CARE".

WATAUGA CHURCH HISTORY

State of North Carolina, Macon County, March 7, 1886 a Presbytery met at Wattaga Schoolhouse by request consisting of Elders S. H. Harrington, J. R. Ammons, and J. G. Ammons for the purpose of organizing a Baptist church. The Presbytery organized by electing Elder S. H. Harrington Chairman and J. G. Ammons, Secretary. Elder S. H. Harrington opened the services by singing and prayer after which Elder J. R. Ammons preached a short practical sermon suitable to the occasion.

The chairman called for those who had received letters of dismission from their respective churches and the following named brethren and sisters presented themselves from Franklin Baptist Church: John Brindle, A.J.H. Brindle, T. S. Sanders, E. D. Franks, W. J. Watts, Alford Brindle, Jane Young, Sarah Brindle, Jane Henry, Clerinda Fox, Sarah Corbin, Mary Henry, Eliza Watts, and Polly Sanders. From Webster Church, Jackson County, N. C., C. W. Allen; from Zion Hill Church, Jackson county, Eunice Ridley and Catherine Holcolm.

After receiving the above named brethren and sisters, Elder S. H. Harrington read the articles of faith and the church covenant and delivered the charge to the church; then Elder J. G. Ammons led in special prayer for the church. The chairman announced the church in order to transact business in church capacity. On motion of Brother E. D. Franks, Brethern C. W. Allen and T. S. Sanders were appointed to act as deacons until the church should elect some. On motion of Brother C. W. Allen, Brother E. D. Franks was elected Clerk of the Wattaga Church.

On March 22, 1886, Elder J. G. Ammons was elected as the first pastor of Wattaga Baptist Church.

In 1895 the spelling changed to Watauga Baptist Church.

The first church building was erected on a site approximately one-fourth mile southeast of its present location. In the early 1920's land was acquired for the purpose of erecting a new church. Construction of the new church began in 1925 and continued for some two years. The original structure is still in use having been remodeled during the year 1957. This remodeling included a new interior; lights, choir section, windows, heating system, belfry and an 800 pound bell.

During the early 1970's the church added all new pews, carpeting, organ and a lighted directory board.

God has so richly blessed down through the years, church growth made it necessary to add a two level, 4,028 square feet addition in 1978 which included a baptistry, featuring a hand painted mural and eight new classrooms.

BAPTIST CHILDREN'S HOMES

We at Baptist Children's Homes are grateful for the way our mountain churches have captured the spirit of our Lord in their desire to care for needy children. Because of your faithfulness to us we have been able to maintain our ministry at maximum levels. Thermal Belt Baptist Youth Shelter in Forest City, the Maternity Home in Asheville, Craig Home at Ridgecrest, the group care program and the emergency care program at Broyhill and the Moody Farm in Macon County all continue to meet the needs of young lives.

The heaviest demands placed upon our services continue to be in relation to emergency care. Two of the eight emergency care homes are located in western North Carolina. In these centers, located at Forest City and on the Broyhill campus, we can receive a child with very brief notice out of a desperate circumstance and meet the needs of that child for up to 90 days. During this time, work is done with the family to enable the child to return or assistance is given in arranging for a more long term placement for the child. A very gracious ministry is the Maternity Home in Asheville. The problem of teenage pregnancies is epidemic in our society. Often these girls come to us feeling that life has virtually ended for them. It is a joy to observe them finding new Christian strength and purpose to begin all over again in even more positive directions.

We are coming to be increasingly grateful for the beautiful Moody Farm in the Iotla Valley of Macon County. This 300 acre site is now being used for recreational camping by children from our units of work all across the state. As needs become evident and resources become available, we anticipate further development on this property in the years ahead.

Of course the Program of group care provided on the Broyhill campus continues as our lead operation in the western area. This is one of our four major group care campuses. It is always a happy privilege to welcome guests from our churches who come to visit us at Broyhill. At any time we are happy to set up a cottage tour, a showing of the film of our work, "You Needed Me", and a tour of our campus. Many groups enjoy bringing a picnic meal, having a period of recreation on the ballfield and making use of the John Johnson Chapel for a vesper service. We would be delighted to welcome your group!

From time to time positions of service become available in

our ministry, especially for couples to serve as cottage parents. Others find rich service in ministering as foster homes or visiting homes. We would be happy to discuss these opportunities with you.

On July 1, 1983, the Baptist Children's Homes welcomed its new president, Dr. Michael C. Blackwell, a native of Gastonia. Dr. Blackwell becomes the eighth President of the Baptist Children's Homes of North Carolina and follows in a noble tradition of excellence established by the seven men who preceded him in this position. In making the announcement of Dr. Blackwell's selection, Dr. William Brown, Chairman of the Board of Trustees, said that "we firmly believe that Dr. Blackwell will continue to lead this vital ministry in an exemplary manner. His unique talents, personality and commitments will assure that this ministry remains at the vanguard of excellence in child care in meeting the challenge of resolving the hurts of children and families in need."

Dr. Blackwell served churches in both North Carolina and Virginia before assuming the Presidency of the Baptist Children's Homes.

BAPTIST FOUNDATION REPORT

Have you ever received a "Mrs. Pig letter"? We want our 1983 report to be such a thank you note to North Carolina Baptists.

When our children were tots they, like other children, had their favorite story book that never was read enough to suit them. Even today as adults, they agree that Postman of Bayberry Lane was their favorite book. The gist of the story centered around Mrs. Pig who everyday met the postman at her mail box was always empty so he suggested she have a party and invite all other ladies in the community, such as Mrs. Cow, Mrs. Horse, Mrs. Sheep, etc. The party was planned, the ladies came, and for days afterwards thank you notes were delivered by Mr. Postman to Mrs. Pig. So, at our house, when thank you notes are written or received, we chuckle and remember with nostalgia that these are "Mrs. Pig letters".

We of the Foundation are indeed thankful for what Baptists of North Carolina are doing to guarantee support for the multitude of Christian missions and ministries carried on by Baptists. To serve in the Trustee role as managers of trust funds established by gifts from individuals, both living and through Will, is an exciting experience.

During the past year increased interest has been shown by individuals attending estate planning seminars sponsored by the Foundation and through personal visits by Foundation staff. Greater numbers are committing a tithe of what they leave at death, when they no longer need it, to Christian causes.

The asset value of trusts held at the end of last fiscal year totalled $8,214,696.00. Designated new additions to trusts were $276,815.00. Income from investments of trust assets totalled $523,140.00. Investment asset market value gain during the year was $398,812.00.

We are thankful for the facilities in the new Baptist Building making it possible to have the staff in one suite of offices. It has been pleasant to welcome many adult church

groups who have visited the new building.

We welcome other visits or opportunities to discuss with individuals effective estate planning alternatives involving Wills and trusts which could provide sustained support for Baptist cause(s) even beyond lifetime.

Edwin S. Coates
Executive Secretary

BAPTIST HOMES

Through North Carolina Baptists, God continues to bless our North Carolina Baptist Homes with meaningful blessings, and we are grateful!

One of the most significant blessings that we have received during the year has been a 31% increase in the percentage used for distribution of funds through the Cooperative Program. This percentage change, along with strong Cooperative Program support during the first five months of 1983, has meant an increase of $29,079.73 over the same period in 1982. Total Cooperative Program funds for the period totalled $135,647.39.

For the first five months of 1983, undesignated support through the North Carolina Missions Offering provided $74,087.47 toward the Homes' benevolent care needs. Designated gifts of $42,274.58 brought the total NCMO support to $116,362.05.

Through these mission gifts of $252,009.44, we were able to provide care for over 50% of the residents in the five Homes and Nursing Care who have limited resources. Even with this mission support, benevolent care exceeded the resources by $132,975.00 for the five-month period. This gap must be bridged, and we must continue to receive more through the Cooperative Program and the North Carolina Missions Offering if we are to meet the needs of residents in the Homes. This still leaves the many who are waiting to enter the Homes, but do not have sufficient funds to pay the cost of care.

The Baptist Homes have been and continue to be a benevolent care ministry throughout the 32 years of caring. Because of the over-extended benevolent care ministry, the Trustees have had to put a hold on admissions of persons who cannot demonstrate the resources to pay the cost of care for their life expectancy. Let's change this picture as rapidly as possible. The only way that it can be changed is through a concerted effort of increased giving through the Cooperative Program and the North Carolina Missions Offering.

Another step forward during May of this year was the approval by the Homes' Trustees of a Capital Funds Campaign of $2,500,000 for the meeting of needs on the Hayes Home Campus, Winston-Salem. This challenge will meet some of the very vital needs of updating the Nursing Care Unit. Included in this updating will be a physical therapy room, patient dining room/activity area, and other vital needs related to food service. A second area of need includes the building of additional rooms at Hayes Home. These rooms are desperately needed to make possible additional beds in the Nursing Care Unit. This expansion will require additional money beyond the current Capital Funds Campaign. The upcoming campaign will be the first major capital funds effort that the Baptist Homes have undertaken. We covet your prayers for a successful effort.

The needs of older persons in our nation and state become more and more acute with each passing day. It is imperative that we focus more on the needs and that we provide as wisely as we can for them in the family of our North Carolina Baptist Homes, now and for the future.

We believe that the future of the Homes' ministry is in God's hands. We shall continue to trust Him for our needs, and urge you to join Him and us as we strive to meet the needs of this vital ministry to older persons.

BAPTIST HOSPITAL

Baptist Hospital has celebrated its sixtieth anniversary during 1983 by continuing to expand and improve its services.

During the year the hospital has installed a nuclear magnetic resonance machine in the Department of Diagnostic Radiology. With the use of radio waves, this machine produces pictures as good as or better than standard x-rays and can also provide valuable information based on the body's chemistry without posing any radiation hazard.

Baptist Hospital is also providing a new treatment aimed at finding and removing the cause of heart attacks. The procedure attempts to dissolve clots in the coronary arteries feeding blood to the heart muscle by injecting a clot dissolving drug through a catheter.

During the past year a survey team from the North Carolina Department of Human Resources designated the hospital's Emergency Department as a Level I trauma center which indicates that the department offers all major services for serious injuries twenty-four hours a day seven days a week.

Because of these and other services provided by the hospital, a total of 23,903 patients were admitted to its approximately 700 beds during the year for a total of 213,021 days of patient care. An additional 66,039 persons visited the hospital's emergency room and outpatient clinics.

The Department of Pastoral Care provided more than 14,000 hours of pastoral services to hospital patients, their families, and the Medical Center staff besides leading at least four worship services each week in the Davis Memorial Chapel.

The Pastoral Counseling division provided 14,493 hours of counseling to persons who had individual or family problems or concerns. The Clinical Pastoral Education division provided training at some level for more than 100 students. During the past year Dr. Nahan Siler, who has been with the department for ten years, resigned as its director in order to return to the pastorate.

In order to provide adequate care of its patients, Baptist Hospital employs approximately 3,500 people and has buildings and equipment valued at more than $100,000,000. The operating budget for 1983 was $101,000,000.

During the past year the hospital trustees have reviewed plans for another major capital expansion program to begin when construction funds are available.

Careful management with continuing emphasis on cost-containment projects has made it possible for the hospital to operate in the black with only a 4 per-cent room rate

increase during the past year.

During the 1982 fiscal year the hospital received from the churches of the Baptist State Convention a total of $497,019 through the Cooperative Program and $343,665 through the North Carolina Missions Offering. Cooperative Program funds helped to underwrite the budget of the Pastoral Care Department and the gifts received through North Carolina Missions Offering assist financially needy patients in paying their hospital bills.

The hospital administration and staff are deeply grateful to the Baptist State Convention and all its constituents whose leadership and support make it possible for the hospital to provide these ministries.

Respectfully submitted,
Marshall Fouts

THE BIBLICAL RECORDER

The Biblical Recorder is celebrating 150 years of service to North Carolina Baptists. Founded by Thomas Meredith while he was pastor of the Edenton Baptist Church, the Recorder is the fourth oldest among the 34 state Baptist papers in the Southern Baptist Convention, exceeded in age only by the Georgia, Kentucky and Virginia papers.

The past twelve months have been a time of transition for the Recorder. R.G. Puckett became editor upon the retirement of Marse Grant in September, 1982. Lawrence E. High came as managing editor of the Recorder from the editorship of The Maryland Baptist. Puckett is the only man in Southern Baptist life to have served four different state Baptist papers. High and Puckett are the only team of editors who have both served as editors of other state papers before coming to North Carolina.

The cost of second-class postage threatened the very survival of the state Baptist papers in 1982, including the Recorder. However, with the faithful support of subscribers, assistance from the state convention and tight management of finances, the paper is now stable and as secure as possible under present economic conditions. Future costs for second-class postage are unknown and greatly feared. Your prayerful concern at this point is earnestly requested.

The format of the paper was changed to tabloid from the magazine style which had served for approximately 40 of the 150 years of the Recorder. Economy of production and increased space by approximately 50 percent were the deciding factors. Those readers who preferred the magazine style have generally accepted the tabloid because of the money saved and the added amount of news coverage of North Carolina and Southern Baptists.

In March, the directors of the Recorder approved a plan to make circulation the highest priority in 1983. Churches are urged to put the paper in the budget so that every resident family receives a copy. Club plans are available for interested persons and key leadership in the church.

The editors and staff of the Recorder are grateful for the opportunity to have this ministry among North Carolina Baptists. We invite your news items, letters to the editor and items of general interest to all North Carolina Baptists. Most of all, the staff requests your prayer support and faithful

reading of the Biblical Recorder, one of the largest and most influential Baptist papers in the history of Baptists in the United States.

Respectfully submitted,
Jo Anne Elmore

CHRISTIAN ACTION LEAGUE

We are grateful to our Lord for what your association has meant to the cause of social and civic righteousness in our state in the past 12 months. You have assisted the efforts of the League with appropriate action along with your prayer and financial support.

We wish to list just a few of the strategic issues where your voice was so influential.

I. SAFE ROADS ACT OF 1983

Due to the growing problem of the needless slaughter of innocent men, women, and children upon our highways due to drinking drivers, the League called upon Governor James B. Hunt, Jr., to name a Task Force to study this problem and seek constructive recommendations to be presented to the 1983 General Assembly. He complied with this request, and the recommendations of the Task Force were complied into the Safe Roads Act of 1983. Even though the powerful beer-liquor restaurant lobby along with other alcoholic retail groups were able to "water-down" some key provisions in this legislative packet, we at least have a measure that can be strengthened in the future to deal with the irresponsible drinking driver.

II. STATE LOTTERY

With the General Assembly seeking additional tax funds, it became apparent that an easy route for the politicians to take would be to put the state into the gambling business via a state-wide lottery.

The League organized the opposition to this issue. When the pro-lottery forces paraded representatives of the lottery industry extolling the "virtues" of such for North Carolina at a legislative public hearing, it was the Christian Action League that presented the adverse effects that a lottery would have upon our state.

It was through your letters, resolutions, and other contacts to your legislators that generated the opposition to the lottery and resulted in its defeat.

However, this is not a dead issue. Pro-lottery forces are seeking state tax funds for a Legislative Lottery Feasibility Study to prepare legislation for the 1984 mini-session of the General Assembly. May we not "grow weary in well-doing" or we will get stuck with a lottery as we did with liquor-by-the-drink.

III. REFERENDUMS

In the past 12 months, you made it possible for the League to assist 7 communities successfully in defeating various referendums. These were:

1. Archdale: Liquor-By-The-Drink, ABC Liquor Stores: and Off-Premise Beer and Wine sales
2. Newton: Liquor-By-The-Drink
3. West Jefferson: ABC Liquor Stores
4. Banner Elk: Liquor-By-The-Drink
5. Lenoir County: Liquor-By-The-Drink
6. Kings Mountain: ABC Liquor Stores and Off-Premise Sales of Beer and Wine.
7. Elizabethtown: Liquor-By-The-Drink

Other referendums are pending.

CONCLUSION

Thank you again for making it possible for us to remain on the "firing line". May your churches continue to provide prayer and financial support so that we might be an effective instrument for the cause of social and civic righteousness.

Coy Privette, Exec. Dir.

CHRISTIAN HIGHER EDUCATION REPORT

Wingate College and Wake Forest University have elected new presidents. Dr. Paul R. Corts took office on July 1, 1983. Dr. Thomas K. Hearn, Jr., assumes the presidency of Wake Forest on October 1, 1983.

Dr. Corts has been a college teacher and administrator in Kentucky and Oklahoma. A graduate of Georgetown College and Indiana University, he is an experienced leader and author in the fields of communications and fund raising.

Dr. Hearn, an ordained Baptist minister, is a graduate of Birmingham Southern College, Southern Baptist Theological Seminary and Vanderbilt University. He has served one pastorate in Indiana. He is an experienced college teacher and administrator in Virginia and Alabama.

All of the seven North Carolina Baptist Colleges want to serve more of the students from the churches. Pastors and lay leaders can help by recommending Baptist Colleges to Baptist Young People.

North Carolina has been a leader among Baptist in Christian higher education for 149 years. Moral and financial support from the churches has made possible the ministry of our colleges. The Cooperative Program continues to provide health for the colleges and opportunity for young people.

Information about the colleges may be obtained by writing or calling the council on Christian Higher Education: Council on Christian Higher Education, P.O. Box 26508, Raleigh, N.C. 27611- (919-467-5100).

DIRECTOR OF MISSIONS' REPORT

In 1976 Macon Baptist Association voted to participate in Bold Mission Thrust, as proposed by the Southern Baptist Convention. Phase I of the BMT was to double in Cooperative Program giving, double in Associaional giving, and double in Baptisms by the year 1982. We had 28 churches doubling in CP giving from '76-'82; 22 churches doubling in tithes to their church, 12 of these churches more than doubled, 7 of these churches were not giving anything to CP in '76; 24 churches doubled in giving to Associaional Missions, 10 of these churches were not giving anything in '76; 17 doubling in Baptisms. These churches will receive certificates for reaching Phase I goal in Bold Missions, at the annual meeting.

We thank God for these achievements, but it is still our dream that every church in our association be involved in the total mission program, in obedience to Matt. 28:19-20.

During all this our association has been involved in local, region, state, home and foreign special mission projects. This year our project was to upgrade and winterize Camp Truett. In 1982 we completed 2 barracks, purchased new mattresses for all beds. Beginning January 1983 - May, someone from this association was working nights and Saturdays to winterize all the camp, clearing and seeding the lawn and painting. We want to thank every church and individuals for their cooperation and all the men who gave their labor on this project. A special thanks to Watauga and Cowee for going beyond the second mile, to Seays Garden Supplies and Frizzell Farm Supplies for giving of lawn materials, Kenneth Woodard working with his equipment and Mr. Cabe for fertilizing the lawn, (Mr. Woodard and Mr. Cabe are from the Truett Association), and other men from Truett who helped one day. I hesitate to name because many will be left out, we just thank God for every one who worked, cleaned, donated gifts and provided food - from the least to the greatest - it is very much appreciated and to God be the glory and bless every one who has had a part in giving Camp Truett a new look.

In this hurry up world we live in, let us take time to do our Lord's work till he comes in the clouds of glory for our journey to our new home. The love of God keeps us and sustains us, unity joins us in the bond of love and peace and the spirit of God. Let us join our hands in cooperating to keep the great command, on mission in our associaton, state and world. Help one another in order that all can grow for Christ. Our foundation is Jesus Christ our Lord, we are his creation by spirit and the word, bought with His own blood, One Lord, One Faith, One Birth. Sweet Holy Spirit, Sweet Heavenly dove stay right here with us filling us with your love.

Thank you for the privilege of working with you people of MBA. Thank you for your prayers and support. It gets better each year. Let us move in the coming year as never before with a greater determination of doing more for our Lord in Love and Unity for Christ, to bring men and women, boys and girls to know Jesus as Savior and Lord.

Thanks to the officers, committees and those key people who help make MBA move, and to every church. The nominating committee has filled every office and contacted every person, making them aware of their responsibilities. We're looking for greater heights to be reached in coming year for our Lord - Marching together in His army.

I have been involved in the associational meetings, conferences, counseling, revivals, special meetings and traveled 42,185 miles this year. Thank you for making all this possible and we praise God for all He has done.

EVANGELISM

The Here's Hope Crusade in 1982 was a great success across North Carolina because people prepared spiritually, committed themselves whole heartedly, cooperated completely together, and depended on God's leadership for the necessary power of His Spirit needed to bring the lost to Christ. God can richly bless us if we will let Him.

Our Associational Revival, featuring Dr. Delos Miles, was a time to search and examine our hearts and our efforts of cooperating together as the Macon Baptist Association and, furthermore, to decide exactly what direction we will take in the near future. The singing group, New Song, challenged and encouraged our hearts to keep on for Jesus.

I hope and pray that in the near future our pastors and churches will make the commitments needed, and keep them diligently, to be more cooperative than ever before in our efforts to spread the gospel. Many efforts are being made all across our state to train witnesses for Christ. We need to resolve in our hearts to unite and truly be as the Bible teaches, "members one of another." God is counting on us to finish His work. We are the instruments of His plan.

Lester Evans,
Chairman of Evangelism

FOREIGN MISSIONS REPORT

The Foreign Mission Board

The Foreign Mission Board of the Southern Baptist Convention was created during the convention's organizational meeting in 1845 for one purpose: to provide a channel through which the churches could work together to share the gospel with all nations.

On July 7, 1845, the board took formal action adopting China as it's first mission field.....The board's president was J.B. Jeter.

The board's first appointed missionary to China was Samuel C. Clompton on September 1, 1845. George Pearcy, a personal friend and classmate of Clompton, was appointed in Nobember. Mr. Clompton married the next April; Mr. Pearcy married in May and both sailed with their brides for China on June 22, 1846. By 1900, missionaries had been appointed for five other countries and 12 more by 1941. Major expansion began after World War II and today more than 3,200 missionaries serve in 96 countries.

These missionaries evangelize, preach, start churches, train local Baptist leadership, educate, meet social and hunger needs, practice medicine and publish and broadcast the good news of Jesus Christ's saving grace.

Missionaries of the Southern Baptist Convention constitute the largest North American Protestant mission force. The convention, with an Executive Committee staff in Nashville, Tenn., has 20 national agencies: the Foreign Mission Board, and three other boards; six seminaries; seven commissions; a foundation; and two associated organizations.

During 1982 Southern Baptist missionaries overseas worked in 96 countries with 1.5 million members in 27,000 local Baptist churches and missions and with 10,000 local pastors. More than 50 percent of them work primarily as evangelists or directly related to some phase of church planting and development.

At the end of 1982 the FMB's home office staff had more than 800 requests for qualified career and associate missionaries needed in 1983. More than 70 percent of them were for those involved in evangelism and church growth. Yet, in 1982 no more than 60 of 400 such requests for field evangelists were filled.

The message is clear - Present Bold Missions Thrust levels of work are not bold enough. We must move to a new level of participation.

Partners in Strategy: Southern Baptists are inviting their Baptist partners overseas to join world evangelization strategies. The FMB in April voted to "consult all interested Baptist bodies with whom we are linked in a working relationship to discover better strategies for jointly sharing Jesus Christ with everyone in the world before the end of the century."

....Among the Baptist groups with which we are involved in a working relationship, at least 12 are sending their own foreign missionaries. Others among them already have begun to witness across national lines. In addition, some of the newer baptist bodies have part of the necessary resources and a growing desire to begin participating beyond their own borders.

The hoped-for outcome would be for plans to emerge for reaching out to the world that would link from Baptist group to Baptist group until a world-wide strategy developed.....

The action of strategy is not to establish "our" plan but

simply an invitation for others prayerfully to consider joining in determining what approach we can undertake together as we keep the whole world in view." (Selected from June/July - The Commission page 2) (and others).

Offering Shortfall - Receipts for the 1982 Lottie Moon Christmas offering reached $50,567,643 seven weeks before the May 31 closing of books on the offering, but the total could be as much as $3 million short of the $58 million goal, reported FMB Treasurer, Carl Johnson.

Some 1982 Highlights: Bathed in intercessary prayer and bathed by God's Spirit, Southern Baptists missions bore fruit in 1982. (1) 140,844 baptisms in the churches overseas and missions to which Southern Baptist missionaries relate. (2) Church membership rose 74,500 over 1981. (3) Overseas churches giving exceeded $65.8 million, $13 million more than previous year. Charles W. Bryan, the board's senior vice president for overseas operations summed up 1982 as "the most fruitful year in our history." The Foreign Mission Board in 1982 appointed a record of 406 new missionaries - a 2.58 percent increase.

Baptisms: Baptist around the world averaged one baptism for every eleven church members compared to the Southern Baptist Convention's ratio of one for every 14 members. There was a definite increase in the ratio of baptisms per missionary. This also reflects the growing maturity and vitality of Baptist churches within the 96 countries where they serve.

Church Starts: Overall the Baptist bodies to which Southern Baptists relate established 700 new churches, an average of 13 per week during 1982, to reach a total of 12,170.

Giving: Southern Baptists gave a record of $5.8 million for world hunger and relief in 1982. Giving by states to human needs ministries, 1982, Texas ranked first giving $919,550. North Carolina came in second giving $788,665.83.

Missionaries Help: In Eastern South America alone, 609 South American Baptist missionaries gave major portions of their time in 1982 to assist in 64 relief projects totaling more than $2 million, Thurmon Bryant, FMB director for the area, has reported. He said missionary Edward Troot, working on a project in a drought stricken area of Brazil, impressed Brazilians when he got down on hands and knees to show how to dig irrigation canals. After working a 10-hour day, he taught Bible at night. Such dedication, said Bryant, is typical of the servanthood missionaries demonstrate. (Page 80 - May-The Commission).

Feeding the Hungry: We are compelled to feed the hungry for at least three reasons: the need, the moral intolerability of the situation, and God's clear word.

The Congressional Record for 1982 reveals that at least 800 million people live with chronic hunger and malnutrition.

Every morning, 40,000 people (30,000 of them children) awaken to die of hunger.

One of every five deaths in the world is from hunger.

If the world's hungry were to line, in front of your door, the line would continue out of sight, over the continent and ocean, around the world and circle the globe 25 times.

"An honest reading and an intelligent understanding of the biblical material enables us to match our priorities to those of God."

Since the beginning in 1925 the Cooperative Program has been called the heartbeat of Southern Baptists and the glue that holds the convention together in its focus on missions.

The Lottie Moon Christmas Offering for Foreign Missions, the

conventions designated offering for Foreign Missions since 1888, is a history of trust. The total offering received by the FMB is included each year in the board's world wide budget.

In each country the missionaries and their national Baptist colleagues carefully plan together their annual program of work and project their financial needs on a priority basis.

All the needs ae never met, but with careful planning and budgeting every dollar achieves maximum results in reaching people for Christ and growing churches.

MISSIONS UPDATE

Training Time: a five-week training period for 131 potential new missionary journeymen begins June 8 at Meredith College, Raleigh, N.C. All college graduates are 26 and under, they are approved for training by the Foreign Mission Board. Those who receive medical clearance and successfully complete training will be commissioned July 15, 1983 to work for two years alongside missionaries in 52 countries. ("The Commission" - June/July 1983 issue)

What the Budget Means: The budget means many things - all cannot be stated here now. The size of the 1983 Foreign Mission Board budget symbolizes who Southern Baptists are. The budget reveals our priorities. The board 1983 budget - $125,952,000 exceeds the total budget for the Southern Baptist Convention for fiscal 1983. This is appropriate, for the cause of foreign missions cannot be equated with a single agency. We are dealing with a world witness that soon will touch 100 countries ..... The centrality of evangelism and the church is shown on both ends of the budget.

The budget also underscores the cooperaive spirit that has characterized Southern Baptist since our beginning. Around that spirit we have put a framework we call the Cooperaive Program.

The budget represents LOVE. It is a recognition that God loves us and loves others through us. It affirms the love for God and for all peoples of the earth that causes us to return to God a part of what he has entrusted to us.

Selected from The Commission Journal issues Oct./Nov., 1982 - June/July, 1983 and from "Advance To Bold Missions Thrust" by Baker J. Caulhen and Frank K. Means.

FRUITLAND

Fruitland Baptist Bible Institute located in the Fruitland area of Henderson County, just west of Hendersonville, North Carolina has the distinctive purpose of providing for adults called to be a church related vocation later on in life. Fruitland is not a college or seminary but the curriculum there is that that is recognized by our Baptist Colleges and seminaries if the graduate desires to further his/her education.

Approximately 25% of the Southern Baptist Churches in N.C. are pastored by a Fruitland graduate. Presently Macon Association has one student attending Fruitland on a part time basis.

HISTORY OF MACON BAPTIST ASSOCIATION 1982-83

There was a sweet sweet Spirit prevailing throughout the Seventy-Ninth Annual session held at Cowee and Watauga churches fall of 1982. Speakers were great and food and fellowship there was a plenty! We were inspired to go forward. One speaker made a strong point that the Lord has something for each of us to do and that was to do His will--not what we say but how we live it. Franklin First hosted the Annual WMU meeting April 5, 1983. Attendance was very good with Rev. C.O. Vance speaking on "The World of Home Missions In Starting New Churches." Rev. Vance showed a slide presentation of his travels and triumphs among churches in the Pacific NW and stressed the many needs of struggling new churches in that area.

A Music Workshop for Music Leaders was held at Franklin First, Mar. 1, 1983 with Rev. Charles Story of the Music Dept. of SBC conducting the one night session. Many churches in the MBA participated. Comments from those having attended have stated that it was most beneficial.

Franklin First was the place for the VBS Association Clinic for all VBS Directors and Staff on April 11, 1983 with Margaret Carpenter, VBS Director for MBA in charge after having attended the State VBS Clinic and well prepared to offer information on planning VBS. There were 152 in attendance for the Clinic.

A Key Leadership Conference for all church officers and leaders was held at Franklin First May 23, 1983.

The Macon Bap. Association Evangelism Committee led by Rev. Lester Evans made arrangements for a MBA Revival held at First Baptist May 30 - June 3, 1983. Letters of commitments were received from 22 churches in the Associaion. Speaker for the week was Rev. Delos Miles, Professor of Evangelism at SE Seminary. Average attendance was 206 and there was one profession of faith.

Liberty recently lost their Pastor, Rev. Wiley Gibson. Wiley and Wife, Allie, left to answer God's call to the Northern Plains Missions, Montana. Wiley's duties are to be a church Planter. The Gibsons honor us the MBA by accepting this call.

The Southern Baptist Convention met in Pittsburg, PA June 12-16, 1983. MBA churches were called on to be much in prayer before and during this meeting. Our DOM, Rev. Cecil Frady received a certificate for ten years service as DOM at the DOM Conference in Pittsburg, June 12-13, 1983.

Pleasant Hill WMU had retired Missionary of Nigeria - Dr. John McGee as speaker at their May 11, 1983 meeting. An invitation was extended for everyone to attend.

May 15-22, 1983 was Macon Baptist Association Emphasis Week and prayer was requested for all associational leaders, work and special projects as well as for our 79 other Associations in NC and 1100 in the SBC. Rev. Frady received a letter of appreciation from the Cowee GA's for his work and presence at Camp Truett. Rev. Frady and wife, Jean, spoke at Iotla May 15, 1983 on the life and work of associational missions.

A Children's Bible Drill was held on May 20, 1983 at the Association Chapel. Franklin First with 5 participants - all qualified for State Drill. Their leader is Mrs. Mary Powell and husband, Jack, is timekeeper. Judges were from surrounding churches.

VBS reports in for June 1983 show excellent participation, a generous offering for the CP, but the greatest of happenings were the many professions of faith among our young. All those who shared in this all important work are to be commended for their efforts.

Honorable Mention:

Rev. Wiley Gibson and Rev. James Ritchey are to be congratulated upon their graduation from Fruitland Bible Institute on Sept. 12, 1982.

Rev. Lloyd Fish, Pastor of Cowee, graduated from Mars Hill College, August 6, 1982. Rev. Fish - a graduate of Fruitland Bible Institute began his studies at Mars Hill in 1976.

Cowee on May 8, 1983 honored one of their members and Sunday School Teacher - Mrs. Frances R. Bryson. The Evening Service was devoted entirely to the event with Frankie Reynolds, Chairman of the Planning Committee serving as Master of Ceremonies. Mrs. Bryson was referred to throughout the program as "A Teacher - Our Apple of Gold." Mrs. Bryson has taught the Pre-school Sunday School Class for over forty years - no one seemed to know just how many, however most members in the congregation arose from their seats when asked to do so if they had been in her class. All present SS Departments, having been in her class had a part on the program. A large host of friends and relatives attended. Mrs. Bryson's immediate family gave a Music presentation led by Mike Willis, a grandson. A lovely reception was held following program. The Planning Committee stated that, "It was their aim to honor God also, as they honored one of His most faithful servants." What a beautiful tribute - so fitting and proper!

Burningtown on May 15, 1983 observed Appreciation Day for one of her long and faithful members - Mrs. Beulah J. Parrish for the many years of service having been the Pianist as well as teacher, SS Superintendent, CT work and Various Committee duties. A special program was dedicated with Merritt Fouts serving as Master of Ceremonies. Speakers were Rev. Bill Jolly - Mrs. Parrish's brother; Charles Yonce, a grandson; Lary Raby and Ruth Simonds, former students; Mrs. Florence Sherrill, former Home Extension Agent; Rev. Earl Dendy, former Pastor, and Judson Hall, Pastor. A special music program was given by members of the church. After presentation of Gift, a covered dish lunch was served. What loving thoughts and fond memories of a woman who has served her Master so well and so long.

Both Mrs. Bryson and Mrs. Parrish have made their marks on the sands of time and have done their part to help make the lives of many a better vessel for God's Kingdom.

As we come to the close of another year and put together our reports we are keenly aware of the contribution each great church in the MBA has made. We do not exist in a vacuum - there was a reason and purpose for our beginning and plays a vital role in the history of the county and region. We express thanksgiving to our Lord! As we begin a new year let us resolve to SERVE our Lord daily and continue to grow. Let's take a look into the future and have the willingness to take up the challenge that lies ahead so we shall be what others have labored hard for - "To everything there is a season and a time to every purpose under heaven". Ecc. 3:1

HOME MISSIONS REPORT, 1983

The Home Mission board serves the Southern Baptist Convention as both a direct missions agency and a resource agency. Nearly half the board's funds support actions that encourage and equip others to accept the missions challenge.

As a mission-sending agency the Board appoints persons who witness, begin churches, and meet human needs. As a resource agency, the Board provides information to help local Baptists

perform mission work.

In 1982, the Special Mission Ministries Department, in cooperation with the Knox County Baptist Associaton and the Tennessee Baptist Convention, provided ministries to reach about 800,000 people at the World's Fair.

The Mission Service Corps has assigned 735 volunteers to places of service since 1977.

The Language Missions Division worked with 81 ethnic groups in 76 languages, and started 345 new ministries in 1982.

In 1982, a total of 3,430 personnel served the Home Mission Board in 50 states, American Samoa, Puerto Rice, American Virgin Islands, and Canada. Included in the total were 872 missionaries, 689 missionary associates, 871 who received church pastoral assistance, and 225 who received language pastoral assistance. The Board endorses 1,568 chaplains in the military, industry, hospitals, and institutions.

The Board received in 1982 $17,634,000 through the Cooperative Program, and $20,709,000 through the Annie Armstrong Offering. The Annie Armstrong goal for 1983 is $25,000,000.

MISSIONS COMMITTEE

Our Missions Committee this year of 1982-83 met again before the Executive Promotion Committee Meetings. There were also a couple of special meetings. Again this year we worked on the proposed budget for the Macon Baptist Associaion and in addition, we proposed the buying of a new lawnmower for the Macon Baptist Association lawn.

As always we want to promote harmony and unity within all our sister churches and we support mission efforts as well as the general work of the association. We have a strong desire to support our associational missionary and his leadership of the association.

We continue to "Rejoice evermore", "Pray earnestly" and desire that God will empower us to go from "strength to strength" as we continue our call, vision, and commitment.

Laborers Together,
Melvin Brooks, Chairman

STATE MISSIONS

For 1982 the highlight of the entire year was the Here's Hope Crusade that swept the state for the simple reason that North Carolina Baptist joined together and cooperated in this great effort. God tremendously blessed as newspapers, T.V., radios, and the personal commitments of people involved helped make it a success.

One specific emphasis throughout the state is the North Carolina Missions Week of Prayer and Offering. The goal for 1982 was $2,750,000.

Another special week is Mountain State 200, is which 125 different groups of N.C. Baptist worked in 94 different locations. In the two years of this effort 45 new chapels or churches have been established.

Please continue to pray and commit yourself to the work and let us join together as co-laborers with God in spreading the gospel of our Lord Jesus Christ through missions.

Respectfully submitted by,
Lester Evans

WOMAN'S MISSIONARY UNION

The Associational Leadership Training for 1982-83 was held on October 18, 1982 at the First Baptist Church. Forty Three (43) attended the conference with Thirteen (13) Churches represented.

The Annual Macon Associational WMU meeting was held on April 5, 1983 with First Baptist Church. A program of special music was presented by Mrs. Gloria Owenby and her children, Stacy and Stephanie of the Windy Gap Church. We were blessed by our guest speaker, Rev. C.O. Vance who shared with us slides of work in the North West, as he challenged us the 1982-83 WMU Emphasis, "Life Changing Accountability".

The new officers for 1983-84 were installed by Mrs. Linda Fish.

These Officers are:

WMU Director - Mrs. Dixie Shook
Assoc. Director - Mrs. Eula Dalrymple
Baptist Women - Dir. - Mrs. Rubt Curtiss
Bapt. Young Women - Dir. - Mrs. Rebecca Fisher
Acteens Director - Mrs. Pat Simons
Assoc. Acteens Dir. - Miss Maria Berry

The Acteens have had a great time this year. Thanks to Mrs. Alma Dills for her help to Mrs. Pat Simons as she escorted five (5) Acteens to Ridgecrest for the State Acteens Conference on April 15-16, 1983.

Acteens Fun Day at Macon County Rev. Park on June 11, 1983 was a great success, Pat a job well done, as you coordinated the activities for five (5) Associations with One Hundred Thirty-Five (135) girls participating. Mrs. Barbara Joiner was the guest speaker for the Fun Day Activities.

We are glad to report a new Baptist Women's Organization at Watauga Baptist Church.

VACATION BIBLE SCHOOL REPORT

The Vacation Bible School Clinic was held at the First Baptist Church on April 11, 1983. Conference leaders did an outstanding job presenting curriculum materials and promoting Vacation Bible School. Clinic attendance was 152, representing 22 churches. Churches that were recognized at the clinic for their achievements were:

Distinguished: Cowetta

Advanced: Mt. Hope, Aquone, Bethel Hill, Franklin First, Iotla, Ridgecrest, Cowee, Liberty

Merit: Briartown, Oak Dale, Wells Grove, Tesentee, Pine Grove, Higdonville, Holly Springs, Oak Grove, Black Mountain, Mountain Grove

Mountain Grove was also recognized for conducting their first

Bible School ever.

Of the 44 churches that make up Macon Association 36 conducted Vacation Bible Schools. Overall enrollment 2,440. Professions of faith 51. New prospects 437. Offering given to the Cooperative Program $1,829.47.

Goals set for the coming year are for every church in Macon Associaion to conduct a Vacation Bible School, with 15 churches receiving merit recognition, 10 churches advanced recognition and 4 churches to achieve distinguished recognition. A goal was also set for 4 Mission Bible Schools.

Early planning is essential for a successful and effective Bible School. More people learn about missions, Christian ethics, Christian doctrine and church history in Vacation Bible School than in any other Southern Baptist educational program. Vacation Bible School is big both in size and opportunity.

Respectfully submitted,
Margaret Carpenter,
Assoc. VBS Dir.

COWEETA MISSIONARY BAPTIST CHURCH

Coweeta Missionary Baptist Church was organized in 1831. Older records of the church were destroyed by fire.

In 1955, Bennie B. Haire was ordained into the ministry.

In February, 1956, the church voted to start a new church. Alonzo Knight was elected chairman of the building committee. Rev. Claude Ledford was Pastor. Grady Wiggens was church clerk and William Carpenter, assistant.

In December, 1957, Alonzo Knight and Grady Wiggens were ordained Deacons.

The new church was finished enough to move into in the summer of 1958. Among the many older persons that helped so much in the church that I think we should mention are (Uncle) Ulyless and (Aunt) Erie Carpenter, and (Uncle) Hannibal Bates. Mr. and Mrs. Carpenter loaned the church $700.00 to get it started. The men of the church cut timber and had the lumber sawed and did most of the building.

Rev. Lee Crawford was elected Pastor in June, 1958.

Rev. Clyde Montieth was elected Pastor August 24, 1958.

Rev. Claude Ledford was elected Pastor June 4, 1961.

Rev. W.A. Cloer was elected Pastor June 9, 1965.

November 14, 1965, Mr. J.P. Styles and Grady Styles were ordained deacons.

Larry Shope was ordained deacon January 20, 1966.

In November, 1966, the church passed a motion to accept plans made by the building committee to continue more work on the church.

In January, 1968, two Sunday School rooms were remodeled.

Sunday, January 2, 1972, the church voted to buy a new piano.

June 18, 1972, Rev. Carl Sheffield was elected Pastor, and resigned November 12, 1972.

We were without a Pastor until March 18, 1973. Rev. Terry Moffitt was interim pastor until July 1, 1973. Again, we were without a pastor until December 2, 1973, when the church voted to call Rev. Bobby Crawford as interim pastor until he was ordained. He was ordained January 6, 1974, and began as full time Pastor November 1, 1975.

In early 1975, had carpet installed.

In July, 1976, voted to accept the Constitution and By-Laws. In the same year, the WMU ladies had the nursery carpeted and the restrooms finished.

In June, 1977 started a Brotherhood.

In December, 1977 we got new pews, pulpit furniture and Baptistry - cost $3,420.

Rev. Crawford resigned as Pastor, January 15, 1978. We were without a Pastor until our present Pastor, Rev. Melvin Brooks, was elected and preached his first sermon as Pastor July 2, 1978.

Finished the kitchen in February, 1979 - Cost $1,909.

August 12, 1979, James Carpenter and James Mason were ordained deacons.

Voted in January, 1980 to start printing a church bulletin by Kenneth Smith.

Had a water cooler installed in August, 1980 - Cost $300.00 and a well bored - cost $683.65.

In 1980, the church voted to buy a double-wide mobile home for a Pastorium - Cost - $15,500.00 and all is debt free.

January 21, 1981 Brother Tom Barney was licensed to preach.

Sunday night, March 22, 1981 Kenneth Smith and John Evans were ordained as deacons.

In 1981, remodeled Sanctuary at a cost of $6,700.00 and is debt free.

In 1982, had church bricked, new heating and air condition units installed, and at present time, the church is debt free.

At present, we are in the process of remodeling the basement and paving parking lots.

LONGVIEW'S HISTORY

In February, 1941, Rev. Ronald and Isabel Hull, missionaries with the American Sunday School Union, began a Sunday School in what was then called the Blossomtown community. On June 28, 1942 the group organized into the Longview Baptist Church. The community then began to be called Longview. The church met in a store building owned by Rev. Lake Ledford. Rev. Lester Sorrells was the first pastor. August 6, 1943 Longview became a part of Macon Baptist Association, being investigated by a committee made up of Rev. George Cloer, Rev. Jim Vinson, and Rev. Robert Williams.

The church building was constructed on land donated by Mr. Freeman Hastings, and was built in various stages. The original building consisted basically of the present sanctuary. Rev. Lester Sorrells was pastor during planning and construction of the first stage. March 1955 was the beginning point for the education building, including the baptistry. Rev. W.A. Cloer was pastor during the planning and construction of this

structure. In 1966, the porch and belfry were added. The service for dedication of the physical facility to God was held on January 29, 1950 for the original building and for the educational building on June 23, 1968.

Mrs. Harley Moore (Freda Elliott) Stewart, II, a devoted member of Longview, passed away March 18, 1976. The church had no cemetery and the Stewart family, in memory of their loved one, gave to the church one acre of property and agreed to sell to the church an additional acre very reasonably priced to be used as a cemetery.

Over the years, Longview has ordained nineteen (19) men to serve as deacons. Of course, some men have also come to Longview having already been ordained as deacons. At present, there is a rotating system of service for the deacons.

Longview has licensed and ordained two (2) preachers from its enrollment. They are Dr.Jim Guffie and Rev. Don Ledford. Longview has also licensed Ken Jones into the gospel ministry. Three other young men who became Christians and grew up at Longview who are presently ministers of the gospel are Dr. Thad Robert Dowdle, Rev. Daniel Stiles and Stephen B. Stiles. Dr. Jim Guffie attended Southern Seminary, Dr. Thad Robert Dowdle attended New Orleans Seminary and Rev. Daniel Stiles attended Southeastern Seminary.

Longview has been active in evangelism and has won many to the Lord Jesus. The present membership of Longview is 362. Among the projects in which Longview has participated for evangelistic thrust are:

Mars Hill College Mission Tour of Arizona - Tommy Drake - Participant

Southern Baptist Mission in Dillon, Montana - Rev. and Mrs. Wiley Gibson - Organizer/Pastor

Mission work in British Columbia, Canada - Rev. and Mrs. Charles Cook - Missionaries

Partnership Evangelism in Korea I project - Rev. James F. Johnson - Pastor/Leader - Alma S. Dills - Participant

REPORT OF THE AMERICAN BIBLE SOCIETY

In reporting on the progress of the Bible cause during 1983, the officers and staff of the ABS are aware of the indispensable part by the Southern Baptist Convention whose prayer and support enabled the printed Word of God to reach more lands and languages than ever before. We express our appreciation to all who were involved in promoting this ministry.

Reports are in from over 180 locations worldwide where the Bible Societies are at work. More than 700 translation projects were underway on all continents last year, and for many of these, it is the first time any portion of Scripture has been translated into their language. In addition, more than 497 million copies of Scriptures found their way into hearts and homes of people in nearly every country on earth.

One of the most impressive and challenging facts is that, in a single five-year period, there has been an increase of 17 percent in the number of new Christians in just five countries of Asia, Africa and Latin America - more than 24 million new Christians who need and want to read God's Word for themselves.

For these new Christians, and for the millions throughout the world who are yet unreached, the American Bible Society hopes for the continued and increased support of the Southern Baptist Convention. In 1983, this support amounted to $324,377 or approximately $.02 per member for the year. We pray that the ministry we share will grow in strength, as we work together to make God's Word known, loved and lived throughout the world.

BAPTIST HOSPITAL

During the past year Baptist Hospital admitted 24,577 patients for a total of 218,735 days of patient care. There were 211,547 outpatient clinic visits and 31,930 visits to the emergency room. Surgical procedures totaled 11,816 including 700 open heart operations and 20 kidney transplants.

Several clinical advances during the past year serve as examples of the hospital's quality care. (1) Neurosurgeons have developed a new procedure for treating head injuries which has resulted in our having the lowest mortality rate for patients with this type of injury of any major medical center in the world. (2) Improvements in prenatal care with special emphasis on prevention of preterm labor have resulted in a lower infant mortality rate and in a 15% reduction in the number of babies in Forsyth County needing to be admitted to the intensive care nursery. (3) A new treatment offers relief without surgery for many patients suffering from ruptured vertibral discs. (4) Many patients with kidney stones should benefit from the use of new equipment being acquired in the Section on Urology. It uses ultrasound to break up stones of the urinary tract so that, in many instances, surgery is not necessary.

The School of Pastoral Care during the past year provided clinical pastoral education to 276 ministers through 47 clinical-pastoral programs. Chaplains in the Department of Pastoral Care made more than 33,000 visits to patients, families of patients, and hospital staff. The department also provided more than 20,000 hours of pastoral counseling at its various centers in Winston-Salem, Fayetteville, Raleigh, Morganton, and Charlotte. This program was supported in part from gifts through the Cooperative Program which amounted to $515,556 during the past year. Dr. J. Dewey Hobbs began his work on March 15 as the new director of the Department of Pastoral Care.

The hospital received $351,801 through the North Carolina Missions Offering during the fiscal year. A total of 418 patients received financial assistance on their bills through this fund. These bills ranged in size from $20 to $21,000.

The trustees, staff and especially the patients at Baptist Hospital are deeply grateful to the Baptist churches for their continuing support.

BAPTIST CHILDREN'S HOMES - SERVICES IN SEASON

Often our mountains are called "The Land of Four Seasons." In relation to Baptist Children's Homes our area is soon to become the land of four residential services for needy boys and girls.

Our lead service will continue to be the ministry provided by Broyhill Baptist Children's Home at Clyde. The beautiful chalet style cottages clustered around the lake, nestled in our mountain cove, provide one of the loveliest settings to be found anywhere in the world. This year approximately seventy-five children have been served in this beautiful facility.

Our second program of residential care is the Maternity Home in Asheville. More than thirty girls will be served through this redemptive ministry this year.

An indication of the quality Christian care provided is the commitment of the caring staff. The regular houseparents are Frances and Alvoid Foxx of Brevard. In spite of their Maternity Home schedule the Foxxes still maintain such a close relationship with the Turkey Creek Baptist Church in Brevard that Alvoid continues to serve as an active deacon.

With all of our lovely facilities an even greater asset is our dedicated Christian staff.

Our third residential service is emergency care at Haywood Cottage on the Broyhill campus and Thermal Belt Baptist Youth Shelter in Forest City. At both of these facilities a child can come in at a moment's notice and be cared for while things stabilize at home or while a long-term placement is being arranged. The stresses of our day have made this ministry the most in demand of all of the services we offer.

Now our fourth residential service is on the horizon. This will be a ministry for children who have suffered unusual degrees of abuse and neglect making the intensity of life on a campus, with numbers of children, difficult. Moody Farm Ministries in Macon County is being developed especially for these boys and girls.

Currently we are at the task of raising $500,000 to complete the first stage of construction, and we project that by October, 1985 we will have children in care.

In the "Land of Four Seasons" these four residential services are there for needy children because of our wonderful Christian friends who have been "instant in-season" in meeting the needs.

We continue to praise our Lord for the faithfulness for the Baptists of North Carolina who have supported this child care ministry for almost one hundred years with their prayers, concern, understanding and financial resources.

BAPTIST FOUNDATION REPORT TO ASSOCIATIONS, 1984

In the midst of our attention to space exploration, adventures of science fiction personalities, and the real-life exploits of astronauts, the lovable character, "E.T." was born. He became the object of our sympathy and affection, as well as the source of revenue for his creators. For the North Carolina Baptist Foundation, the letters "E.T." have taken on another and especially significant meaning during the year 1983-84. The most exciting new idea was the creation of the Endowment Trust - Everybody's Trust. It is now possible for practically every adult in our churches to participate in sustained support of Baptist work through a perpetual trust. Each of us wishes we could continue our witness forever. We know that we should plan for such continuing witness. And now each of us can participate in permanent support of our particular Baptist interest.

The Endowment Trust you create may be started with as small a gift as $25.00. You may add a tax deductible gift to it as often as you wish, in whatever amount you wish. When the principal attains a minimum which you predetermine, (usually $1,000), then the income earned is distributed to the Baptist cause which you have also predetermined. The income will be paid every year, after year, after year - forever!

The potential?

If friends of just one-half the members of our churches who die each year should place their memorial gifts in Endowment Trusts to honor those persons, we could increase the support base of Baptist work by six million dollars each year!

If 1000 of us with vision should honor retiring pastors or faithful church leaders, or recognize the birthdays of venerable members with Endowment Trusts, that would place one million dollars in trust for Baptist causes!

If those of us who shop and search for a meaningful gift for parent or other loved one should give them, instead, a trust in their name, we would instantly make available millions of dollars for mission outreach!

One example is worth a million descriptive words. Just a few months ago, a widow in Thomasville created an Endowment Trust in memory of her husband. Her initial gift was $100. At Christmas, she and her children added to the Trust. As this report is being written, five checks totaling $300 to be placed in the Trust have arrived from this family "in memory of him on Father's Day!" Surely a more loving and significant gesture is difficult to find. Each of us has equal access to such joy!

The impact of the E. T. Trust, and the increasing awareness that we each have a responsibility for the eternal use of our material resources, has caused Baptists of North Carolina to give this past year through new trusts, designated additions to existing trusts, and through increased value of assets managed by the Foundation a total of $953,000, an increase of almost a million dollars each year! Income earned by trusts - income which is all paid out to Baptist causes or annuitants - was over $534,000 last year. A half-million dollars distributed, much of it in the name of persons no longer living here on earth!

Respectfully submitted,
Edwin S. Coates

REPORT TO THE ASSOCIATIONS - 1984

The Biblical Recorder

History was made last year when the Biblical Recorder, fourth oldest of the 35 state Baptist papers in the Southern Baptist Convention, celebrated 150 years of Baptist papers in North Carolina. And history was made again in 1984 when for the first time in more than 72 years, the Recorder moved into its own building, becoming the fourth state paper to have its own building.

In February, 1912, the Recorder moved into its own building in the heart of Raleigh. In July, 1984, the paper moved into its own building in the middle of one of the fastest growing areas of the Capital City. Coming to Raleigh in 1838 from New Bern, the Recorder is the oldest business in Raleigh and exceeded in terms of operations in Raleigh only by Brown-Wynne Funeral Home which began in 1836.

The business of the Biblical Recorder is the Lord's business! Since it was founded by Thomas Meredith, the Baptist paper of North Carolina has been committed to the advancement of the Kingdom of God as Baptists coordinate their resources to spread the Gospel to the ends of the earth. The purpose of the Recorder is to inform, indoctrinate, enlist, inspire and provide a forum for unity in the fellowship as we fulfill the Great Commission.

For the third consecutive year, subscription rates will NOT be raised. In 1982, a gigantic increase in the cost of second-class postage (260 per cent) necessitated the increase in subscription rates but now that the rates have moderated some (they are still 80 per cent higher than 1981) and the new Biblical Recorder Building was entered debt-free, the paper will hold the line on subscription rates. We want to make it as easy as possible for churches to send the paper to every family.

Never has there been a greater time than now when Baptists needed to be well informed. There is so much misinformation, exploitation and manipulation in our time that Baptists need a source of news that can be trusted to present facts as they are available and apply them to the betterment, not the harm, of Baptists.

There are tensions in the Baptist family, partly produced by the world conditions in which we operate, and Baptists need a forum where differing views can be expressed. Many so-called Baptist papers provide only one point of view; they do not permit an exchange of ideas and perspectives. The Biblical Recorder does and must always serve all the Baptists of our fellowship.

"Every true Baptist believer a faithful Recorder reader" sounds like an impossible dream but we have set that as a goal for the ministry of the paper which from its beginning was designed to serve the cause of Christ by serving all of His people, not just a limited few. We are grateful for the support we have received across the years and request your continued

prayers, support and readership. We continue our march toward making the Biblical Recorder the best state Baptist paper in the Southern Baptist Convention. Tar Heel Baptists deserve no less!

Jo Ann Elmore, Assoc. Repr.

BAPTIST RETIREMENT HOMES OF NORTH CAROLINA

I want to share some events and activities that are blessing the lives of residents through special people who are giving to the ministry of the Baptist Retirement Homes. Through the Cooperative Program, N. C. Missions Offering and special gifts 77% of the Homes' benevolent care ministry was covered. Projections for benevolent care ending September 30, 1984 are running at about $1,000,000. Mission gifts, it appears will fall short of the need by some $250,000. Approximately 40% of the residents in the five Homes are able to cover their full cost of care. Missions gifts are vital to the benevolent care ministry of the Retirement Homes. The 1983 change in the Homes' Cooperative Program allocation greatly added to the support which you have given. Your prayer support, personal encouragement and visits are greatly appreciated because they mean so much to the residents, staff and ongoing ministry of the Homes.

To operate a $3.2 million ministry it takes a group of individuals looking from many different perspectives at financial, planning, upkeep, development, etc. One group of these individuals are the Trustees. These individuals are your voice in the overall operations of the Homes'. Members of the Trustees are comprising a Search Committee to locate my successor upon my retirement in October, 1985. The Trustees voted to change the Homes' name to the Baptist Retirement Homes of N. C., Inc. The name change was approved by the convention during the 1983 session.

Operating expenses for the Homes' ministry increased approximately 3% during 1983. Currently expenses are running 3.6% ahead of the same period last year. The 220 Homes' employees are responsible for such a modest increase. They are a special part of the Homes' ministry.

For the first time in the Homes' history, a state-wide Capital Funds Campaign has been undertaken. Fred Lovette, retired President and Chairman of the Board for Holly Farms, has given of his time to pull together leaders across North Carolina to formulate an Advisory Team and leadership people to raise $2 1/2 million through the "A Call To Remember"... Campaign. Gifts through this Campaign are going to be used to renovate and update the Hayes Home facility. Plans include a new kitchen facility, support facilities for the Nursing Care Unit, and improvements to the grounds of the Hayes Home Campus.

Life expectancy figures indicate that the Homes can anticipate providing approximately 8 years of care for 80 year old residents. Also the growing segment of our population is the 65 plus group. Through your continued support, the work of the trustees and the continued effective service of the staff, we can be the hope for many older people in our state. I trust your support and encouragement will grow in proportion to the

needs that we have as a ministry with older persons. Our doors are always open to your visits, calls and inquiries for admissions, etc.

The Homes' 33 year heritage has been marked by the deepest concern and love for the older persons who have made their "homes" in the Baptist Retirement Homes. Our mission is challenging as we endeavor to meet the growing needs of our older population. Truly, our future is as bright as the promises of God Himself and the love and support that you give as North Carolina Baptists.

BROTHERHOOD REPORT

The Macon Association Brotherhood is working to establish an association council this year. This council will help to give some direction to the efforts of our men and boys.

We also hope to establish brotherhood prayer units in all of our churches very soon.

We must encourage our churches to make use of the strength of their men and boys by forming brotherhood units.

The Associational leadership is looking forward to a closer relationship with all of the churches and more growth than ever before.

CHRISTIAN ACTION LEAGUE

We rejoice in victories that God has given us in the past year and recognize our dependency upon him for the challenges in the coming year.

I. UNIFORM DRINKING AGE OF 21: President Reagan has signed into law legislation that results in states losing federal highway funds if age 21 is not established as a minimum drinking age for all alcoholic beverages. N.C. General Assembly bowed to the pressures of the beer industry and bar and tavern operators and did not raise our state's drinking age to 21. States that have gone to age 21 have experienced a 28% reduction in teenage fatalities in alcohol-related crashes. So, what we could not accomplish with our own legislators, the League joined with our counter-parts in other states and launched a campaign in the U.S. Congress which was successful. It is apparent now that the 1985 legislature will raise the drinking age to 21 because of the projected loss from $15 to $30 million in federal highway funds. It goes to prove that we have a General Assembly that is more concerned about dollars than the lives of our young people.

II. LOTTERY: Thanks to your help the General Assembly defeated by a narrow margin legislation that would have put the state into the gambling business. However, the pro-gambling industry has targeted North Carolina as a key state for another effort in 1985. Now is the time to get commitments from the candidates to the 1985 General Assembly to oppose such legislation. You have the ear of politicians at election time. So, use your influence while it counts.

III. PORNOGRAPHY: North Carolina has become the nation's "smut" capital with more sex outlets (x-rated theaters, etc.) per capita than any other state. Now, we are being told that only the states of New York and California exceed North Carolina in the availability and distribution of child pornography.

Our state government has done nothing to curb the porno plague which is sweeping our state. Local communities have been successful by enacting Public Display Laws dealing with porno magazines in convenience stores, etc. A few communities have been able to close down some x-rated theaters. Senator Jesse Helms has legislation pending in the U.S. Senate that will curb dial-a-porn and cable porn that has become prominent. Let him know of your support in this area. Contact us at P.O. Box 2126, Raleigh, NC 27602, if we can assist you in dealing with this problem.

IV. BEER, WINE, AND LIQUOR ELECTIONS: We Consider it a privilege to have assisted several areas in defeating referendums in the past year. The alcohol industry was defeated in campaigns conducted in several NC counties and communities. One of the key victories was in the Avery Co. town of Elk Park where beer sales were abolished. This should encourage other areas to follow their leadership.

V. ABORTION: N.C. remains the only state in the Southeast to use state tax funds for medically unnecessary abortions. Federal funds are provided for those cases where the mother's life is endangered. We use state tax funds for those who use abortion as a matter of birth control or convenience. States like Texas stopped using state tax funds for such and have had no increase in the rate of complications. To remove this funding, get a commitment from your candidates to the Gen. Assembly.

CONCLUSION: Through your prayers and financial support, you have made it possible for the League to be able to have a BOLD witness in the BOLD MISSION that you have given us. As we approach a new year, need we be reminded: ALL THAT IS NECESSARY FOR EVIL TO FLOURISH IS FOR GOOD PEOPLE TO DO NOTHING.

CHRISTIAN HIGHER EDUCATION

YOUR NORTH CAROLINA BAPTIST COLLEGES

CAMPBELL - CHOWAN - GARDNER-WEBB - MARS HILL - MEREDITH - WAKE FOREST - WINGATE

WHY BAPTIST COLLEGES?

In a special study, adopted by the Council on Christian Higher Education, the Baptist college was described as a place for study; a place for growing in spiritual and intellectual maturity; and a place where life continues and futures are shaped.

That same report says Baptist colleges are worth what they cost because they offer:

1. A good, comprehensive educational experience.
2. An atmosphere of Christian trust and loving concern.

3. The challenge to think and to distinguish among values.
4. An understanding of the place of faith, and the scope and limitations of reason.
5. Acceptance into a person-centered community where spiritual, personal and intellectual growth are encouraged.
6. The opportunity to become familiar with the great ideas and cultures of the past.
7. The motivation to develop a Christian world-view for facing the uncertainties of the future and for resisting the claims of rivals to Christian thought.

The choice of a college has a life-shaping impact. Baptist young people are encouraged to attend Baptist colleges. It will make a world of difference in their lives.

AN ANNIVERSARY YEAR

The year 1984 marks the 150th anniversary for Wake Forest University. Equally significant, the Baptist State Convention of North Carolina celebrates 150 years of involvement and partnership in Christian education. It all began in 1834, when the Convention was only four years old.

Another milestone in 1984 is the 40th birthday of the Council on Christian Higher Education, a model of church/college cooperation in the Southern Baptist Convention.

The ministry of our Baptist colleges has prospered in North Carolina because of the prayers and the gifts of churches, and because Baptist youth continue to attend.

Please continue to favor us with your young people, your gifts and your prayers.

CHURCH TRAINING REPORT

We as Southern Baptist are involved in the challenge of reaching and discipling the lost by the year 2000. This "Bold Mission Thrust" is through the combined efforts of all departments of our convention and the Church Training Department has been assigned a leading role in this endeavor.

I'm sure that each of us recognize the need for growth in our Christian maturity. Church Training because of its simplicity, informality and flexibility has proven to be an effective means of getting people involved and excited in the "Word", there-by strengthening their spiritual lives. Church Training not only helps to ground us in sound doctrine, but challenges and trains us to become bold and zealous witnesses for our Lord.

During the past church year, Associational goals for our department were not reached, however, Walnut Creek Baptist Church initiated a training program. Out of our 44 churches, that still leaves 17 churches that are not involved.

We had a very successful "M" Night with 483 in attendance. The Choir was made up of the pastors with sister Brenda Boatright as Song Leader and Randy Frady as organist. The evening speaker was Mrs. Ruth Prince who gave an inspiring message.

Associational Bible Drills were held at Macon Baptist Association Building on 11th of May with two girls from Franklin First Church participating. Both girls did excellent.

I challenge you, especially you leaders to re-evaluate your outlook of Church Training because its you that will either "make or break" Church Training. I believe leaders must not only believe in Church Training, support Church Training and Pray for Church Training but must go that second mile. Leaders must show interest and enthusiasm to others and constantly look for ways in which training would be more interesting and effective to those in regular attendance.

If we are serious about building our Church Training attendance, we must create interest, enthusiasm and even excitment in those who are the "faithful few", then others will be encouraged to get involved.

Thank you for the opportunity to serve you as Church Training Director this past year.

It is my Prayer that we as Gods children would be in one mind and accord, realizing the importance of growing in His Grace that we might be the better to serve.

In His Love,
Don Jones,
Assoc. Dir. CT

DIRECTOR OF MISSIONS' REPORT

When I began work as your Associational Missionary, November 1, 1970, we didn't have many cults in this county. Almost fourteen years later, take a look at our county and see how the cults have crept in Macon County. Some of our Baptist people have joined them, that once attended our Baptist Churches and reared in a Christian home. This is startling-that we live in the Bible belt, and we're not discipling our people. Let's pray that our people will be committed to God's call, God's mission, saying "I will" because He first loved us, and that we love Him and His work and that His Kingdom might come and His will be done on earth as it is in Heaven.

In BOLD Mission Thrust we've been thinking of GROWING, GOING, and GIVING. We grow by reaching people, Developing Believers and Strengthen Families. Through God's word and bold praying we can be strengthened.

In 1984 we are focusing on marriage "Growing in Oneness". God arranged that when two people are joined together as man and wife there should be love and subjection until death do us part. Marriage is honorable in all, and the bed undefiled... (Heb. 13:4)

In July 1983 the association added additional parking space. Jim Ritchey and I poured the walk from parking lot to the office. The entrance and exit was reversed. An electronic typewriter was purchased and adding machine with Jo Ann Elmore giving donation for adding machine. The kitchen tile was replaced with Dover Shope helping on the work and Miss May McCoy gave donation.

In November Macon Baptist Association paid expenses of 11 men to go to Keyser, West Va., to finish a Black church, they were from seven of our churches.

In May '84 a team of three worked on Baptist Camp in Hungting, West Va., with no expense to the association.

A furnace was given by the Watauga Baptist Church for the Black mission in Keyser. I delivered it to them in February. They are the first Black mission to become a part of the Baptist State Convention in West Virginia.

We continued to up-grade Camp Truett, painting, clearing and sowing grass.

Two churches began using Southern Baptist Literature this year. Two began giving to Associational missions that hadn't been giving. Forty-one churches have realized the need of giving to the work at home and have supported our work, "doing together what we cannot do alone".

We do see the need of more of our people attending the meetings. The Key Leadership Conference was low in attendance this year, maybe that was due to it being on a holiday. Also our executive meetings need to be well attended that you might have a voice in the work.

Work is being done toward a new mission in MBA. We appreciate all who have been involved. Don Ledford is doing the survey in the community.

I have been involved in many meetings in the work and meetings that involved our community, held many conferences, counseling etc., and traveled many miles... Thank you for giving me this opportunity to serve you.

We thank you for your continued Prayers, financial support, for officers and committees who serve our association faithfully.

I'm looking forward to the new year and let's covenant together to pray for our association that we might grow in oneness in Christ.

In His love, Cecil Frady
Director of Missions, MBA

EVANGELISM REPORT

Our greatest desire is to see growth and continued growth in our churches for the furtherance of God's kingdom. Evangelism plays a leading role in this effort and involves every individual in every church, who has been redeemed by the blood of Jesus Christ. Our prayer is that the next years ahead will be blessed beyond expectation in your churches and in the association as a whole. We hope each church has made plans and preparation to be involved in the World Mission Conference in the Spring of 1985, because this is a great opportunity to see what your ministry is doing, not only here at home, but also all over the world. We must take the great Commission seriously. It must start here at home as well as abroad. We challenge each church to reach out as never before for the glory of God the Father and His Son Jesus Christ. Continue in cooperation and unity for His sake.

Lester Evans,

FOREIGN MISSION REPORT

The FMB was created by the Southern Baptist Convention during its organizational meeting in 1845. Its purpose to provide a channel for Baptist believers and churches in the United States to work together to share the gospel with all nations.

One year later the Board's first appointed missionary went to China. By 1900, missionaries had been appointed to Nigeria, Mexico, Italy, Brazil, and Japan. Missionaries had been sent to 12 more countries by 1941.

Southern Baptist appointments have increased steadily since then. Today, more than 3,300 serve in 103 countries.

These missionaries proclaim the gospel of Jesus Christ. They help national colleagues plant churches and nurture congregations. They commit themselves to the training of local Baptist leadership. They involve themselves in ministry with local Baptist bodies they serve. They minister to people through social services, relief and development projects, medical work, publications and broadcasting.

Missionaries serving under the FMB of the Southern Baptist Convention constitute the largest North American protestant mission force at work today.

The Glue: "Missions and evangelism are definitely the Southern Baptist Convention's common ground and the Glue which holds us together," declared James T. Draper, our Southern Baptist Convention's president. During a twenty-five day working tour of missions in Uganda, Tanzania, Kenya, Egypt, Jordan, and Moroco. He added, "I'm pleased in seeing our missionaries down with the people starting churches, witnessing for Jesus Christ, paying the price," he said, "though I'm grieved when I realize how little Southern Baptist really understand about what the missionaries are doing." Draper added, "that his experience on this and other trips continue to prove to his satisfaction foreign missionaries do the right kind of job in evangelism, Bible teaching and church development."

Highlights of 1983:

The best year of advance for foreign missions since the beginning of Bold Missions Thrust (BMT) showed dramatic increase in seven major categories in 1983.

1. Baptizing believers and starting churches. More than 27 churches were organized on the average during every week last year. That brought the total number of oversea churches to which we relate to 13,586.

In addition to preaching points which haven't organized into churches yet, increased by 13.3 percent.

Baptisms totaled a record of 146,149, showing 3.77 percent increase over 1982. Showing one baptism for every 11 church members.

In South West Africa, where wars for control of the country continue, the fifth Baptist church was organized in mid-February with 46 charter members. Later in the year missionary Carlos Owens baptised 20 persons in a refugee camp near the Angolan border.

During 1983, Baptists in the South American country of Paraguay launched a five year plan to start 65 new churches, enlist 100 fulltime pastors, involve 80 percent of church members in local church ministries and win 7,000 persons to Christ.

In the Philippines one church planting team spent several days off the main highway trudging through mud to set up four new congregations. During a crusade, 44 churches were organized, 7,500 persons accepted Christ.

In Linz, Austria, the church's motto there is "One Step Forward." They hope to bring everyone one step further in relationship to Jesus Christ - from strangers to friends of the church, from friends of the church to fellow believers, from fellow believers to deeper levels of commitment.

Nigerian Baptists reported 16,193 baptisms; South Korea reported 12,032, (one for every 4.6 members); Tanzania 7,827 (one per 4.9 members); Mexico 5,390. The ratio in the United States is one baptism for every 36 members of Southern Baptist Churches.

In the first six months of the year, missionary Polla Bradley saw 750 soldiers baptised through evangelism efforts among the military in South Korea.

Churches of the Brazilian Baptist Convention with well over a half million members accounted for 30 percent of the total overseas baptisms - Brazilians reported 44,648.

2. Opening New Work: During the year missionaries were assigned to five new areas: A. Netherlands Antilles in the Carribean Sea; B. Fiji Islands in the Pacific Ocean; C. Swaziland in South Africa; D. Mali in West Africa; E. Nepal in Asia - Wayne and Patricia Thorpe - our first missionaries in Nepal; F. Two countries - Angola and Lucia were re-entered.

3. Training Leadership: This category of growth in leadership training activities are more than keeping pace with the growing members of Baptist bodies across the world.

Seminary enrollment in 1983 nearly doubled that of 1982... All told theological education institutions reported more than 7,284 students with 7,171 persons studying in extension centers.

4. Discipling believers: Accelerated training was not just for the national Baptists with whom we work. More than one-third of the missionary force has received Master Life discipleship training since 1980. Those missionaries lead an estimated 600 MasterLife group overseas with an average of eight to a group.

Nearly 70 attended the first MasterLife workshops for Arabic-speaking missionaries and national Christians. The group meeting on Cyprus, included four Jewish Christians from Israel.

Sixty-six nationals and missionaries were certified to teach and conduct conferences in a MasterLife workshop in Venezuela, the first such countrywide effort in a Spanish speaking area.

5. Category of growth - Calling out the called.

6. Category of growth - Sending volunteers - 1983, 4,735.

7. Category of growth - Ministering to physical needs.

CHINA - Witnessing by Helping:

During the fall of 1983 six Christian doctors, a team from Bowman Gray School of Medicine, Winston-Salem, N.C., a part of Wake Forest University, and closely associated with North Carolina Baptist Hospital, went to China to share their skills and knowledge... At an opening conference, Vice President Peng introduced the Americans to Chinese faculty members and physicians of the college, (Zhongshan) then introduced the college itself. This college is one of China's top medical schools (out of more than 100). Zhongshan is a "Key point" institution, set aside for outstanding students from all over the country.

The school operates five teaching hospitals with 2,000 beds, funds three research institutes and counts hundreds of faculty members and nearly 3,000 students... The North Carolina doctors lectured overflow groups, toured the campus and observed life in the hospitals. More important a "buddy system" paired Chinese and American specialists - surgeon to surgeon, radiologist to radiologist and so on - so colleagues could make rounds together, talk shop and get to know each other.

The North Carolians saw some very crude equipment used. They unanimously praised both the Chinese doctor's medical skills and openness... One American said "It's amazing how similar our problems are." Despite enormous cultural social and professional differences, the two groups found common ground in treatment practices, the struggle for funding and equipment, the thirst for knowledge. (In Feb./March issue of The Commission find all about the Bowman Gray Team).

President Keith Parks says that at least 12 national bodies in countries to which Southern Baptists send missionaries are sending their own. Many of them have the resources and the desire to participate in gospel witness beyond their borders."

In April, 1983, the FMB voted to "consult all interested Baptist bodies with whom we are linked in a working relationship to discover better ways or strategies for jointly sharing Jesus Christ with everyone in the world before the end of the century." This proposal is the next thrust in Foreign Missions.

Charles Bryan, FMB senior vice president for overseas operations, cites the extent of work in 103 countries as cause for rejoicing with the reminder that we have not come to this point by happenstance. "God opens doors," Bryan says, "but we must be ready to commit resources to enter those doors."

"How God uses believing people to get the gospel to unbelieving men and women is a many-splendored story across many centuries.

God has placed the world in our hearts. He has given us a responsive, dangerous opportune moment in history.

Why?... "God is loving us to love a lost world." "Now we must stand tall on our knees. We must be prophetic in love. We must get on with doing missions, the greatest task God ever entrusted to human beings."

(Gleanings from The Commission editions of 1983.

FRUITLAND BAPTIST BIBLE INSTITUTE

Fruitland Baptist Bible Institute is a department in the Division of Missions of the Baptist State Convention of North Carolina. Its mission is to train adults called to church related vocations.

Since 1899, Baptist have been in education at Fruitland, under the Home Mission Board until 1936 and under the Baptist State Convention since 1946. It is estimated that about twenty percent of the Baptist pastors in North Carolina have had training at Fruitland. Now the school offers training for all church related vocations including music and education. The special training for para-professional or part-time ministers of music and education is offered on Tuesday evenings.

With twenty-five faculty members and forty-eight courses, Fruitland offers full practical training for adults in church related vocations for small and medium sized churches. The regular program is scheduled four morning each school week, Tuesday through Friday from 7:40 a.m. to 12:45 noon. The school operated year-round on a full four quarter system.

Because of the financial support through the Cooperative Program and friends of Fruitland, costs to students is kept at a minimum. Anyone interested in applying should write to the president, Alex L. Booth, Jr., Fruitland Baptist Bible Institute, Hendersonville, North Carolina 28739, or call the office at (704) 685-8886.

A film presentation is available to churches and other groups who will request it by mail or by phone. Printed material is also available upon request.

HOME MISSION REPORT

The Home Missions Board Report to the Southern Baptist Convention in June stated that more foreign missionaries are sent to the United States than to any other country in the world. Saudi Arabia is investing multi-millions of dollars each year to spread Islam in America. More than 60 percent of the population appears to be lost. Almost 1,500 cults and sects are making disciples in America. More than 500 counties in this country have no Southern Baptist Church.

This year the Home Mission Board is sending more than 3,400 mission personnel and 600 Mission Service Corps to give the gospel in all 50 states. They assist in training leadership, teaching evangelism and witnessing, preaching in 80 different language and American Indian dialects. They are church planters, workers in Christian Social Ministries, Chaplains, and metropolitan missionaries. Their work relates to ethnic ministries, relations with Black Baptist, and interfaith witness.

This year the Annie Armstrong Offering for Home Missions was $22,650,542. The Cooperative Program provided $19,715,836. Both were the largest ever received.

Two couples from the Macon Baptist Association, and First Baptist Church of Highlands, are serving a year or more with the Mission Service Corps. Don and Diane Leadbeater minister to children on the Mexican border with the Sunnyside Baptist Center in Douglas, Arizona. Bill and Barbara Brown are serving with the Hawaiian Baptist Convention in Honolulu, Hawaii.

MACON BAPTIST ASSOCIATION HISTORY 1983 - 1984

Attendants at Coweeta and Longview Baptist Churches for the Eightieth Annual Session most surely received a blessing. Host churches extended a sincere warm welcome and one immediately knew they were among God's people. The Longview Church shared the best of food - not one - not two - but several tables of some of the best of everything one could possibly want. Refreshing cool beverages and hot coffee as well were served. Always this function of eating leaves somewhat of a lasting impression and always we probably fail to be grateful and appreciative to all those who put it all together, but we pray that somehow they know just how much we all enjoyed the food and the sweet manner in which it was served. The entire session with our theme: "Unity of The Spirit," was rich and rewarding. All the very special music, the best of sermons, good reports and of course the sheer delight of seeing old and making new acquaintance. Through the sermons we were encouraged as well as challenged and according to our activities this past year in carrying out God's work here in this county we have truly had a great year. As we glance at this past year may we pause to give thanks and praise to our Almighty Lord who has made it all possible and then move on to yet another year - another time.

MBA also donated cabbage to Broyhill Childrens Home - all of which Brother Tom Roberts, Director was very appreciative and thankful.

Home Missions Week in February was observed throughout the MBA. Newmans Chapel went over their goal of $500 and received $600.46. Walnut Creek saved their pennies for Home Missions receiving $112.00.

James and Maxie Kirk, Missionaries home on furlough are available to the association and MBA office upon request will furnish information.

One of the highlights of this year was the reality of the adoption of a plan for development of the Moody Farm Baptist Children's Home property in the Iotla Valley. Plans call for construction of a cottage to house battered and abused children. Facilities will include space for houseparents, bathhouse, office space, road, pump house and storage. The facilities will be used for general summer camping for all boys and girls of our BCH's. Total projected cost to be $500,000 of which $200,000 has been pledged. We are so fortunate to have able bodied men and women of a calibre matched by none in our own association serving as trustees and Board members for this great ministry. It has and will continue to be an opportunity that each of us and our neighboring denominations as well, should be profoundly grateful for the blessings that will come by praying, giving and sharing. The $200,000 was pledged by the anonymous commitment of a group of six people from WNC. A $50 contribution, earned by selling eggs from his hen raising

hobbie, was given by young Matthew Reynolds of Cowee Baptist. Mr. and Mrs. R. L. McGaha of Cowee Baptist gave up their summer vacation to contribute $1,000 thus becoming Founders in the Moody Farm Ministries. Buddy Barrows is serving as campaign Director of Macon County for this fund raising drive.

In 1903, twenty-five Macon County Baptist Churches recognized that there was mutual helpfulness in the association of churches who are in agreement in faith and practice as to encourage the spirit of fellowship and good will. Those churches having a spiritual insight into the virture of cooperation and surely believing that there was a need for an Association in Macon County which had as its sole purpose the promotion and support of missions, education and benevolence of the character and in keeping with the spirit of the Constitution and Articles of Faith of said churches - they organized MBA. Having been parented with loving watchful eye, pastoral support and upheld in ernest prayer for one year - 1903-1904 by the Tuckasegee Association (some of the twenty-five churches were newly formed under the watchcare of their mother church for one year) we were nurtured into being and thus MBA was born. These early churches with limited means, threats of a depression and war years had the faith and the foresight of a greater work to be done. The accomplishments have been many. However, the need for carrying out our Lord's Great Commission is today more crucial. As we now move past our Eighty-first Annual Session (1903-1984) our generation must have a vision - strive to seek the guidance of the Holy Spirit in all that we do. In this may we reaffirm that discipline is necessary for all as we mature in our relationships with God and with each other. Through abiding faith, prayer and subjection of our human responses to the will of God and the influence of the Holy Spirit, we will secure cooperation to carry out the great objects of the Kingdom of God. May we be reminded of Psalm 89:47, "Remember How Short My Time Is."

The Missions Committee met each Quarter discussing and agreeing on things to be done in West Virginia, Wisconsin, Camp Truett and our Associational building.

These were passed on to the Executive Committee with our recommendation to which they voiced their approval. These things were done.

We Pray there will be a continual out-reach helping at home and abroad to tell others how precious the love of Christ is. He loves with an everlasting love.

STATE MISSIONS REPORT

Many things have taken place during the 1982-83 year in North Carolina State Missions. This year completed the third year of partnership with West Virginia Baptist. The number of men and boys involved in missions is at its highest level. Moreover, there has been a continued growth of enrollment and classes offered in Seminary Extension Centers. Fifteen new chapels were started in West Virginia in 1983 making the total of 52 in a

three year period. Although this is great growth, North Carolina Baptist failed to reach the designated goal for 1982 in the North Carolina Missions Offering and some of the programs were cut by 24%. We challenge each individual and each church to consider and step out on faith to be bolder than ever in prayer, witnessing and giving, and God will surely bless.

Lester Evans,

SEMINARY EXTENSION

The Seminary Extension Course #NT0176 (I Cor.) was taught by Rev. Dean Register for the Macon Association SE Center. The course of study began September 6, 1983 and was completed Nov. 8, 1983. As in the past, First Baptist Church, Franklin graciously allowed the use of its facilities for the course. For that service we are so thankful. Also we are thankful for brother Register's teaching. During the course there were 28 in attendance. Eight people had perfect attendance in the class which met each Tuesday for two hours.

The first Tuesday of September has traditionally been the beginning date and will remain so. Rev. Dean Register will be teaching in 1984 also.

All pastors, preachers, deacons, Sunday School Officers and Church Training Leaders are urged to attend this detailed Biblical study. This study is also a great learning experience for any and all who desire to learn the scriptures whether in leadership or not. Many who have attended regularly for years testify to the quality and spiritual blessing in learning more of the Word of God. We praise the Lord for the excellent teachers He has provided us over the years. These men of God have much to offer. Come, learn with us. May God continue to bless this body and each individual who makes up Macon Baptist Association!

SUNDAY SCHOOL REPORT

If we were to pause long enough to look back at the '83-84 School year, we would undoubtably discover that many things we had set a goal to achieve, were left unaccomplished; but not for naught. God has richly blessed churches of this Association in many ways.

The ASSIST Team (Associational Sunday School Information Support Team) of the MBA attended a training Seminar designed to assist all church school departments in reaching out to identify and enroll prospects for Bible study. The "So Send I You" workshop in our Association was led by our Assist Team, consisting of: Preschool, Betty McCall, Children - Margaret Carpenter, Youth - Janet Long, Adults - Russell Boatright. We owe a debt of appreciation to these dedicated and qualified leaders.

8.5 by '85 is yet a challenge for our Association. If this goal is achieved by September 29, 1985, we must find and enroll the unchurched of Macon County, search for ways to improve our Sunday School organization, and strengthen our outreach Programs. We encourage all school leaders to participate in workshops and training clinics and use available materials to develope our Sunday Schools to the highest of standards.

The Sunday School Theme for 1984-85: REACH 5 BY 85 in SUNDAY SCHOOL.

Claude Curtis, Assoc. SS Dir.

NC/TOGO PARTNERSHIP

Partners in Wholeness, the NC/Togo Partnership, is well into the first of its three-and-a-half years. Begun with the vote of the Baptist State Convention last November, the Partnership involves North Carolina Baptists, the Foreign Mission Board, Baptist missionaries in Togo, and the Togolese Baptist Association.

Togo is a small country on the coast of West Africa, located next to Ghana and near Nigeria. It is fairly typical of countries in the Third World, those developing countries where there is much poverty and many needs.

The Partnership is located in the Upper Ogou Region of Togo. This is a very poor area, where life expectancy is only 38 years and 50% of the children die before they reach the age of six.

Several factors contribute to this situation. Water is a major problem. Women, whose responsibility it is to obtain water, often must walk many miles to a well or stream. Sadly, even that water is usually contaminated with parasites.

The Partnership seeks to address these many needs. Central to the project is a Community Learning Center, now being built at the village of Moretan. This center will consist of a classroom, eating facilities, and several traditional Togolese huts, built of mud bricks with thatched roofs. The huts will have small, though significant, improvements. For example, the windows will be screened. John Moore, former director of missions in the South Roanoke Association, is serving, with his

wife Julia, as the host for North Carolina volunteers in Lome, the capital city. He reported what happened at the partnership site when some of the first local people saw the window screens. "They had never seen screens," he wrote, "but recognized immediately what they were for, and expressed amazement that now one could have the breeze blow through the house without the flies."

The Community Learning Center, when completed, will be a site to which people from nearby villages can come to learn better nutrition, improved agricultural techniques (such as crop rotation), simple health education, and other ways to improve their lives and health. It will also be a place where the Togolese can experience the love of God as it is expressed in word and in deed by North Carolina volunteers and others working there.

Other parts of the Partnership are addressing other needs. The boys at Camp Caraway this summer gave their offerings to provide inoculations for Togolese children. Volunteers will go to give those shots. The Foreign Mission Board has bought a well drilling rig and plans to drill deep wells in many villages. Volunteers will operate the rig and teach the Togolese to use it. Plans are being drawn to build a bridge across the Mono River, which cuts Upper Ogou off from the rest of Togo during the rainy season. Volunteers have worked to plan the bridge and will help to build it. Literacy training will enable the people to help themselves and will open the Bible to them. Volunteers will go as literacy teachers.

Currently, construction is well under way on the Community Learning Center. Six huts have been completed and four more are under construction. Two missionary families, who will continue to live in Moretan, have moved to that area. A home for one family has been completed; a second is under way.

At the time of this writing (July 1), fourteen North Carolina Baptists have been to Togo as volunteers; and several others are scheduled to go to Togo during August and September.

You can have a part in the Partnership. During the next three years, we will be looking for nearly 300 volunteers. You may be one of the ones we need. If you are not able to go, you may be able to give. The Hunger Relief Fund of the Foreign Mission Board pays for the hunger-related parts of the project. The NC/Togo Partnership Fund of the Baptist State Convention assists volunteers who are unable to pay all of their own expenses and finances part of the administrative and promotional costs. While some can go as volunteers and many can help financially, all can undergird the Partnership through prayer. Please pray for career missionaries in Togo, for North Carolina volunteers, for the new Togolese Baptists, for the people of Upper Ogou, and for all in North Carolina who work to make the Partnership possible. Indeed, we <u>are</u> co-laborers with Christ, partners in bringing wholeness to the people of Togo, ministering in the name of the One who seeks to make each of us whole.

WOMAN'S MISSIONARY UNION REPORT

Enthusiasm and interest in the WMU was evident at the 1983-84 Associational Leadership Training on September 26, 1983, with a large number in attendance.

The Annual Macon Associational WMU meeting was held on April 10, 1984 with the Mount Hope Baptist Church. The program included special music by Miss Kaye Rickman, "Because He First Loves Us". Mrs. Manilla Rhodes gave the Devotion and call to prayer. Guest speakers for the meeting were Danny and Nancy Callis, missionaries on furlough, from Brazil.

New officers for the year 1984-85 were installed by Mrs. Linda Fish, Star Team member of SBC. These officers included:

WMU Dir. - Mrs. Dixie Shook
Assoc. Dir. - Mrs. Eula Dalrymple
BW Dir. - Mrs. Ruby Curtis
BYW Dir. - Mrs. Dale West
Acteens Dir. - Mrs. Pat Simons
Assoc. Acteens Dir. - Mrs. Maria Solesbee
GA Dir. - Mrs. Margie Jones
Assoc. GA Dir. - Miss Jan Carpenter
Mission Action Dir. - Mrs. Christine Horne
Sec. - Mrs. Jean Farmer
Centenial Chm. - Mrs. Susie Cabe

Refreshments and fellowship were enjoyed at the close of the meeting.

We're happy to report that two churches not having mission organizations were interested in organizing WMU.

The Associational WMU participated in two mission action projects. We gave 335 tubes of toothpaste to the Women's Correctional Institute in Raleigh, we also worked together to buy Bibles, for Danny and Nancy Callis to take back to Brazil.

The Acteens are busy planning for the trip to the National Acteens Convention, Fort Worth, Texas.

May the Lord be blessed and honored with our efforts to do the task we feel He has called us to do.

Respectfully submitted,
Dixie Shook, Assoc. WMU Dir.

REPORT OF YOUTH AND CAMPUS MINISTRIES

Four Caswell Weeks, with the theme "Run in the Son," involved over 3,500 young people. Special conferences for youth ministers and the beginning of a coordinated Convention youth calendar are other projects undertaken in 1983-84 by Rick Traylor. A drama conference, youth council retreats, resources for local ministry, and specific consultation with associations are other emphases within the total scope of Youth Ministries. Our job is to help the churches do their work more effectively.

In Campus Ministry we are expected to minister and serve as consultants with those who work with students from the local church. Baptist Student Union can be found on campuses from Cullowhee to Murfreesboro. These students raised more than $40,000 for missions, learned and practiced evangelism; personal witnessing; worshipped; studied the Bible; found ways of serving others in churches or communities and disciplined themselves toward growth as Christians.

Joe Clontz is beginning in July 1984 his work as coordinator of volunteer ministries on campuses in the Central area of N.C. Geneva Metzger will spend 1984-85 in Japan, learning to work more effectively with students from a local church perspective and to serve and understand Internationals. Joe David Fore will sharpen his skills in Biblical studies, ministry with engaged couples and enabling of volunteers before he assumes the position of facilitator of ministry in the Western area in June of 1985. Sheree Smith and Wanda Kidd will serve as interim campus ministers at UNC-G and WCU respectively. Seminary interns at ECU, UNC-CH and ASU will major in outreach and increase the depth of our ongoing programming.

A Student Convention at Ridgecrest in late September will focus on our Christian family and emphasize missions. A special conference for International Students is scheduled for Charlotte in November. Hundreds of students from the campuses will go into churches for youth revivals or special church-wide programs. NC Students will be part of a major Missions Conference in Nashville in late December. Perhaps the most important dimension of our work in Christ's name are the day-to-day conversations and regular programs on a local level which emphasize prayer, churchmanship, ethical decision-making, world issues in Christian perspective, personal stewardship and life-planning.

As we, employees of your General Board or the Baptist campuses, consult with Sunday School teachers, lead worship, train student leaders and bear witness to God's life-changing power and love in Jesus Christ, we give thanks for your support through the Cooperative Program and in other significant ways. May God continue to bless us.

THE HISTORY OF CLEAR CREEK BAPTIST CHURCH

The Clear Creek Baptist Church was established in the year of 1876. Located about 6 1/2 miles South of Highlands, North Carolina near the Walhalla Road. Since that first date there has been three churches built.

The first church was destroyed by fire. A few hundred feet down the road another building was erected to serve as a Church and a school. After moving from that location, a wooden structure was built a few feet from the present Church.

The first pastor we have record of to serve the church was the Rev. M. P. Alexander. He was elected in the year 1910. The first deacons we have record of were: J. T. Brooks, Edward Chastain, and David M. Rodgers, elected September 24, 1910.

During Rev. J. O. Nix's term as pastor of the church, a new church was started. A block was bought by each child of the church for the new building. After completing the new building in 1955, the wooden church was torn down. This is the church we have today.

During the years we have made alot of changes and done some additions. In the early 1980's we added a social hall and two bathrooms. A baptistery was donated by a family of the church.

Some new pieces of furniture have been added, an organ and fans have been given to the church. A Choir loft has been built.

We are so thankful to God for our lovely church building.

HIGDONVILLE BAPTIST CHURCH

The Higdonville Baptist Church was organized in 1950, with approximately 30 members. There had been Sunday School and church in the Higdonville school house for many years before construction started on the present church building in 1954.

Rev. W.N. Cook was first interim pastor and Rev. C.T. Taylor was the first elected pastor. Other pastors to serve our church were: Rev. Jarius Underwood, Rev. Lee Crawford, Rev. James Jones, Rev. James Shields, Rev. Paul Sorrells, ordained by our church in 1957, Rev. Judson Hall, ordained by our church in 1960, Rev. Ronald Bradley, Rev. Harold Hughes, Rev. Gene Hawkins, Rev. Lester Evans, and Rev. Earl Dendy present pastor.

The Higdonville Baptist Church is very mission minded and is presently giving 35% of its budget to the Cooperative Program. Other mission projects which we have participated in are: Church Building Mission to Honduras in 1978, Larry Raby and Victor Teague participants; Church Construction West Virginia, Mr. & Mrs. Larry Raby, Mr. & Mrs. Dick Wiederhold, participants - two trips; Korean Evangelistic Crusade Rev. Lester Evans, participant, sponsored by various church members.

Many monetary donations to various mission causes, for instance, $1,000. to new Baptist Home for Aging in Asheville, March 1976, and a special awareness of our community needs in the form of many love offerings.

Also an on-going church project of growing sweet corn for Home for the Aging and Childrens Home each summer.

Gradual improvements have been made on the church and grounds.

1976 Church sanctuary and basement, carpeted classrooms.
Late 1976 and 1977 began cemetery improvements.
1977 purchased new piano.
1980 Installed stained glass windows in the sanctuary.
1982 Installed new speaker system for upstairs and down.
1982 Padded Church pews and new light fixtures for sanctuary.
1983 New well dug and grounds landscaped.

In 1984 God continues to bless our church under the leadership of Rev. Earl Dendy.

EARL ALTON DENDY
1917 - 1984
"Faithful To the End, A Friend To God and Man"

May 1, 1917, Earl was born in a Christian home to Joseph and Dora Peek Dendy, Highlands, N.C. of the Gold Mine Community. Earl came to know the Lord at an early age. He was ordained to the Gospel Ministry September 4, 1960. His first pastorate was with the Shortoff Baptist Church; also, he pastored: Clear Creek, Watauga, Macedonia, Wells Grove, Walnut Creek, Newman Chapel, Burningtown, and was serving as pastor of the Higdonville Baptist Church at the time of his death, November 24, 1984.

One of the last earthly acts of Earl Dendy was in service to His Lord, conducting a baptismal service in the Ellijay Creek.

Earl served the association faithfully, two terms as moderator, Chairman Credentials and Ordination Committee, served on Missions Committee, Nominating Committee, Historical Committee and President of Pastors Conference. Earl always arrived early in order to visit awhile before the meetings. His life and ministry has blessed countless people throughout the years. One of Earl's favorite quotations was "This is the day which the Lord hath made; we will rejoice and be glad in it." (Ps. 118:24)

Brother Earl is survived by his wife Gladys, two sets of twins (Mack and Jack, Dale and Gale) and Carolyn Dendy, and a host of friends.

(13) Recognized Max Gladwell (Watauga Baptist Church), Trustee of MBA. He reported that Ms. Dorothy West had wanted to give MBA some additional property, near and parallel to the Associational Building. The deed was made and signed; later it was found there was an option on this property, as well as an additional piece of property beside it. He reported the only way the deed to MBA can be good is for option to be removed. The trustees had contacted persons responsible to see prospects for getting the option (which runs thru June, 1987) removed. The owners of the option had given price to MBA of $2,800.00 to sell or release the option, with one stipulation - that Association not sell their part of property for 5 years. In purchasing this option, it would be on both lots - one of these being the one donated to MBA by Ms. West. The trustees recommendation is that Macon Baptist purchase this option, if possible, for both pieces, and release the option and give back to Ms. West so she would be able to sell or do whatever she wants with other lot. Moved by Rev. Harold Horne, Higdonville Baptist Church, second by Rev. Alton Dendy, Newman Chapel Baptist Church, to accept recommendation from trustees. There was some discussion on this. ANNUITY BOARD REPORT

The Annuity Board sends a retirement benefit check to over 13,000 Southern Baptist annuitants each month. This means that this number of Southern Baptist homes receive help each month in meeting their obligations. Unfortunately, most of these retired servants receive less than adequate retirement incomes. Many served churches which did not provide sufficient funds needed to build a sound retirement benefit. Along with that fact, inflation continues to eat away their retirement income.

The Annuity Board is the Southern Baptist Agency that administers the retirement and insurance programs for the Southern Baptist Convention and helps meet the daily living needs for so many of these servants who have given their lives to the cause of Christ in a Southern Baptist Church. For a moment, try to imagine yourself living on less that $200 per month. This is hard to conceive in today's economy. The hard fact is that approximately 80% of the retired ministers or their widows in the Southern Baptist Convention try to live on this amount. But that's not all. Approximately 50% of them get less than $100 per month. The Southern Baptist Convention average for all annuitants is $142 per month.

Let's bring this message a little closer home. In North Carolina, there are some 1,321 annuitants. Out of this number, 681 receive $100 or less per month. Around 415 of this number

receive from $101 to $200. This leaves 225 annuitants receiving over $200 per month!

The Annuity Board and the Baptist State Convention work hand in hand in trying to improve this situation. One bit of exciting news is the new retirement program, along with improvements, which will take effect on January 1, 1988. Whereas the Baptist State Convention contributes $200 per year to your pastor's retirement program, beginning in January, 1988, the convention will contribute up to $420 per year. This will mean that $210 will be going into actually building a retirement income for our ministerial career church staff personnel. This will represent a vast improvement.

It is obvious that one of the great needs is planning for those retirement years. In a recent survey done by Gurman and Johnson of Transitions Planning, Inc., it was found that 85% of employees at all levels, upon reaching retirement, had done no serious planning for themselves. In another recent survey closer to home, it was revealed that the average Baptist pastor spent more time each year in planning a two-week vacation than in planning for approximately one-fourth of his life which he will spend in retirement years!

BAPTIST CHILDREN'S HOMES' REPORT

The mission of the Baptist Children's Homes of North Carolina, Inc. is to care for dependent, neglected and homeless children; emotionally disturbed children; unwed mothers and their children; and the rendering of related services to their relatives. The broad purpose of the Institution embraces services directed toward the preservation, conservation and rehabilitation of families to avoid, whenever possible, the placement of the child away from home.

During this our 100th year of quality child care, the Trustees, staff and President Michael C. Blackwell, pledge anew our commitment to continue fulfilling the mission and broad purpose of this Christian institution of caring as we enter our second century of service. In our Centennial year we served 1,517 children and 1,167 families.

With the Governor's proclamation of May 19, 1985 as "Baptist Children's Homes Day", the centennial celebration was well on its way. Phil Young of Henderson, was commissioned to right "Praise Book", a musical about children and families. The musical was performed by adult and children's choirs in 11 Baptist churches across the state. Dr. Alan Keith-Lucas, wrote, A HUNDRED YEARS OF CARING, an updated history of the Homes. Baptists from across the State submitted their favorite recipes for a cookbook to be released this fall. In cooperation with the Convention's Communication Department a new video, "100 Years of Caring", was released in February. Both the book and the video were underwritten by the Broyhill Foundation. During May, June and July a 1,400 mile relay marathon, the longest in the history of North Carolina, allowed hundreds of people to participate and celebrate the spirit of caring for children.

An update from the Western Family Services Area reveals the following highlights:

The emergency care shelters at Forest City and on the Broyhill Home Campus, as well as the maternity home in Asheville are operating at capacity level.

During the first year into our second century of quality child care, the Moody Farm Ministries in Macon County will open its doors to troubled children and youth.

We are grateful for the many friends who have given liberally to enable us to begin the Moody Minitries. Our first building will be debt free.

We challenge the Baptists of Western North Carolina to continue the task of developing resources to maintain this ministry.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC.

Whether we look at our objectives in life as individual Christians or collectively, as a church, an association or convention, we should be interested, above all other life's objectives, in presenting the message of Christ to those who need to know and accept Him as Lord and Savior. One of the exciting aspects of being a Christian is to feel the joy that comes in serving Him now as well as having influence on others in the future.

Some of the future influence we have as Christians is reflected in our daily commitment of service now. This can be accomplished first through our personal witness to those who will live beyond our lifespan and, secondly, through use of our resources. An increasing number of North Carolina Baptists are experiencing the excitement that comes with knowing that a portion of their resources will be set aside in trusts to further the spread of the Gospel, in perpetuity. The Baptist Foundation provides the services that make this possible.

During the past fiscal year (1984), 81 new trusts were established with the North Carolina Baptist Founation to serve as trustee. These gifts totalled $265,029.34. Additions and contributions to new and existing trusts totalled $741,153 for the year. When maturity value of bonds in the invested portfolio are considered along with market value for real estate held in trust, the assets of the Foundation at the end of 1984 totalled $10,930,279. Real estate holdings have an estimated value of $4,478 million dollars. Income distributed to Baptist institutions and agencies, and to individuals receiving annuity payments totalled $471,563 during 1984.

Support of new church growth through trusts will receive increasing attention by the Convention in the immediate future. A variety of methods are available to North Carolina Baptists through their Baptist Foundation. Information concerning these and other services of the Foundation are available by contacting the Foundation office at P.O. Box 26508, Raleigh, North Carolina 27611.

BAPTIST HOSPITAL

Baptist Hospital is committed to making available to its patients the most advanced medical technology in an atmosphere of Christian caring.

New technology brought into service during the past year includes a magnetic resonance scanner which uses a strong magnetic field, radio waves, and computer techniques to obtain images of the body's organs and tissues without using ionizing radiation. During the past year, the hospital also introduced a procedure to remove kidney stones by passing a large needle into the kidney and then breaking up the stones with ultrasound or snaring them with a tiny basket. Medical Center cardiologists have helped to develop a dual-chamber pacemaker which helps to regulate the pace of an ailing heart so that its function is more similar to that of a healthier heart. Also, cardiologists are now using streptokinase to effectively dissolve clots in the coronary arteries. In another development, many cancer patients are now benefiting from a new device which makes intravenous injections of drugs unnecessary. Our Medical Center surgeons helped develop this device called a Port-A-Cath. One other seemingly small development this year, but with important consequences, is the discovery by pediatricians that partial bathing of babies in the intensive care nursery rather than total bathing allows the body temperature to remain constant instead of dropping.

These new discoveries help assure Baptist Hospital patients of a high quality of professional care. Equally important, however, is the emotional and spiritual environment in which this care is provided. Through department staff meetings, through staff education programs, through an ongoing program of new employee orientation, the hospital seeks to preserve an atmosphere of Christian caring and concern. The specific functions of the Pastoral Care Department and the Patient Relations Department contribute to the hospital's effort to minister "with skill and understanding."

During the past year, our hospital admitted 25,140 patients for a total of 213,038 days of care. Ambulatory patient visits including the Bowman Gray Department of Clinics totalled 243,096. The hospital has 701 licensed beds, employs 3,537 persons and has an operating budget of $124,187,316. The Department of Pastoral Care made 57,849 visits with patients, family members, and employees and provided 21,194 hours of counseling through the Winston-Salem center and the various satellites.

Last year, North Carolina Baptists gave their hospital $541,255.16 in financial support through the Cooperative Program and $367,712.33 through the North Carolina Missions Offering. The hospital staff and the patients are deeply grateful for this continuing support.

The hospital is currently involved in another expansion program which will include new parking areas, a new inpatient tower, a clinical services building, and additions to the power plant as well as renovation and alterations of existing space. The total cost of this project is estimated at $86,344.000.

BAPTIST RETIREMENT HOMES

For over 34 years, N.C. Baptists have been ministering with older adults through the Baptist Retirement Homes of N.C. The Homes' ministry is one that works - providing security and hope in the midst of sincere concern and love - bringing about the possibility for abundant life - one with a plus. This is all happening in the name of N.C. Baptists through the "Baptist" Retirement Homes.

The Retirement Homes' policy makers, your Trustees, and the Homes' Administration Staff have put untold amounts of time and energy into addressing the changing scene of retirement living. This serious effort has enhanced the viability and efficiency of the Homes' ministry. Serious questions still face the Retirement Homes.

What forms must the Homes' ministry take to meet the increasing needs created by the growing numbers of older adults? How will facility needs be met with limited financial resources? These and many more issues are under serious study and consideration by your Trustees and Administrative Staff. The Homes have a rich heritage of ministry. Building on the strengths of this heritage, the Homes with the growing support of N.C. Baptists will effectively meet the needs of many more older persons.

The following facts and information will give an overview of the Retirement Homes' ministry from August, 1984 - June, 1985:

- The Retirement Homes had an average daily occupancy of 244 residents in the five group Homes, Nuring Care Unit and apartments.
- Over 30 new residents were admitted to the Homes and Nursing Care.
- Group Homes fees for care were not raised. Cost containment and budget controls made this possible.
- Over $100,000 of benevolent care was provided monthly to Home residents.
- Sixty cents of each benevolent care dollar was provided through Cooperative Program and N.C. Missions Offering gifts.
- "Heart to Heart" Christmas gifts from friends of the Retirement Homes provided each resident with a $20 gift.
- The Homes Nursing Care Unit, Winston-Salem, can now care for 85 persons. Conversion of eleven Hayes Home rooms made this increase possible.
- The Nursing Care Unit is operating at 95% plus occupancy.
- Apartment policies have been revised. Plans are being formulated to build another duplex unit on the Hayes Home Campus.
- A 20-minute video tape "Not An Ordinary Person" has been produced to be used in communicating the Retirement Homes' ministry.
- The Retirement Homes do not have vacancies. Please request admissions information from Mr. Jackson S. Hoyle, Administrative Offices, Winston-Salem, N.C.
- After more than 24 years of service to N.C. Baptists and the Retirement Homes, Homes' President Bill Poole retired. A Trustee Search Committee is actively seeking the person to become the third President of the Baptist Retirement Homes of N.C. Jackson Hoyle is serving as Interim Director.

- The first meeting of the Retirement Homes' "Heritage Club" was held. The club members have included the Homes in their estate planning. Last year, through bequests, trusts, etc., over $400,000 was given to support the Retirement Homes' ministry. Information about the Heritage Club is available from the Administrative Offices, Winston-Salem, N.C.
- The fiscal year ending September 30, closed in the black, largely due to special gifts.

The Baptist Retirement Homes' mission is to continue providing the most important dimension to meeting the needs of older adults - Christian compassion. The Retirement Homes provide care beyond the required minimums. Thanks to your mission support, care of which we know you would be proud is provided.

THE BIBLICAL RECORDER

This past year has been one of the very best for the people who comprise the Baptist State Convention of North Carolina, and because the BIBLICAL RECORDER is a member of that family of God, it has enjoyed a good year also, perhaps the best in its history.

Readership appears to be very high. Comments, letters and other communications with the paper indicate Baptists read the paper and depend upon it for correct and vital information about the work we do together. That was the purpose of the paper when it was founded in 1833 and it remains unchanged today.

Tar Heel Baptists face a great challenge and responsibility as we struggle to meet the opportunities before us in our growing and developing state. Fewer persons are members of churches in our state now than are NOT members . . . of any kind of church. Our evangelism burden to win the lost and our ministry obligations to all people, are at the maximum now in all our history.

The RECORDER gladly and gratefully assumes its role in this Great Commission. More than ever before, the paper will seek to inform, indoctrinate, enlist, inspire and provide a forum for Baptist thought and action as we work together to achieve God's purpose for us.

Subscription rates will NOT be raised for the FOURTH consecutive year in 1986, despite a substantial increase in the cost of second-class postage anticipated in October, 1985. Maximum stewardship of the paper's resources has been utilized to provide the paper at minimum cost so that more families can have the paper in their home. The rates for 1986 are the same as 1985: Individual, $7.00; Club (four or more), $6.00; Every Family Plan, $5.00. Our rates are equal to or less than all other major state Baptist papers such as THE BIBLICAL RECORDER.

All is not well in the larger family of Baptists as our national convention continues to struggle for its direction and identity. Every Baptist needs to be well-informed with accurate facts and assessments so that he or she can come to the right position under God as a disciple of Jesus Christ. We must not

let the conflict in the SBC deter us from the work and ministry we have here in our own state.

Let us pray together for the advancement of Christ's Kingdom as never before. Please pray for the paper, its ministry, staff and contribution to the Lord's work. If the paper can help you, your church or your association, please call 919-847-2127.

CHRISTIAN HIGHER EDUCATION

The seven Baptist colleges and universities of North Carolina: Campbell University, Chowan College, Gardner-Webb College, Mars Hill College, Meredith College, Wake Forest University, Wingate College were begun as part of the mandate of Christ to go and teach. The Great Commission is motivation for both missions and education. Hand in hand these two work together.

Working with the seven colleges and universities on the Convention level is the Council on Christian Higher Education. Formed in 1944 the purpose of the Council is to correlate programs, develop uniform accounting procedures, and provide better communication between the schools and the churches in the Convention.

The Council membership is composed of 42 members: the presidents, deans and chairmen of trustees of each of the seven colleges and universities, sixteen members of the General Board Committee on Christian Higher Education, and five ex officio members, (Convention president, General Board president, general secretary-treasurer of the Convention, W.M.U. president, and executive secretary of the council). James Langford is President of the Council.

The council activities and programs are planned to help the colleges and universities. They study the needs of the schools and recommend to the General Board budget allocations to them.

The Council plans conferences for various college and university administrators. Separate conferences are planned for presidents, deans, business managers, admissions directors, development directors and librarians.

The Council plans interdepartmental faculty meetings. Once every two years the teachers in the same discipline from all the North Carolina Baptist colleges and universities meet at one of the schools for two days of personal and professional sharing. The meetings scheduled for 1985 are: professors of Education, professors of Social Sciences, professors of Religion, Philosophy, and college chaplains, professors of Business and Economics, and professors of Psychology.

The Executive Scretary of the Council on Christian Higher Education is Robert Mullinax. The Council is seeking in all its activities to help all our North Carolina colleges and universities as each school serves in its own unique way.

Two of our presidents were elected to important positions of service. Campbell University President Norman A. Wiggins was elected President of the Baptist State Convention. Mars Hill College President Fred Bentley was elected President of the Southern Association of Colleges and Schools which is the regional accrediting association for North Carolina Baptist Colleges.

North Carolina Baptists have supported Christian Education for a cumulative total of 771 years. It is important that we continue to give spiritual, moral and financial support to our schools that they might continue their mission through education.

COUNCIL ON CHRISTIAN LIFE AND PUBLIC AFFAIRS

This has been an extremely busy year for the Council on Christian Life and Public Affairs. Through its three departments, it has provided a variety of field service events and educational resources for North Carolina Baptists. Associational Christian Life committee members were trained and guidance on a wide range of social and ethical issues were furnished to churches and associations. June was promoted as World Hunger Month and our churches increased their giving significantly over that of 1984.

Department of Christian Family Life

A wide range of family life events was led by the department's director. Included were six associational or church-wide Family Enrichment Conferences; three marriage enrichment retreats - two area-wide single adult seminars and an associational single adult event. The Director also spoke at two Better Homes Clubs, and one church night family emphases on topics such as "Ten Commandments for a Good Marriage". He also led three Family Life Revivals, preached in three churches on a Christian family emphasis, spoke to two Baptist associations on ministering to families and divorce in the pastorate, and conducted three parenting workshops. Slide presentations on Togo and Baptist

distinctives were presented in two churches.

Two major focii of the department this year were making available four Domestic Violence COnferences in which the Director offered leadership; also three Divorce Adjustment Workshops were led by Dr. Roger Crook, family life specialist in the area.

Consultations by the director assisting churches, associations, and pastors in their crucial task of strengthening family life were offered. Two conferences for pastor's wives were underwritten by the department.

Department of Aging

Ministry with Senior Adults in North Carolina has experienced significant growth this year. Senior adult leaders received training in several workshops across the state and a number from North Carolina attended the National Seminar on Aging in Atlanta in January. In addition, more than 100 pastors participated in the "Pastoring Older Individuals and Their Families" seminars held in April in four locations in the state.

Six conferences/retreats for senior adults were held at Caraway Baptist Conference Center with more than 800 persons in attendance.

Department of Christian Citizenship Education

The work of Christian Citizenship Education has focused on the 1985 session of the General Assembly, which convened in February and ran into July. As usual, money matters took center stage, with much time going into the preparation of the state's budget and into debate regarding tax reductions. In addition, the legislature dealt with significant issues effecting the environment, education, alcohol abuse, pornography, gambling, and day care. The Department continued to make legislative news available to Baptists through the LIN. Some associations took advantage of the opportunity to have an Associational Day at the General Assembly, bringing a group of interested church members to Raleigh to see first-hand the work of the legislature.

World Hunger continued to be a matter of great concern to many Baptists. The ongoing crisis of famine in Africa has stirred new awareness of the problem and new generosity in response. Please be in prayer - for the millions facing hunger and starvation, - for rain to relieve the African drought, - for caregivers who seek to help, - for ourselves, that our compassion may lead us to greater generosity.

HOME MISSIONS REPORT

The Southern Baptist Convention supports more than one-third of all home missionaries in the United States. Along with the state conventions, the Home Missions Board supports about 3,800 persons in various missions activities. About 45,000 Southern Baptists serve as volunteer missionaries for a week or so to full time each year.

The Home Missions Board has 13 program areas. There are approximately 5,200 language units - churches, missions, and preaching points, with about 375 congregations added annually.

There are 1,700 chaplains - missionaries of the Home Missions Board, but paid by institutions and the United States military.

More than 17,000 prayer partners have signed up through conferences and seminars on Prayer for Spiritual Awakening. The "Good News America, God Loves You" campaign in the spring of 1986 is of special significance in our attempt to evangelize America.

DIRECTOR OF MISSIONS' REPORT

It is hard to believe that it is time for another annual meeting. This year has passed so quickly, it reminds me of so much work to do for our Lord, and the time so short. Also, it's a reminder of growing old and we hope the BEST IS YET TO BE, as stated in Robert Browning's poem. Not only, one year has gone quickly but 15 have flown since I began this work. Three major goals then were: (1) Every church in the association cooperating and giving to the mission program in all our Southern Baptist work, (2) To retire the indebtedness of the associational parsonage and office, (3) For the association to become self supporting. There has been a great increase in giving to missions and Cooperative Program, and working together made it possible to clear the indebtedness FAR ahead of schedule on the associational building, also, to become self supporting at the end of the 1977 associational year.

Besides, the every day duties and full program all year, we have worked on six major events this year: (1) The Annual Meeting, (2) To Begin a new mission, (3) Radio - Thon for Moody Farm Ministries, (4) Mission Trip to Honduras, (5) World Missions Conference, (6) Coordinating Labor from the association in building a low-cost home, with Macon Program for Progress.

Our World Missions Conference was a great success. The verbal reports I've received on the WMC is - the best program we've had to inform churches about the total missions program. We had an attendance of 6,793 and 679 average attendance for the 10 services. There were two professions of faith, 52 rededications.

In spite of all our human failures, God blesses us. Our Lord is so good to us and He wants to bless us more, if only, we would commit more of ourselves to Him, and let His will be done in all we do.

The association voted in an executive meeting to furnish volunteer labor to build a low-income house for a family, who could not afford to build otherwise. They appointed me to coordinate this project in our county. We hope to have enough men to complete the house in record time.

Four of the special events are completed, with much planning and work done on the other two. We look forward to another major event in 1986, "Good News America, God Loves You", simultaneous revival. The "Here's Hope" simultaneous revival for North Carolina was such a good success that 50 states will be joining in this national revival effort. Churches I urge you and pray that God will lead you to VOTE TO PARTICIPATE in this revival, April 6-27, 1986, the date for western N.C. Our goal is for 100% of Macon Baptist Association churches to participate. Get your evangelist and song leader, prepare for people search/scripture distribution. Wouldn't it be glorious for all the churches to be involved during this two weeks period. Let's pray and do our best as the Holy Spirit leads us, and God will give the increase.

I would like to thank Bill's Printing for doing a wonderful job on our cover for the Book of Reports; the logo for "Good News America, God Loves You", and the logo for "Planned Growth in Giving", in color.

Spece does not permit to give in detail about the work, so we have just hit some highlights. Believe me, it has been a busy year and I've traveled MANY miles in the work of the association and have been involved in many meetings both in the association, community, state and others.

Without your prayers and support, this would not be accomplished and to God and all of you we give our thanks. Let's band together this year that we might truly march forward in the work of our Lord, for the time cometh when no man shall work.

In His Love,
Cecil M. Frady,
DOM Macon Bapt. Assoc.

EVANGELISM REPORT 1985

We are told that only three percent of all the lost people come to our churches on their own. This means that 97 percent are out there lost without help, without hope, without strength. These people will die and go to hell unless we go to where they are and share Jesus with them. It is absolutely imperative that our church people come out of the beautiful church buildings into the market place and share with lost humanity the "Good News" of Jesus.

All Baptists are urged to participate in the "Good News America, God Loves You" revival in March and April 1986. The revival dates for the areas are: Eastern, March 9-16; Piedmont, March 23-30; and Western April 6-13, 1986. Every church is encouraged to plan a revival meeting during one of these suggested dates. Let us pray daily that every unsaved person in North Carolina will have the opportunity to hear the gospel of Christ by the end of 1986.

Churches are urged to have a CWT or Lay Evangelism School training in preparation for the "Good News America" revivals. Bible distribution and a people search will be emphasized during October 1985.

Many of our churches have already scheduled revival training seminars, Growing Evangelistic Churches in North Carolina seminars, and Spiritual Awakening seminars for 1985-1986.

In February, in the midst of an ice storm, the Statewide Evangelism Conference was held at War Memorial Auditorium and Coliseum, Greensboro. Jo Ann Shelton and Loeen Bushman led the music and Dr. John Sullivan, Dr. John Bisagno, Dr. Bill Jones, Dr. James Pleitz, Dr. William Tanner, and Dr. Charles Page preached to the twenty-five hundred in attendance. On February 3-4, 1986 the 40th Conference will be held in Greensboro Coliseum with Dr. George Harris, Dr. Frank Crumpler, Dr. Leonard Sanderson, Dr. Frederick Sampson, and Dr. Jim Henry bringing the messages.

Super Summer '85 was held in July this year at Wake Forest University July 10-12, with the Crusade on Friday night in Greensboro with almost ten thousand young people in attendance.

The Evangelism Division sponsored 15 regional meetings in October designed for pastors and staff. These meetings will be held each year to inform and educate the staff on coming evangelism events and programs. The meetings begin at 10:00 a.m. and last until noon with lunch being served. This year the emphasis will be on the "Good News America" revivals.

Again, one of the hits of the year was the Single Adult Evangelism retreat. This is the third year for this retreat and it along with the vocational evangelists retreat are always well attended.

The second Mountain Pastors Evangelism Conference was held at Ridgecrest and was such a success the 1985 conference is already on the agenda. Designed for the mountain pastor and his wife, the conference begins on Friday afternoon and concludes Saturday at 2:00 p.m.

With baptisms down this year, let's pray God will use each of us to win one in 1985-86.

FOREIGN MISSIONS REPORT

Southern Baptist should be gratefully thankful for their support to the program of World missions as we give and work with the Foreign Mission Board.

For sixty years all that Southern Baptists have done has been used of God in a remarkable way. Nearly two million Baptists in 105 countries would express gratitude that Southern Baptists has had a World vision to share with them.

They in turn are participating in World Missions, sponsoring more than 300 missionaries. Many who see themselves as products of Southern Baptist foreign missions are becoming equal partners in worldwide evangelization. We join together to praise the Lord in gratitude for faithfulness of Southern Baptists.

All this has been made possible through the role of the Cooperative Program which amounted to $615,372,852 between 1925 and the end of 1984.

Although Southern Baptists are first in total giving and number of foreign missionaries, OUR INDIVIDUAL response to foreign missions is much less than that of many other Christians.

Compared to twenty other evangelistic denominations, the latest available statistics show that Southern Baptists rank: - 18th in per capita giving for foreign missions; - 13th in per capita giving for foreign missions: - 12th in PERCENTAGE GIVING for foreign missions; - 9th in number of church members required to support one foreign missionary overseas.

Look at it another way. The average Southern Baptist gives about $8. a year for foreign missions. The average member of a Christian and Missionary Alliance Church gives more than $125. per year for foreign missions - fifteen times as much.

If Southern Baptists gave proportionately as much for foreign missions, the Foreign Mission Board would receive fifteen times as much money for World Missions this year almost - $2 billion!!

When we talk about Bold Mission Thrust and reaching the entire world, it's clear we do not understand the cost involved as well as some other Christians.

There is no limit to what Southern Baptists could accomplish, under God's leadership, if more money was available for missions.

SOME FACTS THAT MAKE US WANT TO GIVE FOR MISSIONS

A. Attention Southern Baptists: Everyday of 1983 (on the average) you helped baptize 400 new believers in Christ in other countries.

B. During a single crusade in the Philippines last year 7,500 persons became Christians and forty-four new Baptist churches were organized.

C. In Ecuador, South America, 684 persons were baptized in

1983 - four times the year before.

D. In Venezuela, eleven weekly Baptist radio programs are heard by more than three million people. Some 14,000 listeners have enrolled in Bible study by mail. And 10,000 people asked for tapes of Christian music and sermons last year.

E. Attention Southern Baptist: Every day of 1983 (on the average) you helped start four new churches somewhere in the world - Bible believing, New Testament Churches.

F. REJOICE: In some parts of Eastern Southern Africa Christians are increasing fourteen times faster than the population. (Almost 500 Southern Baptist Missionaries serve in that part of Africa.)

MISSIONS UP DATE

ON THE BASES: More than 25,000 men at 97 Military bases in South Korea heard the gospel preached by some thirty KOREAN BAPTIST PASTORS during the summer. More than 3,700 Koreans made public spiritual decisions during the crusade, reported Southern Baptist Missionary, Rola Bradley, who works in Military evangelism and helped organize and financed the effort.

SOUTHERN BAPTIST FIELDS TOTAL 105. The number of foreign Southern Baptist Missionaries reached 3,432 at the end of 1984. There were three new fields in 1984, Finland, Pakestan, and Sierra Leone.

PARKS WARNED (Southern Baptist) however that unless missions FUNDING ESCALATES more rapidly, "the board will face some VERY TOUGH decisions" ON THE NUMBER OF MISSIONARIES IT CAN APPOINT.

He said the denomination has NOT YET HAD BOLD FINANCING FOR its Bold Missions Program. He noted this year's Lottie Moon Christmas Offering GOAL OF SIXTY-SIX MILLION for foreign missions will require churches to increase their GIVING BY 13.74 PERCENT.

LONGTIME MISSIONS LEADER DIES

BAKER JAMES CAUTHEN, executive secretary and later executive director of the Foreign Mission Board 1954-79 died at his home in Richmond, Virginia, April 15, 1985; he was 75 years of age. During the 26 years he led the board the numbers of missionaries increased from 908 to nearly 3,000, the total countries where they worked from 32-95, and missions funding from $6.7 million in 1954 to $76.7 million in 1979.

After missionary service in China, Cauthen was elected the board's secretary for the ORIENT in 1946, then Cauthen became executive director 1954, following the death of M. Theron Rankon. Though Cauthen suffered a heart attack in 1977 and a stroke in 1984, he remained active in Mission teaching at two seminaries.

R. Keith Parks, Cauthen's successor at the board, said Cauthen in his missions commitment "SYMBOLIZED TO SOUTHERN BAPTIST the cohesive force that has moved us together throughout our history." Evangelist BILLY GRAHAM called Cauthen "one of the greatest MISSIONARY STATESMEN in all American Church life." SURVIVORS INCLUDE his wife Eloise Glass Cauthen; two children: Carolyn Mathews of Santa Fe, N.M. and Ralph B. of Greensboro, N.C. and two grandchildren.

Dr. Cauthen was often described as "Mr. Foreign Missions."

As early as 1964 he envisioned 5,000 Southern Baptist Missionaries around the world. "God has not given us our current resources that we may use them upon ourselves", Cauthen said.

In his last sermon to the Southern Baptist Convention, in 1979, he challenged, "Let us pray, give, go, send, preach, bear witness to the lost, the hungry, the poor, the broken, the dis-

gressed, and if needs be, suffer and die, that the name of Jesus Christ be made known to every human being on the face of the earth."

During his last days Cauthen prayed much for unity among Southern Baptists.

In an interview after the funeral, Cauthen's widow ELOISE, said, "It was a great burden on my husband's heart to see that the convention he LOVED had become a battle ground of ""we" and "they" he yearned for it to be "us". - "For weeks he seldom offered a prayer that did not include a prayer for the convention that the issues would be resolved. - and that we might be united in the one business of the convention - to get the gospel out to the world."

ANOTHER GOOD WORK OF SOUTHERN BAPTIST

Southern Baptist are helping the sick. LAST YEAR Southern Baptist Medical Professionals in foreign missions and their national colleagues treated more than ONE MILLION persons in Baptist Hospitals and clinics around the world.

WATER IS LIFE: PRAY FOR RAIN IN AFRICA

Foreign Mission Board President, R. Keith Parks, and other outstanding leaders of Southern Baptist Mission Work have joined in urging 14.3 million Southern Baptist and Baptist on one hundred five foreign fields to make 1985 a year of prayer for RAIN in drought striken Africa.

FRUITLAND BAPTIST BIBLE INSTITUTE
ANNUAL REPORT, 1985

It is the avowed intention of Fruitland Baptist Bible Institute, near Hendersonville, to provide training for any person called to church related work, full time, part time, vocational or bi-vocational. Anyone who can be recommended by his or her home church will be accepted. No one will be rejected because of a limited educational background. No one who does the work seriously will be forced out of school for academic reasons.

About one hundred forty students are enrolled for each quarter. The total program can be completed in eight quarters. The school operates year round with a new quarter beginning the first Tuesday in January, April, July and October.

There are twenty-five faculty members who were elected by the Executive Committee of the Baptist State Convention. They are all highly trained and thoroughly experienced. The quality of the work is under constant evaluation with good reports.

Beginning this year, the school offers the Advanced Diploma for all graduates who will complete sixteen seminars. Thirty-two people took the Summer Seminar taught by Dr. Carl Bates in July, 1985.

STATE MISSIONS

State Missions work in North Carolina has been on the move in many ways. Our State Missions Offering supports Baptist Homes for the Elderly, Children's Homes, Special Ministries, Baptist Hospital, and colleges as well as several other important ministries across our state. North Carolina Baptist also have a partnership with Togo, Africa in which volunteer teams have been reaping great rewards from drilling wells, constructing reservoirs, and sharing the gospel with the people of this small and undeveloped country.

Probably the greatest move in behalf of State Missions will be our participation in the "Good News America, God Loves You" campaign of simultaneous revivals and preparation in the fall of 1985 and spring of 1986. We are looking forward with great expectations for spectacular results. Join us in prayer and preparation for another successful year in State Missions.

MACON BAPTIST ASSOCIATION HISTORY 1984-1985

Last fall it was my pleasure to attend the 81st Annual Session of the MBA held at Higdonville and Clear Creek Baptist Churches. On these occasions it is always a privilege to see old friends and meet new ones who are interested in like faith and completely obedient to our Lord's commandment and plan of missions.

We received a spiritual blessing as we met with these two sister churches. We were received with a kind, sincere welcome by the Higdonville church by laymen of their church as their beloved pastor, Rev. Earl Dendy was seriously ill at the time. Later that evening, a love offering was received for Rev. Dendy in the amount of $317.66. The reports of last years labors were interesting, the singing was inspiring and speaking was dynamic. There was a joyous feeling of Christian love and unity as our Credentials Committee upon unanimous vote brought a recommendation to the messengers of the eighty-first annual session of the MBA to approve the request of the Faith Baptist Church of Riverbend Road in Franklin to become a member of the MBA in full fellowship. The vote was unanimous - now making forty-five churches in the MBA. We truly and sincerely welcome you our dearest relatives and friends in Christ to this association and may God's richest grace and blessings be upon you - together may we always strive to do and obey His will in all things.

On August 17, Clear Creek Baptist Church hosted an Evening and Night session. Rev. J.C. Robinson and members were so gracious and received us with such warmth and kindness that we immediately knew we were to have been there in that beautiful cool mountain setting among the very kindest of God's people. There our reports, our speakers and our singing continued to be good and all were looking forward to that special time of sharing the evening meal which was truly a feast to behold and served with such love and kindness by the ladies of the church. The bounteous laden tables of food were simply beyond one's imagination. Food of every kind of God's goodness was surely spread for us to enjoy and have fellowship over. As we continued into the night session, we were blessed and spiritually up-lifted in song, sermons and prayer and came away knowing we cannot turn back on the work that is before us to do.

Our MBA churches and people continue to be busy as the following events and items of interest will indicate: Church News 1984-1985: AQUONE has completed a large picnic pavilion behind their church where monthly picnic, fellowship and games are held with fifty to sixty members usually present. A mobile home has been set up and the church has called Rev. James McClure as pastor. Rev. The new Educational building was dedicated on January 6 at the morning worship service. The building contains 4,500 sq. feet of space consisting of six classrooms, two large bathrooms, choir room and entrance for the handicapped. Cost is approximately $220,000 with only $125,000. borrowed to construct the new facility. The Home Mission goal of $2,000. was exceeded by $632. for a total of $2,632. COWEETA installed a thirty-foot steeple with cross which contains two teers - one for a bell and one for a light. The new pastorium has been completed and Rev. and

Mrs. Brooks moved in during the Christmas Holidays. FAITH, our youngest church in the association called Rev. J.D. Grant as their pastor. Rev. Grant comes to us from the Tuckasegee Association. WEST UNION installed new windows in their church. Rev. William McClure resigned as their pastor and Rev. Claude Ledford was called as pastor. HIGHLANDS FIRST sanctuary addition and installation of spire was recently completed.

Other MBA news of interest this past year is as follows: Mr. and Mrs. Russell Boatright and Lisa Millard went to Southeastern Brazil July 24 - August 7, 1984. This was in participation with the partnership evangelism through the Foreign Mission Board.

On July 14, 1984, Mr. and Mrs. Fred J. Corbin, well known to all our MBA family, celebrated their 60th. wedding anniversary at the Higdonville church.

At a July 23 meeting in Raleigh, our own Roy J. Smith, was recommended as general secretary-treasurer of the Baptist State Convention of NC by the denominations search committee. Roy served as associate general secretary since 1978 and on the convention staff since 1962. The General Board of the NC Baptist State Convention at a meeting on September 25 at Caraway unanimously accepted the Search Committees recommendation. On November 13, at the Annual NC Baptist State Convention in Asheville, Roy was overwhelmingly and without opposition elected as our NC Baptists' new General Secretary-Treasurer. On a snowy January 28 evening ROY JORDAN SMITH was installed as the twelfth General Secretary-Treasurer of the NC State Baptist Convention. Roy has a common touch that makes him loved, trusted and respected across our state - we're proud and honored to include him in our MBA History.

Another deserving person that we can boast of being our own is RICK BURNETTE, who was chosen to train as Journeyman by the Southern Baptist Foreign Mission Board at the October meeting in Richmond, VA. Rich was commissioned February 8 by the board and assigned as an agriculturist at the Rural Life Center to the Philippines. Rick received the B.S. degree 1984 from the University of Tennessee at Knoxville. While at University of TN, he was active in BSU and served as a Southern Baptist summer missionary in Washington. Rick's home church is Mount Hope and he is the son of Mr. and Mrs. Richard M. Burnette. He deserves a spot in our history also.

On October 20, a "Radiothon" was held in Franklin for the BAPTIST CHILDREN'S HOMES MOODY FARM MINISTRIES at which $33,000 was raised. Hundreds of individuals, churches and families continue to give, pledge and work toward the goal of $500,000. for this ministry bringing the reality of a dream by the late Miss May Beryl Moody more near. On February 24, 1985, more than 300 people attended the program at Iotla Missionary Baptist Church and ground breaking ceremony that followed. Miss Nora Moody, sister of the late May Beryl, turned the first shovel. Assisting were Dr. Michael C. Blackwell, President of the Baptist Children's Homes of NC; Rev. Lloyd Fish, General Director of the Moody Farm Ministries, and Matthew Reynolds, a seven-year old

who sold eggs to raise money for the project. Construction on the first phase is expected to begin late Fall of 1985 and ready to house troubled youth by Spring of 1986.

The Baptist Children's Homes at a private luncheon on Feb. 23, formed and organized the "MOODY SOCIETY", an organization that will encourage continued interest and support of Moody Farm Ministries. Eleven members were inducted. The Moody Society is open to anyone - membership requirements include a $5,000. gift to Moody Farm Ministries or raising $15,000 gift for the project. New members to be inducted annually.

"M NIGHT" October 29 had an attendance of 589 representing twenty-five churches. The meeting was held at First Baptist with Jim Simpson, Associate Church Training Director of the NC State Baptist Convention, speaking to the group. A love offering was taken for Rev. Earl Dendy and $1,301.58 was received.

REV. CECIL FRADY our DOM, and wife Jean, made the first page of The Franklin Press, being in the fifteenth year as MBA DOM, Rev. Frady stated that his task is clear: "There is no gospel without missions", summarizing the goal of his daily ministry to over 9,000 Southern Baptist in our MBA.

On November 24, 1984, REV. EARL DENDY departed his walk of life here on earth to go to be with our Lord. Rev. Dendy was distinguished by his compassion for others. He was a man of deep human feelings and dearly loved by all our MBA family. He was faithful to the calling and shall be missed in Macon County. We were proud to claim him for our own. Funeral rites were held at the Goldmine Baptist Church, Nov. 27, 1984, and burial was in Mount Moriah Cemetery.

Macon County was well represented at the Annual NC State Baptist Convention in Asheville, November 13.

During the January meeting of the NC Baptist Children's Homes trustees - REV. AND MRS. LLOYD FISH were honored and presented a plaque for his service as campaign director of Moody Farm Ministries.

REV. LESTER N. EVANS was named a Raymond Bryan Brown Memorial Scholar at Southeastern Seminary in Wake Forest in May. The Brown Scholarship is the most prestigious scholarship awarded by the school and is given on the basis of academic merit, commitment to ministry, and promise in the service of Christ. Lester is a May graduate of Mars Hill College, where he earned the B.A. Degree. We're proud of Lester and we'll be hearing more of him.

VERLIN CURTIS presented the MBA office with an answering service. This will enhance the work of Cecil and Jean.

Several area and out of state volunteers escorted by DOM Rev. Cecil Frady went on a mission tour to HONDURAS March 1-15. While there the men completed a pastor's home and two chapels.

VBS Director MARGARET CARPENTER has given much dedicated time and service to VBS Clinics and workshops throughout the Winter and Spring months Good VBS reports come from our MBA churches which reflects the results of her efforts.

WORLD MISSIONS CONFERENCE was observed by many of our churches with fifteen missionaries representing foreign, state and home missions.

The Associational Week of Prayer May 20-26 was promoted in most of our churches.

WORLD HUNGER was observed in June showing an increased giving. This tremendous increase in gifts to alleviate world hunger

speaks volumes about the compassion of our people.

Our WMU directed by DIXIE SHOOK received special recognition at Ridgecrest Key Leadership at Ridgecrest. Recognition was given for increased growth of WMU in our Association. Dixie is to be commended for her untiring labor of love and dedication to WMU.

"RUN FOR CHILDREN" in celebration of Baptist Children's Homes of NC's 100th anniversary was held in our area with several participants.

Attending the SOUTHERN BAPTIST CONVENTION IN DALLAS, TX in June from our association were: Rev.'s Alton Dendy, Martin Fisher and Steve Reeves; Rev. and Mrs. Lloyd Fish, Rev. and Mrs. Cecil Frady and layman Mark Galonger; and Rev. & Mrs. J.D. Grant, Sonjia and Jason.

I appreciate the space allotted in these minutes to briefly mention a portion of work in our Baptist life this past year. Throughout our MBA our people have strived to be dedicated to the leadership of God in all our programs realizing great victories await people of God when we follow him. May we be sure that the victories we seek are those that God has chosen and that we seek them in the time, place and manner that He commands. Only God is wise enough to choose these - then He will give to us peace in our time. "O satisfy us early with thy mercy; that we may rejoice and be glad all our days". Psalms 90:14.

SEMINARY EXTENSION

Beginning September 4, 1984 at First Baptist Church, Franklin, the Macon Baptist Association Seminary Extension held another in a long line of excellent studies. Dr. Dean Register, pastor of First Baptist Church was the teacher. The course was O.T. 0121 - Studies in Psalms. Not only was it a learning experience, but each session was a worship session! (Our association will sorely miss Dr. Register; truly an humble man of God and great teacher).

Fourteen people received regular Seminary Extension credit for the course. This year, for the first time, we have three (3) men who received college credit for the course. They were: Tommy Lamb, Steve Plemmons, and Jim Ritchey. Thank God for men who are willing to study in depth to become more fluent in the Holy Scriptures.

Monies were also provided for reimbursement for expenditures for books to participants. This is the second year we've had scholarships. These were much appreciated. Seminary Extension is growing Convention-wide and is at an all-time high in participation and in number of centers. We praise God for this since it translates into better prepared church leadership. We encourage your participation.

Ordinarily, in our fall study, we use materials corresponding with the January Bible Study. This year the January Bible Study will be in Hebrews. Because we studied Hebrews four (4) years ago and credit cannot be issued in duplication we will be study-

ing some other course this fall. It is hoped you will understand the rationale behind this decision.

May God bless each of you is my prayer. I also request your prayers for the Seminary Extension work being done here and throughout the Southern Baptist Convention. It is through greater knowledge of the scripture we all become more like Him who died for this - so great a salvation. Please pray about becoming involved in this study with us.

In Christ Jesus,
Alma Stiles Dills, Dir. M.S.E.

MISSIONS COMMITTEE REPORT

The Missions Committee of the Macon Baptist Association has had five (5) meetings this year to discuss and plan the work of our association.

The following is a list of recommendations that the Missions Committee made to the Executive Board this year. Please check the minutes of the Executive Board as to the action taken by the association.

I. RECOMMENDED BY-LAW CHANGE:

Recommended that Nos. G and H be added to Article IV. The Missions Committee

G. They shall have oversight and supervision of upkeep and repairs at Macon Baptist Center.

H. The Missions Committee shall review annually, with the Director of Missions, all nominees to be memorialized in the annuals of the Macon Baptist Association.

II. RECOMMENDATION ON BEHALF OF THE DIRECTOR OF MISSIONS:

1. The Christmas gift for our Director of Missions and Secretary be placed in the budget. The suggested guiding principle is that the gift would be at least equal one week's salary.

2. Because of extra travel demands during the World Missions Conference, we give our Director of Missions 20¢ per mile for travel for World Missions Conference needs. This is to be taken from the World Missions Conference budget.

3. We recommend that our Director of Missions be given 2 weeks to do a project in Honduras (March 3-18).

III. RECOMMENDATIONS CONCERNING MACON BAPTIST ASSOCIATION ORGANIZATIONS AND MINISTRY:

1. We recommend that we work with Macon Program for Progress, annually, to build a volunteer house, by coordinating and providing the free labor. This year the house is to be begun in late March or April.

2. We recommend that the Sunday School Director and Evangelism Committee work together with the Sunday School Department of N.C. Baptist to plan a Sunday School enlargement campaign in October of 1985 or at least the 1986 "Good News America, God Loves You" crusades.

3. We recommend that the Seminary Extension Committee to a feasibility study to develop a full Seminary Extension Program so that students may move toward graduation.

IV. RECOMMENDATION ON EQUIPMENT:

1. We recommend that the remainder owed on our video equipment be paid for from the general fund. We also recommend that

people and churches be encouraged to make special donations to replace funds used from the general fund.

V. RECOMMENDATION CONCERNING ANNUAL DEDICATION:

1. The Associational Minutes may be dedicated to laypersons and/or pastors who have given outstanding service to our Lord's work through the Macon Baptist Association. The nominees shall be reviewed by the Missions Committee and Director of Missions. All recommendations are to be brought before the Executive Committee and then voted on at the annual meeting.

VI. RECOMMENDATION ON MISSION CHURCH:

1. The Mission Church to be developed with the guidance of Mr. Bob Watson from the North Carolina Baptist State Convention. The Missions Committee is looking at various ways of developing this work in the Clarks Chapel - Tessentee area. We need your prayers for God's special guidance.

Respectfully submitted,
Lloyd V. Fish, Jr.
Chairman

SUNDAY SCHOOL REPORT

As we come to the close of another year in Sunday School in our association, it is a time for each church to look at where we have been and where we are going. 8,000 plus church members, 4,000 plus enrolled S.S. members what does this tell us about Sunday School? 1985 has been a good year. Many churches have experienced much growth in Sunday School enrollment and average attendance. Some churches have added new classes. Outreach has played a significant role in our school enrollments.

Our Sunday School Rally, "From Here To Victory", was a great time for the over 200 who attended. The response to this rally was very positive and favorable. We hope this can become a yearly event in our association, not only for teachers and officers but for all Sunday school members. 8.5 by 85' is almost a reality. "Super Sunday" is very near. Plan the victory celebration in your church. "With God all Things are Possible."

We can attain victory thru an organized Sunday school and help to spread the gospel "Till Millions Know."

Respectfully submitted,
Claude Curtis, S.S. Dir.

WOMAN'S MISSIONARY UNION REPORT

The 1984-85 year in WMU challenged us with the theme "By Love Compelled." We began the year with training for the Associational WMU Council.

The Fall Leadership workshops for church leaders was held on August 27, 1984; the attendance was down but we feel we did accomplish a good training session.

The Associational Annual WMU meeting was hosted by the Coweeta Baptist Church on April 9, 1985, 7 pm, this meeting was a kick-off for the celebration of 100 years of mission work for WMU in N.C. The 100th birthday will be January 8, 1986. Mrs. Susie Cabe,

Associational Centennial Chairman, presented a fashion show, "Forward thru the years." Special music was presented by Rev. & Mrs. Douglas Wilson of West Franklin Baptist Church. Missionary speakers were Don and Linda Johnson, on furlough from Peru.

The new officers were installed by Suthell Walker, N.C. State Baptist Women consultant. The new officers were: WMU Director - Mrs. Dixie Shook; Assistant WMU Director - Mrs. Eula Dalrymple; Baptist Women Director - Mrs. Ruby Curtis; Baptist Young Women Director - Mrs. Dale West; Acteens Director - Mrs. Pat Simons; Assistant Acteens Director - Mrs. Marie Solesbee; G.A. Director - Miss Jan Carpenter; Mission Friends Director - Mrs. Renee McCall; Mission Action Personal Witness Director - Mrs. Carolyn Stamey; Centennial Chairman - Mrs. Susie Cabe; WMU Secretary - Mrs. Jean Farmer.

Among the achievements of WMU in Macon Association, Advanced was reached on the Associational Achievement Guide for 1984. WMU also achieved recognition for growth both in organization and membership. To God be the glory.

The Baptist Women led by Ruby Curtis, participated in an association wide Baptist Women World Day of Prayer program, with plans to make this an annual associational program.

The Acteens led by Pat Simons, had an Associational Acteens Day at First Baptist Church, joining with five associations for the occasion. The speaker was Carolyn Hopkins, NC State Acteens Consultant.

Mission Action Project for the Association was providing 1800 postage stamps for NC Women's Correctional Institute to be placed in boxes with other items from across our state to make a Merry Christmas for these inmates.

The 1986 Associational WMU Annual Meeting will be hosted by Watauga Baptist Church, April 1, 1986.

Respectfully submitted,
Dixie M. Shook,
Associational WMU Director

VACATION BIBLE SCHOOL REPORT

On February 11, 1985, a Vacation Bible School Early Planning Clinic was held at the Macon Baptist Association House, for VBS Directors and Pastors. This clinic stressed the importance for early planning and informed Directors and Pastors of their duties and responsibilities.

The Association Vacation Bible School Clinic was held on April 29, 1985 at First Baptist Church in Franklin. Conference leaders did an outstanding job presenting curriculum materials and promoting Vacation Bible School. Clinic attendance was 108 representing 22 churches, with 12 pastors attending.

Churches that were recognized at the clinic for their achievements in 1984 were:

Distinguished -	Aquone	Coweeta	Liberty
Advanced -	Calvary	Iotla	Oak Grove
	Black Mountain	Longview	Ridgecrest
	Cowee	Newman Chapel	Watauga

Merit	-	First Baptist	Prentiss	Sugarfork
		Holly Springs	Walnut Creek	Wells Grove
		Pine Grove		

Of the 45 churches that make up Macon Association, 36 conducted Vacation Bible Schools. No Mission VBS or Backyard Bible Clubs were reported.

Overall enrollment was 2,348. Professions of faith 30. New prospects discovered 395.

Goals set for 1985 are for every church in Macon Association to conduct a VBS, with 4 churches receiving Distinguished recognition, 10 churches receiving Advanced recognition, and 15 churches receiving Merit recognition. Also a goal was set for 2 Mission VBS and 2 Backyard Bible Clubs.

Respectfully submitted,
Margaret Carpenter,
Assoc. VBS Director

YOUTH AND CAMPUS MINISTRIES

One of the most exciting and challenging ministries of North Carolina Baptist churches through our convention is that done by the Division of Youth and Campus Ministries. Our task on behalf of junior and senior high school students is to provide leadership training for adult and youth leaders to coordinate the Convention's several programs which include youth, and to project the Convention's Youth weeks at the Assembly. Rick Taylor does an exceptional job in that area.

You have assigned to us your primary ministry with students. We have BSU or some organized group work on 43 campuses. More than thirty volunteers work alongside some twenty full-time campus ministries and four other staff persons in your ministry to students. We as campus ministers are committed to serving consistently as resource persons for church workers with college students in all North Carolina Baptist congregations. We guide in local emphases which include evangelism, missions experience and education, Bible Study, worship, integration of faith and education and decision making as part of Christian discipleships. Over $40,000 has been contributed by North Carolina BSUers this year toward a state-level missions program which witnesses around the world. Additional money and time are invested as students find ways to serve in local communities, usually alongside their older Christian brothers and sisters.

GEORGE W. TRUETT BAPTIST CAMP

As your new Camp director I find it a privilege to serve you and God in this work. We are in the midst of regular camping season at Camp Truett for the year of 1985. It's off to a good start, but I am sorry and I would like to apologize to all the girls we had to turn away from GA Camp. We are looking at next year now to eliminate this problem. We encourage you to register early next year to help us in programming the camp.

It has been in the plans since 1982 to build a new dining hall at the camp, but this will happen only by the help of you, God's chosen people. God has really blessed us this year in many ways. We desperately needed a new pool system, and God sent us a man by the name of Don Missiling who recognized our needs and through his efforts his son-in-law from Florida donated a system worth $3,500.00. We also have a new supply building that was built this year. There have been many things done, but many left to be done so pray with us in this mission work.

We are deeply grateful for all the churches in Region 10 for your support this past year. We hope you will support us through your church budget or by any other means that you can. We are trying to minister to the people in our region and beyond in a spiritual sense as well as physical enjoyment in their camping experience. We have registered 7 professions of faith in Jesus Christ and some 49 rededications in camp thus far and we are praying for many more these coming weeks. Worship and Bible Study has always been an important part of our camp program.

Please send us your children next year and plan your church outings at Camp Truett. This is your camp so please use it.

There will be an open house and hot dog supper for everyone at Camp Truett on September 21, 1985. All Are Invited!

HISTORICAL SKETCH OF FIRST BAPTIST CHURCH OF HIGHLANDS

The Tuckaseigee Baptist Association minutes for August 15-18, 1884, recorded a Home Missions report by Elder S.H. Harrington that a Baptist Church was organized in Highlands in July with 12 members. He was the first pastor. The First Baptist Church celebrated its centennial last year.

A church building located on the present site was purchased from the Northern Methodists in 1904, and used until a new sanctuary was built in 1940. A home for the pastor was built in 1936. The first full-time pastor, Rev. J.G. Benfield, moved into the house in 1938. An educational building joining the two buildings was erected in 1960. A house was purchased on the Dillard Road in 1977 for the pastor's home, and the old building converted into offices, library, and church parlor.

The present sanctuary was started in November, 1984, and dedicated July 28th this year. In 1984 the church also purchased a 4-acre tract in town on the Cashiers Road for future development. Lewis W. Gibson has served as pastor the last ten years.

The church has grown to be very mission-minded, with partner churches in North and South Dakota, couples serving in the Missions Service Corps, and more than 40 per cent of money received going to missions.

This church is prepared for and anticipating a great future.

THE HISTORY OF IOTLA BAPTIST CHURCH

On July 11, 1903, approximately 28 members of Burningtown Baptist Church Fellowship in good standing and by their own request were dismissed when constituted in a new church on Iotla Creek of the same faith and order.

Mr. and Mrs. John Ramsey, Charter members, gave the land to build the church. This first church was a wooden structure and was covered with wooden shingles. The men of the church and perhaps others in the Community, went into the woods, cut the logs, took them to a saw mill, dressed the lumber and built a very nice church with a seating capacity of seventy-five to one hundred. They made the pews and split the shingles for the roof. The church was dedicated to the Lord's service in the year 1905 and was used as a place of worship for approximately nineteen years.

In 1922-23 another church was built using cement blocks made by men of the church. It had four Sunday School rooms, two on each side of the sanctuary with folding doors to give our sanctuary more seating space when needed. In 1950, four more Sunday School rooms were added, two upper level and two lower level. A furnace was installed and men of the church made pews for the sanctuary which were used until 1974, when they were replaced with padded pews. Just prior to this, our sanctuary was carpeted, including adjacent Sunday School rooms.

In July 1954, ten and one-half acres of land was purchased from J. E. and Bertha Tippett, J. L. and Cleta Tippett and Hattie T. Tippett (Widow). This was recorded in the Register of Deeds Office on August 9, 1954. This gave land needed to extend our cemetery and a Parsonage.

December 11, 1966 - new educational building - including heating system and brick veneer - kitchen and Fellowship Hall, nursery and two rest rooms - completed, dedicated, paid for and note burned.

1972 - church driveway and parking area hard surfaced.

1973 - Constitution and By-Laws with Articles of Faith were adopted by the church.

May, 1974 - new Parsonage was completed, dedicated, Church

debt paid in full and note burned.

1976 - parking area extended and marked for parking. December 6, 1976 - Planning and Building Committee elected by the church.

October 9, 1977 - Church voted to build a new church and needed educational space.

March 5, 1978 - Six new Deacons were ordained for service in our church. Number and current Deacon Body increased from 5 to 7.

July 16, 1978 - Celebrated 75 Anniversary of our church 1903-1978.

October 2, 1978 - Old church building razed and moved away. We moved to Iotla School Building which was our church home until the new Church was completed.

Cooperative Program adopted by our church in 1926 grew financially through the years to $10,000 in 1979.

March 9, 1980 - New Sanctuary and educational space dedicated.

July, 1983 - Two new Deacons were ordained for service in our Church. Number and current Deacon Body increased from seven to nine.

July, 1984 - Three new Deacons were ordained for service in our Church.

1984 - New Sunday School Class started for Young Marrieds.

1984 - Additional lighting installed in parking lot.

1985 - One new Deacon ordained for service in our church.

Gradual improvements continue to be made on our Church properties.

God continues to bless our church under the leadership of Rev. J. C. Fuller.
